INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF BATLIBOI ENVIRONMENTAL ENGINEERING LIMITED

Report on the Audit of the Financial Statements Opinion

1. We have audited the accompanying financial statements of Batliboi Environmental Engineering Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss, the Cash Flow Statement and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Accounting Standards specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March, 2021, and its profit and its cash flows.
3. We have conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that the relevant to our audit of the financial statements under the provisions of the Act and the rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. *Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon.*

*In view of uncertainty relating to the amount recoverable from certain customers and also in view of the uncertainty relating to the outcome of the disputes in certain cases, we are unable to express an opinion on the extent of recoverability or the extent of provision required, as the case may be, in respect of debtors balances aggregating **Rs. 349.33 lacs**.*

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the foregoing paragraph, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2021 and its profit and its Cash Flows for the year ended on that date.

Information other than the Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit or loss and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

10. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

14. As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
15. Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:
- a. we have sought and except for the matters described in Key Audit matters, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. except for the possible effects of the matters described in Key Audit matters paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. the financial statements dealt with by this report are in agreement with the books of account;
 - d. except for the possible effects of the matters described in Key Audit matters paragraph, in our opinion, the aforesaid financial statements comply with the Accounting Standard specified under Section 133 of the Act, read with Rule 7 of the Companies (Account) Rules, 2014;
 - e. the matters described in the Key Audit matters paragraph above, in our opinion, may have an adverse effects on the functioning of the Company;
 - f. on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act;
 - g. we have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as on 31st March, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report as per Annexure B expressed an unmodified opinion;
 - h. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. the Company has disclosed the impact of pending litigations on its financial position in the financial statements-Refer Note 16 A to the financial statements;

**ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT
OF EVEN DATE ON THE FINANCIAL STATEMENTS OF
BATLIBOI ENVIRONMENTAL ENGINEERING LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Batliboi Environmental Engineering Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ATTACHED TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH 2021

Note-

15. SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF ACCOUNTING

The Financial statements are prepared under the historical cost convention in accordance with the Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies Account Rule 2014, to the extent applicable and in compliance with generally accepted accounting principles in India.

B. USE OF ESTIMATES

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively when revised.

C. REVENUE RECOGNITION:

- a) Revenue from Sale of goods:
Revenue from sale of goods is recognized on transfer of all significant risks and rewards of ownership to the buyer.
- b) Service Income:
Income from annual maintenance services is recognized proportionately over the period of contract.
- c) Revenue from Construction Contracts:
Revenue from construction works contracts is recognized on: "Percentage of completion method"; Percentage or stage of completion is determined by the proportion that contract cost incurred for work performed up to the reporting date bears to the estimated total costs of the contract.

D. FIXED ASSETS

Fixed Assets are stated at their original cost of acquisition including incidental Expenses related to acquisition and installation. Fixed assets are shown net of Accumulated depreciation and amortization, wherever applicable.

E. DEPRECIATION

- a) Depreciation on all assets is provided under the W.D.V. Method at the rates and in the manner prescribed in Schedule II of the Companies Act, 2013.

b) Depreciation on additions to assets or on sale/disposal of assets is calculated pro-rata from the date of such addition or up to the date of such sale/disposal as the case may be.

F. IMPAIRMENT OF ASSETS

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors.

a) An impairment loss is recognized where the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at weighted average cost of capital.

b) After impairment, depreciation is provided in subsequent periods on the revised carrying amount of the asset over its remaining useful life.

c) A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However the carrying value in use after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

G. INTANGIBLE ASSETS

Cost of technical know-how incurred on technical drawings/designs/data for the manufacture of new products is capitalized on receipt of such drawings/designs/data. The technical know-how is amortized from the year in which commercial production commences over its useful life determined by technical evaluation.

H. INVESTMENTS

Long-term investments are stated at cost including all expenses incidental to acquisition. Provision is made to recognize a decline, other than temporary in the value of long-term investments. Current investments are stated at lower of cost and fair value.

I. VALUATION OF INVENTORIES

- a) Inventories are valued at lower of cost or net realizable value.
- b) Incomplete job contracts are valued at the direct cost incurred on such contracts.

J. FOREIGN CURRENCY TRANSACTIONS

- i) Foreign currency transactions are recorded on initial recognition at the exchange rate in force on the date of the transaction. Exchange differences arising on settlement of monetary items (cash, receivables, payables etc.) are recognized in profit and loss account in the period in which they arise.
- ii) Foreign currency monetary items are reported at exchange rates prevailing at the end of the accounting period and the gains/losses are recognized in the profit and loss account.
- iii) The premium or discount arising at the inception of forward exchange contracts is amortized as an expense or an income over the life of the contract.

K. EMPLOYEE BENEFITS:

a) Short Employee Benefits

All employee benefits falling due wholly within 12 months of rendering the services are classified as short term benefits. The benefits like salaries, wages, short term compensated absences etc and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.

b) Post Employee Benefits

i) Defined Contribution Plans:

The Company has defined contribution plans for post employment benefits such as provident Fund for employees. The Provident Fund is administered by own Employees Provident Fund Trust besides ESIC and labour welfare Fund. The Company's contributions to Defined Contribution plans are charged to Profit & Loss account as and when incurred and the company has no further obligation beyond making contributions.

ii) Defined Benefit Plans:

a) The company's liabilities towards gratuity leave encashment, and compensated absence are determined and provided on the basis of actuarial valuation, as at Balance Sheet date, carried out by an independent actuary. The actuarial method for measuring the liability is the Projected Unit Credit method.

b) Actuarial gains and losses are immediately recognized in the Profit and Loss Account of the year without resorting to any amortization/deferment.

iii) Terminal Benefits

Termination benefits are immediately recognized as an expense in Profit and Loss account, as and when incurred.

L. PROVISIONS AND CONTINGENT LIABILITIES

Provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current estimates. Contingent liabilities are disclosed where there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

M. TAXES ON INCOME

Current tax is determined as the amount of tax payable in respect of estimated taxable income for the year. Deferred tax is recognized, subject to the consideration of prudence as per Accounting Standard-22 (Accounting for taxes on income) on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Where there is unabsorbed depreciation or carry forward losses, deferred tax assets are recognized only to the extent that there is timing difference the reversal of which will result in sufficient income. Other deferred tax assets are recognized only to the extent there is reasonable certainty of realization in future.

(i) Fund based and non fund based facilities from bankers are secured by first pari passu charge on the stock and book debts of the company and 2nd pari passu charge on the fixed assets of Batliboi Ltd situated at Udhna, Surat .

(ii) Short Term Loan from Bank of Maharashtra is secured by exclusive charge on book debts and stock. The said short term loan is availed against the order received from JSW Steel Ltd., Dolvi & Vijaynagar Works.

(iii) Covid Loan received from Bank of Maharashtra under Scheme of Emergency Credit Line Guarantee Scheme (ECLGS) & repayment of principal amount in 36 equal installments after 12 months moratorium. Additional charge on existing primary security.

D.

a) Out of total trade receivables (Non- current), outstanding of Rs. 349.33 Lacs (255.74 Lacs) for the period exceeding six months pertains to retention monies deducted from bills raised in respect of various jobs.

b) In the matter of disputes with Hindustan Petroleum Corporation Limited (HPCL), the company filed Special Leave Petition before the Supreme Court against the order of Mumbai High Court. In accordance with the terms of the Interim Order of the Supreme Court, the Company has paid Rs. 116.85 Lacs to HPCL and furnished Bank Guarantee of Rs. 171.33 Lacs. The company is expecting to receive favorable final order from the Supreme Court and therefore no provision is considered necessary.

c) An amount of Rs. 95.70 Lacs is recoverable from Hetauda Cement Industries Limited. Since the party has not made the payment as per the terms of the contract, the Company has invoked arbitration clause and is hopeful of getting the matter resolved in its favour.

d) An amount of Rs. 86.21 Lacs is due from Sparta Cements & Infra Limited. The post dated cheques amounting to Rs. 64 Lacs given by the party against the said dues were dishonored. The company has received favorable order from the Metropolitan Magistrate's Court in respect of the complaint filed by the company u/s 138 of the Negotiable Instruments Act. However the party has filed appeal against the above order in session court and session court has upheld the order of the Metropolitan magistrate's Court. The party has moved Revision Application before Bombay High Court against the above mentioned order. The revision application filed by the party is also dismissed by the honorable court. The company has also invoked arbitration clause against the said party for recovering the amount as a matter of abundant precaution. The arbitrator has given favorable order. In view of the said court order in the company's favor the company is confident of recovering the amount from the party and no provision is considered necessary.

e) Trade receivables (Non-current) include an amount of Rs 168.97 Lacs due from Delhi Jal Board. The company has invoked Arbitration for recovery of the said amount.

The arbitrator has published his award on 06/12/2019. He has awarded Rs. 72, 60,687/- in favour of the company against its claim Rs. 5, 58, 45,462/-. However, counter claim of Rs. 17, 24, 83,894 made by DJB was totally rejected with sound reasoning.

DJB has filed appeal before District Judge (Commercial Court), New Delhi. DJB has deposited awarded amount in form of fixed deposit in favour of District Court. We are entitled for interest on fixed deposit amount till awarded amount is released in favour of company. We have filed requisite application for transferring the matter to High Court as District Court has a time consuming procedure for disposal of matter.

- f) In the matter of disputes with Hindustan Aeronautics Ltd. (HAL), the arbitrator has passed ex-parte order in favor of HAL to the tune of Rs. 221.55 Lacs which has been disclosed under contingent liability. Against the arbitrator's award, the company has filed appeal before the District Court, Koraput. Since there were delays on the part of HAL in fulfilling the terms of the contract and the claim was also time barred, the company is hopeful of getting favourable order and hence no provision is considered necessary for the said amount.
- g) The company has filed suit for recovery of Rs. 57.06 Lacs due from Eastern Metec Pvt. Ltd. Since the party did not appeal before the Court, the Company has filed application for ex-parte decree in the Court and is hopefully of recovering the same.
- h) An amount of Rs. 9.77 Lacs due from Panyam Cements and Minerals Ltd. The cheque of Rs 8.64 Lacs given by the party against the said dues was dishonored. We have filed Arbitration proceedings for settlement & same notice was issued but no reply from party. Hon'ble High Court was pleased to appoint Mr. Rahul Reddy as arbitrator. Meanwhile Mr. Bhrugeth Amin (IRP) has admitted our claim of Rs. 9.77 Lacs (principal amount) plus 5.36 Lacs (interest amount) totaling to Rs. 15.13 Lacs.
- i) The company has initiated proceedings under National Company Law Tribunal against the following customers,

TO THE MEMBERS OF BATLIBOI ENVIRONMENTAL ENGINEERING LIMITED

Report on the Audit of the Financial Statements Opinion

1. We have audited the accompanying financial statements of Batliboi Environmental Engineering Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss, the Cash Flow Statement and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Accounting Standards specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March, 2022, and its profit and its cash flows.
3. We have conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that the relevant to our audit of the financial statements under the provisions of the Act and the rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. *Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon..*

In view of uncertainty relating to the amount recoverable from certain customers and also in view of the uncertainty relating to the outcome of the disputes in certain cases, we are unable to express an opinion on the extent of recoverability or the extent of provision required, as the case may be, in respect of debtors balances aggregating Rs. 349.33 lacs.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the foregoing paragraph, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2022 and its loss and its Cash Flows for the year ended on that date.

Information other than the Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit or loss and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

10. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

14. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
15. Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:

Accordingly, Paragraph 3(iii) of Order, 2020 is not applicable.
- iv) In our opinion and according to the information and explanations given to us, the company has not granted any loans, investments, guarantees and security during the year to which provisions of section 185 and 186 of the Act apply.

The Company has given counter guarantee to banks for credit facilities / performance guarantees extended by Batliboi Limited to the Company, a related party considering that Company has strategic business relationship with the party and the party has extended reciprocal guarantee / financial assistance on behalf of to the Company, the terms and conditions of the guarantee are not prima facie prejudicial to the interest of the Company. The said guarantees were approved by the Company by resolutions passed at the Board Meeting dated 27 January, 2012 & 22nd December, 2017 and in accordance with the provisions of Section 186 of the Companies Act, 2013.

- v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly the provisions of clause 3(v) of the Order are not applicable.
- vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act and in respect of Company's products and services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii) (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales tax, goods and services tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities.
Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.
- (b) there were no amounts with respect to income tax, value added tax, duty of excise and duty of custom which have not been deposited with the appropriate authorities on account of any dispute as at March 31, 2022.
- viii) There are no such transactions which were not recorded in the books of account and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961)
- ix) (a) According to the information and explanation given to us, the company has not defaulted in repayment of loans or borrowing to bank. The company does not have any loan or borrowing from government, any financial institution or by way of issue of debentures.
- (b) the company has not been declared wilful defaulter by any bank or financial institution or other lender.
- (c) On an overall examination of the financial statements of the Company, the term loans were applied for the purpose for which the loans were obtained.

- (d) On an overall examination of the financial statements of the Company, the funds raised on short term basis have not been utilised for long term purposes.
- (e) the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) the company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under this clause is not applicable
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year in terms of provision of Section 42 and section 62 of the Companies Act, 2013 and hence reporting under this clause is not applicable.
- xi) (a) No fraud by the Company or on the Company by its officers or employees has been noticed or reported during the period covered by our audit.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- xii) The Company is not a Nidhi Company and accordingly, provisions of clause 3(xii) of the Order is not applicable.
- xiii) According to the information and explanation given to us and based on verification of the records and approvals of the Audit Committee/ Board of Directors, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.
- xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

**ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT
OF EVEN DATE ON THE FINANCIAL STATEMENTS OF
BATLIBOI ENVIRONMENTAL ENGINEERING LIMITED**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143
of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Batliboi Environmental Engineering Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ATTACHED TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH 2022

Note-

15. SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF ACCOUNTING

The Financial statements are prepared under the historical cost convention in accordance with the Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies Account Rule 2014, and amended thereto issued by Minister of Corporate Affairs from time to time to the extent applicable and in compliance with generally accepted accounting principles in India.

B. USE OF ESTIMATES

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively when revised.

C. REVENUE RECOGNITION:

- a) Revenue from Sale of goods:
Revenue from sale of goods is recognized on transfer of all significant risks and rewards of ownership to the buyer.
- b) Service Income:
Income from annual maintenance services is recognized proportionately over the period of contract.

D. FIXED ASSETS

Fixed Assets are stated at their original cost of acquisition including incidental Expenses related to acquisition and installation. Fixed assets are shown net of Accumulated depreciation and amortization, wherever applicable.

E. DEPRECIATION

- a) Depreciation on all assets is provided under the W.D.V. Method at the rates and in the manner prescribed in Schedule II of the Companies Act, 2013.
- b) Depreciation on additions to assets or on sale/disposal of assets is calculated pro-rata from the date of such addition or up to the date of such sale/disposal as the case may be.

F. IMPAIRMENT OF ASSETS

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors.

a) An impairment loss is recognized where the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at weighted average cost of capital.

b) After impairment, depreciation is provided in subsequent periods on the revised carrying amount of the asset over its remaining useful life.

c) A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However the carrying value in use after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

G. INTANGIBLE ASSETS

Cost of technical know-how incurred on technical drawings/designs/data for the manufacture of new products is capitalized on receipt of such drawings/designs/data. The technical know-how is amortized from the year in which commercial production commences over its useful life determined by technical evaluation.

H. INVESTMENTS

Long-term investments are stated at cost including all expenses incidental to acquisition. Provision is made to recognize a decline, other than temporary in the value of long-term investments. Current investments are stated at lower of cost and fair value.

I. VALUATION OF INVENTORIES

a) Inventories are valued at lower of cost or net realizable value.

b) Incomplete job contracts are valued at the direct cost incurred on such contracts.

J. FOREIGN CURRENCY TRANSACTIONS

i) Foreign currency transactions are recorded on initial recognition at the exchange rate in force on the date of the transaction. Exchange differences arising on settlement of monetary items (cash, receivables, payables etc.) are recognized in profit and loss account in the period in which they arise.

ii) Foreign currency monetary items are reported at exchange rates prevailing at the end of the accounting period and the gains/losses are recognized in the profit and loss account.

iii) The premium or discount arising at the inception of forward exchange contracts is amortized as an expense or an income over the life of the contract.

K. EMPLOYEE BENEFITS:

a) Short Employee Benefits

All employee benefits falling due wholly within 12 months of rendering the services are classified as short term benefits. The benefits like salaries, wages, short term compensated absences etc and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.

b) Post Employee Benefits

i) Defined Contribution Plans:

The Company has defined contribution plans for post-employment benefits such as provident Fund for employees. The Provident Fund is administered by own Employees Provident Fund Trust besides ESIC and labour welfare Fund. The Company's contributions to Defined Contribution plans are charged to Profit & Loss account as and when incurred and the company has no further obligation beyond making contributions.

ii) Defined Benefit Plans:

a) The company's liabilities towards gratuity leave encashment, and compensated absence are determined and provided on the basis of actuarial valuation, as at Balance Sheet date, carried out by an independent actuary. The actuarial method for measuring the liability is the Projected Unit Credit method.

b) Actuarial gains and losses are immediately recognized in the Profit and Loss Account of the year without resorting to any amortization/deferment.

iii) Terminal Benefits

Termination benefits are immediately recognized as an expense in Profit and Loss account, as and when incurred.

L. PROVISIONS AND CONTINGENT LIABILITIES

Provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current estimates. Contingent liabilities are disclosed where there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

M. TAXES ON INCOME

Current tax is determined as the amount of tax payable in respect of estimated taxable income for the year. Deferred tax is recognized, subject to the consideration of prudence as per Accounting Standard-22 (Accounting for taxes on income) on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Where there is unabsorbed depreciation or carry forward losses, deferred tax assets are recognized only to the extent that there is timing difference the reversal of which will result in sufficient income. Other deferred tax assets are recognized only to the extent there is reasonable certainty of realization in future.

C.

(i) Fund based and non-fund based facilities from bankers are secured by first pari passu charge on the stock and book debts of the company and 2nd pari passu charge on the fixed assets of Batliboi Ltd situated at Udhana, Surat .

(ii) Short Term Loan from Bank of Maharashtra is secured by exclusive charge on book debts and stock. The said short term loan is availed against the order received from JSW Steel Ltd., Dolvi & Vijaynagar Works.

(iii) Covid Loan received from Bank of Maharashtra under Scheme of Emergency Credit Line Guarantee Scheme (ECLGS) & repayment of principal amount in 36 equal installments after 12 months moratorium. Additional charge on existing primary security.

D.

a) Out of total trade receivables (Non- current), outstanding of Rs. 349.33 Lacs (349.33 Lacs) for the period exceeding six months pertains to retention monies deducted from bills raised in respect of various jobs.

b) In the matter of disputes with Hindustan Petroleum Corporation Limited (HPCL), the company filed Special Leave Petition before the Supreme Court against the order of Mumbai High Court. In accordance with the terms of the Interim Order of the Supreme Court, the Company has paid Rs. 116.85 Lacs to HPCL and furnished Bank Guarantee of Rs. 171.33 Lacs. The company is expecting to receive favorable final order from the Supreme Court and therefore no provision is considered necessary.

c) An amount of Rs. 95.70 Lacs is recoverable from Hetauda Cement Industries Limited. Since the party has not made the payment as per the terms of the contract, the Company has invoked arbitration clause.

Arbitrator has announced his judgment as on 30/06/2022 against our claim of Rs. 95.70 Lacs arbitrator has awarded Rs. 95.70 lacs along with interest of Rs. 60.33 Lacs. Company has initiated the process for recovering the amount.

d) An amount of Rs. 86.21 Lacs is due from Sparta Cements & Infra Limited. The postdated cheques amounting to Rs. 64 Lacs given by the party against the said dues were dishonored. The company has received favorable order from the Metropolitan Magistrate's Court in respect of the complaint filed by the company u/s 138 of the Negotiable Instruments Act. However the party has filed appeal against the above order in session court and session court has upheld the order of the Metropolitan magistrate's Court. The party has moved Revision Application before Bombay High Court against the above mentioned order. The revision application filed by the party is also dismissed by the honorable court. The company has also invoked arbitration clause against the said party for recovering the amount as a matter of abundant precaution. The arbitrator has given favorable order. In view of the said court order in the company's favor the company is confident of recovering the amount from the party and no provision is considered necessary.

e) Trade receivables (Non-current) include an amount of Rs 168.97 Lacs due from Delhi Jal Board. The company has invoked Arbitration for recovery of the said amount.

The arbitrator has published his award on 06/12/2019. He has awarded Rs. 72.61 Lacs in favour of the company against its claim Rs. 558.45 Lacs. However, counter claim of Rs. 1724.84 Lacs made by DJB was totally rejected with sound reasoning.

DJB has filed appeal before District Judge (Commercial Court), New Delhi. DJB has deposited awarded amount in form of fixed deposit in favour of District Court. We are entitled for interest on fixed deposit amount till awarded amount is released in favour of company. We have filed requisite application for transferring the matter to High Court as District Court has a time consuming procedure for disposal of matter.

- f) In the matter of disputes with Hindustan Aeronautics Ltd. (HAL), the arbitrator has passed ex-parte order in favor of HAL to the tune of Rs. 221.55 Lacs which has been disclosed under contingent liability. Against the arbitrator's award, the company has filed appeal before the District Court, Koraput. Since there were delays on the part of HAL in fulfilling the terms of the contract and the claim was also time barred, the company is hopeful of getting favorable order and hence no provision is considered necessary for the said amount.
- g) The company has filed suit for recovery of Rs. 57.06 Lacs due from Eastern Metec Pvt. Ltd. Since the party did not appear before the Court, the Company has filed application for ex-parte decree in the Court and is hopefully of recovering the same.
- h) The company has initiated proceedings under National Company Law Tribunal against the following customers,

- | | |
|-------------------------------|-------------------|
| 1) Hindustan Door Oliver Ltd. | - Rs. 24.63 Lacs. |
| 2) Bhushan Steel Limited | - Rs. 18.10 Lacs. |

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF BATLIBOI ENVIRONMENTAL ENGINEERING LIMITED

Report on the Audit of the Financial Statements Opinion

1. We have audited the accompanying financial statements of Batliboi Environmental Engineering Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss, the Cash Flow Statement and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Accounting Standards specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March, 2023, and its profit and its cash flows.
3. We have conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that the relevant to our audit of the financial statements under the provisions of the Act and the rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. *Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon..*

In view of uncertainty relating to the amount recoverable from certain customers and also in view of the uncertainty relating to the outcome of the disputes in certain cases, we are unable to express an opinion on the extent of recoverability or the extent of provision required, as the case may be, in respect of debtors balances aggregating Rs. 392.06 lacs.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the foregoing paragraph, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India., of the state of affairs of the company as at 31st March, 2023 and its profit and its Cash Flows for the year ended on that date.

Information other than the Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit or loss and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

10. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

14. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
15. Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:

- iv) In our opinion and according to the information and explanations given to us, the company has not granted any loans, investments, guarantees and security during the year to which provisions of section 185 and 186 of the Act apply.

The Company has given counter guarantee to banks for credit facilities / performance guarantees extended by Batliboi Limited to the Company, a related party considering that Company has strategic business relationship with the party and the party has extended reciprocal guarantee / financial assistance on behalf of to the Company, the terms and conditions of the guarantee are not prima facie prejudicial to the interest of the Company. The said guarantees were approved by the Company by resolutions passed at the Board Meeting dated 27 January, 2012 & 22nd December, 2017 and in accordance with the provisions of Section 186 of the Companies Act, 2013.

- v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly the provisions of clause 3(v) of the Order are not applicable.
- vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act and in respect of Company's products and services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii) (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales tax, goods and services tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities.
Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.
- (b) there were no amounts with respect to income tax, value added tax, duty of excise and duty of custom which have not been deposited with the appropriate authorities on account of any dispute as at March 31, 2023.
- viii) There are no such transactions which were not recorded in the books of account and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961)
- ix) (a) According to the information and explanation given to us, the company has not defaulted in repayment of loans or borrowing to bank. The company does not have any loan or borrowing from government, any financial institution or by way of issue of debentures.
- (b) the company has not been declared wilful defaulter by any bank or financial institution or other lender.
- (c) On an overall examination of the financial statements of the Company, the term loans were applied for the purpose for which the loans were obtained.

- (d) On an overall examination of the financial statements of the Company, the funds raised on short term basis have not been utilised for long term purposes.
- (e) the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) the company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under this clause is not applicable
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year in terms of provision of Section 42 and section 62 of the Companies Act, 2013 and hence reporting under this clause is not applicable.
- xi) (a) No fraud by the Company or on the Company by its officers or employees has been noticed or reported during the period covered by our audit.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.

OF EVEN DATE ON THE FINANCIAL STATEMENTS OF
BATLIBOI ENVIRONMENTAL ENGINEERING LIMITED**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143
of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Batliboi Environmental Engineering Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

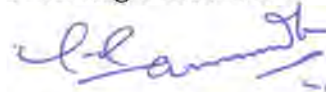

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ATTACHED TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH 2023

Note-

15. SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF ACCOUNTING

The Financial statements are prepared under the historical cost convention in accordance with the Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies Account Rule 2014, and amended thereto issued by Minister of Corporate Affairs from time to time to the extent applicable and in compliance with generally accepted accounting principles in India.

B. USE OF ESTIMATES

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively when revised.

C. REVENUE RECOGNITION:

- a) Revenue from Sale of goods:
Revenue from sale of goods is recognized on transfer of all significant risks and rewards of ownership to the buyer.
- b) Service Income:
Income from annual maintenance services is recognized proportionately over the period of contract.

D. FIXED ASSETS

Fixed Assets are stated at their original cost of acquisition including incidental Expenses related to acquisition and installation. Fixed assets are shown net of Accumulated depreciation and amortization, wherever applicable.

E. DEPRECIATION

- a) Depreciation on all assets is provided under the W.D.V. Method at the rates and in the manner prescribed in Schedule II of the Companies Act, 2013.
- b) Depreciation on additions to assets or on sale/disposal of assets is calculated pro-rata from the date of such addition or up to the date of such sale/disposal as the case may be.

B

F. IMPAIRMENT OF ASSETS

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors.

a) An impairment loss is recognized where the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at weighted average cost of capital.

b) After impairment, depreciation is provided in subsequent periods on the revised carrying amount of the asset over its remaining useful life.

c) A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However the carrying value in use after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

G. INTANGIBLE ASSETS

Cost of technical know-how incurred on technical drawings/designs/data for the manufacture of new products is capitalized on receipt of such drawings/designs/data. The technical know-how is amortized from the year in which commercial production commences over its useful life determined by technical evaluation.

H. INVESTMENTS

Long-term investments are stated at cost including all expenses incidental to acquisition. Provision is made to recognize a decline, other than temporary in the value of long-term investments. Current investments are stated at lower of cost and fair value.

I. VALUATION OF INVENTORIES

a) Inventories are valued at lower of cost or net realizable value.

b) Incomplete job contracts are valued at the direct cost incurred on such contracts.

J. FOREIGN CURRENCY TRANSACTIONS

i) Foreign currency transactions are recorded on initial recognition at the exchange rate in force on the date of the transaction. Exchange differences arising on settlement of monetary items (cash, receivables, payables etc.) are recognized in profit and loss account in the period in which they arise.

ii) Foreign currency monetary items are reported at exchange rates prevailing at the end of the accounting period and the gains/losses are recognized in the profit and loss account.

iii) The premium or discount arising at the inception of forward exchange contracts is amortized as an expense or an income over the life of the contract.

K. EMPLOYEE BENEFITS:

a) Short Employee Benefits

All employee benefits falling due wholly within 12 months of rendering the services are classified as short term benefits. The benefits like salaries, wages, short term compensated absences etc and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.

b) Post Employee Benefits

i) Defined Contribution Plans:

The Company has defined contribution plans for post-employment benefits such as provident Fund for employees. The Provident Fund is administered by own Employees Provident Fund Trust besides ESIC and labour welfare Fund. The Company's contributions to Defined Contribution plans are charged to Profit & Loss account as and when incurred and the company has no further obligation beyond making contributions.

ii) Defined Benefit Plans:

a) The company's liabilities towards gratuity leave encashment, and compensated absence are determined and provided on the basis of actuarial valuation, as at Balance Sheet date, carried out by an independent actuary. The actuarial method for measuring the liability is the Projected Unit Credit method.

b) Actuarial gains and losses are immediately recognized in the Profit and Loss Account of the year without resorting to any amortization/deferment.

iii) Terminal Benefits

Termination benefits are immediately recognized as an expense in Profit and Loss account, as and when incurred.

L. PROVISIONS AND CONTINGENT LIABILITIES

Provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current estimates. Contingent liabilities are disclosed where there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

M. TAXES ON INCOME

Current tax is determined as the amount of tax payable in respect of estimated taxable income for the year. Deferred tax is recognized, subject to the consideration of prudence as per Accounting Standard-22 (Accounting for taxes on income) on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Where there is unabsorbed depreciation or carry forward losses, deferred tax assets are recognized only to the extent that there is timing difference the reversal of which will result in sufficient income. Other deferred tax assets are recognized only to the extent there is reasonable certainty of realization in future.

16 NOTES FORMING PART OF THE ACCOUNTS

C.

(i) Fund based and non-fund based facilities from bankers are secured by first pari passu charge on the stock and book debts of the company and 2nd pari passu charge on the fixed assets of Batliboi Ltd situated at Udhana, Surat .

(ii) Short Term Loan from Bank of Maharashtra is secured by exclusive charge on book debts and stock. The said short term loan is availed against the order received from JSW Steel Ltd., Dolvi & Vijaynagar Works.

(iii) Covid Loan received from Bank of Maharashtra under Scheme of Emergency Credit Line Guarantee Scheme (ECLGS) & repayment of principal amount in 36 equal installments after 12 months moratorium. Additional charge on existing primary security.

D.

a) Out of total trade receivables (Non- current), outstanding of Rs. 392.07 Lacs (349.33 Lacs) for the period exceeding six months pertains to retention monies deducted from bills raised in respect of various jobs.

b) In the matter of disputes with Hindustan Petroleum Corporation Limited (HPCL), the company filed Special Leave Petition before the Supreme Court against the order of Mumbai High Court. In accordance with the terms of the Interim Order of the Supreme Court, the Company has paid Rs. 116.85 Lacs to HPCL and furnished Bank Guarantee of Rs. 171.33 Lacs. The company is expecting to receive favorable final order from the Supreme Court and therefore no provision is considered necessary.

c) An amount of Rs. 95.70 Lacs is recoverable from Hetauda Cement Industries Limited. Since the party has not made the payment as per the terms of the contract, the Company has invoked arbitration clause.

Arbitrator has announced his judgment as on 30/06/2022 against our claim of Rs. 95.70 Lacs. Arbitrator has awarded Rs. 95.70 lacs along with interest of Rs. 60.33 Lacs. Company has initiated the process for recovering the amount.

d) An amount of Rs. 86.21 Lacs is due from Sparta Cements & Infra Limited. The postdated cheques amounting to Rs. 64 Lacs given by the party against the said dues were dishonored. The company has received favorable order from the Metropolitan Magistrate's Court in respect of the complaint filed by the company u/s 138 of the Negotiable Instruments Act. However the party has filed appeal against the above order in session court and session court has upheld the order of the Metropolitan magistrate's Court. The party has moved Revision Application before Bombay High Court against the above mentioned order. The revision application filed by the party is also dismissed by the honorable court. The company has also invoked arbitration clause against the said party for recovering the amount as a matter of abundant precaution. The arbitrator has given favorable order. In view of the said court order in the company's favor the company is confident of recovering the amount from the party and no provision is considered necessary.

e) Trade receivables (Non-current) include an amount of Rs 168.97 Lacs due from Delhi Jal Board. The company has invoked Arbitration for recovery of the said amount.

The arbitrator has published his award on 06/12/2019. He has awarded Rs. 72.61 Lacs in favor of the company against its claim Rs. 558.45 Lacs. However, counter claim of Rs. 1724.84 Lacs made by DJB was totally rejected with sound reasoning.

DJB has filed appeal before District Judge (Commercial Court), New Delhi. DJB has deposited awarded amount in form of fixed deposit in favour of District Court. We are entitled for interest on fixed deposit amount till awarded amount is released in favour of company. We have filed requisite application for transferring the matter to High Court as District Court has a time consuming procedure for disposal of matter.

- f) In the matter of disputes with Hindustan Aeronautics Ltd. (HAL), the arbitrator has passed ex-parte order in favor of HAL to the tune of Rs. 221.55 Lacs which has been disclosed under contingent liability. Against the arbitrator's award, the company has filed appeal before the District Court, Koraput. Since there were delays on the part of HAL in fulfilling the terms of the contract and the claim was also time barred, the company is hopeful of getting favorable order and hence no provision is considered necessary for the said amount.
- g) The company has filed suit for recovery of Rs. 57.06 Lacs due from Eastern Metec Pvt. Ltd. Since the party did not appear before the Court, the Company has filed application for ex-parte decree in the Court and is hopefully of recovering the same.

E. The Company has unabsorbed carry forward loss available for set-off under the Income Tax Act, 1961. Net deferred tax assets at the year-end on this account including related credit/ charge for the year has been recognized in the books on prudent basis.

F. Utilisation of Borrowed funds and share premium:

(A) The company has not advanced or loaned or invested funds (either borrowed funds or share premium or any Other sources or kind of funds) to any other person(s) or entity (ies), including foreign entities (Intermediaries) With the understanding (whether recorded in writing or otherwise) that the Intermediary shall

(i) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or

RESOLVED FURTHER THAT any Director or Chief Financial Officer or Company Secretary of the company be and is hereby severally authorised to do all such acts, deeds and things as may be necessary to give effect to the Resolution."

NOTES:

1. The details pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings (SS-2), in respect of Director seeking re-appointment and the Explanatory Statement in respect of appointment of Director is annexed hereto.
2. The Register of Members will remain closed from Friday, 30th July, 2021 to Thursday, 05th August, 2021 (both days inclusive). Thursday, 29th July, 2021 shall be the cut-off date as on which the right of voting of the Members shall be reckoned and a person who is not a Member as on the cut-off date should treat this Notice for information purposes only.
3. Members who have not yet registered their email addresses are requested to register the same with their Depository Participants in case the shares are held by them in dematerialized form and with the Company in case the shares are held by them in physical form.
4. As per Regulation 40 of SEBI Listing Regulations, securities of listed companies can be transferred only in dematerialized form with effect from April 01, 2019, except in case of request received for transmission or transposition of securities. In view of this, Members holding shares in physical form are requested to consider converting their holdings to dematerialized form.
5. CDSL e-Voting system - for remote e-Voting
 - i. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No. 17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
 - ii. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
 - iii. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

- iv. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- v. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
- vi. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.batliboi.com. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
- vii. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
- viii. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January, 13, 2021.

6. Instructions for Shareholders for remote e-Voting are as under:

- i) **The voting period begins on Tuesday, 03rd August, 2021 at 9.00 a.m. and ends on Thursday, 05th August, 2021 at 5.00 p.m.**

During this period, Shareholders of the Company holding shares either in physical or dematerialized form, as on the cut-off date (record date) of 29th July, 2021 may cast their vote electronically. The e-Voting module shall be disabled by CDSL for voting thereafter.

- ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii) The Board of Directors has appointed Jayshree Dagli & Associates, Practising Company Secretaries, as the Scrutiniser for scrutinising the e-Voting process in a fair and transparent manner.
- iv) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- v) In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

2. REVIEW OF OPERATIONS AND OUTLOOK

The operations of the company were adversely affected due to the Global Pandemic crisis due to Covid-19. The 1st quarter of the year under review was severely impacted by the national lockdown and as a result both production and sales suffered. From 2nd quarter onwards there was a gradual improvement in business conditions and by the time we were in the 4th quarter business was back to pre Covid levels.

However, overall the total income was approximately 11% less than the previous FY i.e. 2019-20. Finance costs too increased nearly 15% on account of increased need for working capital. We also needed to provide for the loans trade receivable to the extent of Rs 158 lakhs with our French subsidiary Aesa Air Engineering which went into "Redressement Judiciaire" under French law. As a result we had a loss for the year though much lower than in the previous FY i.e. 2019-20.

We began the financial year 2021-22 with a very healthy backlog of orders but however currently we are under lockdown and this will impact our 1st quarter performance. However, we are hopeful that once this lockdown is lifted business conditions will be normalised. Barring any further lockdowns in the year due to the Pandemic we are cautiously optimistic of our operations during the current FY 2021-22.

3. DIVIDEND

In view of the operating loss, your Directors do not recommend any Dividend for the year ended 31st March, 2021.

4. TRANSFER TO RESERVE

The loss for the Year of Rs. 590.69 Lakhs is debited to the Profit and Loss account.

5. SHARE CAPITAL

During the Financial Year 2020-21, there was no change in the Authorized, Issued, Subscribed and Paid-up share capital of the Company. As on 31st March, 2021, the Company is having Authorized share capital of Rs. 30.01 Crores comprising of 4,61,70,400 Equity Shares of Rs. 5/- each and 6,92,480 Preference shares of Rs. 100/- each. The Issued, Subscribed and Paid-Up Equity Share Capital of the Company as on 31st March, 2021 is Rs. 14.36 Crores and the Issued, Subscribed and Paid-Up Preference Share Capital of the Company as on 31st March, 2021 is Rs. 6.92 Crores.

During the year under review, the Company has neither issued shares with differential rights as to dividend, voting or otherwise nor issued shares (including sweat equity shares) either to the employees or to Directors of the Company, under any Scheme.

6. SUBSIDIARY COMPANIES AND CONSOLIDATED FINANCIAL STATEMENTS**SUBSIDIARY COMPANIES****1) Quickmill Inc., Canada**

Quickmill Inc. headquartered in Peterborough, Ontario, Canada is engaged in the design, manufacture, sales and service of a line of large sized Gantry Drilling and Milling machines globally. Customers are mainly from Energy, Heat Transfer, Steel Service sectors, large Industrial machinery manufacturers and job shop manufacturing sectors.

Though it was also affected by the global Covid Pandemic and as a result total income reduced by 10% compared to 2019-20, due to a better product mix and a very strict control on costs, the Profit after tax increased by nearly 30% compared to 2019-20.

Since the global economy has begun revival and barring any further global lockdowns due to further waves of the Pandemic, the Company is cautiously optimistic for 2021-22.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management of Batliboi Limited presents the analysis of performance of your Company for the year ended 2020-21 and its outlook for the future. This outlook is based on assessment of the current business environment and the expectations, estimates and projections of the Directors and Management of the Company. It may vary due to future economic and political development, both in the Indian and international economies and due to other factors beyond control.

A. PERFORMANCE AND OUTLOOK

1. Batliboi Textile Engineering Group

Business Structure

The Textile Engineering Group comprises of Air Engineering and Textile Machinery.

Air Engineering Division is a leading manufacturer of complete systems for humidification and waste collection for Textile Spinning, Weaving and Knitting plants.

Textile Machinery Division supplies high quality imported and indigenous machinery from leading global manufacturers to the Spinning, Knitting, Processing and Garmenting Sectors.

Air Engineering Group:

Industry structure and developments

The spinning industry has shown signs of revival after the lockdown in the 1st quarter and many expansion and refurbishing projects have been initiated due to both export and local demand for yarn. Weaving projects are also showing signs of revival.

Opportunities and threats

Opportunities:

We are in a niche market catered to by 2-3 players and our experience and standing with over 25 years in the business, puts us in a good position.

Threats:

The industry's growth does not lend itself to predictable movements and is cyclical but also aperiodic. Further, due to the limited size of the market, it is very competitive with players willing to lower margins to win contracts.

Outlook

We have a healthy order book for H1 of FY 2021-22 and are currently looking at new projects, modernization, retrofit, spares, auto controls etc to provide revenue for the coming year. We see a better year in terms of revenue; however, profitability will be under strain due to lower price levels and rising raw material costs.

Risks and concerns;

Rising material costs and the lockdown in April & May is a concern and the possibility of a 3rd wave of the Pandemic could affect business sentiments.

Textile Machinery Group

After the lockdown in the 1st quarter business recovered well in all segments and we were back to the pre Covid levels of business.

For the coming fiscal strategy is to continue focus on Knits vertical, develop business in the printing domain with new agencies, higher market share in consumables and focus on new sustainable technologies in processing sector. Spinning sector too is expected to do well.

Spinning Machinery:-

The overall spinning market saw a good demand in 3rd and 4th Quarter.

Focus will be on new application in areas of technical textiles.

In 2021-22, investment in Open End spinning machinery is expected to continue as OE yarn demand is very good both for export and domestic market

Knitting Machinery:-

In 2020-21 the knitting segment recovered quickly. We have a healthy backlog of orders for execution in 2021-22.

The plan going forward is to seek business in emerging opportunities in larger projects, polyester segments and to improve market share of consumables.

Processing Machinery:-

Here again after a slugging order in flow in 1st and 2nd quarters business picked up in the balance half of the year resulting in a healthy order backlog for execution in 2021-22

For 2021-22 plan is to focus on new agencies for prints & print finishing machinery.

Opportunities, Threats and Outlook:

Opportunities:

Expected investments in areas of Technical textile, Home textiles, Active wear for both domestic markets as well export opportunities.

Increased focus on high productive automated sustainable technologies.

Threats:

Worldwide slow-down due to pandemic situation and investment decisions could be deferred as a result.

Global disruption in supply chain could result in delayed deliveries of equipment.

Outlook:

In the given situation we expect demand for capital goods and also industrial consumables to be volatile, but we are cautiously optimistic about growth considering the healthy order backlog.

2. Batliboi Machine Tool Group (BMTG)

Business Structure

The Machine Tool Group is engaged in manufacturing, selling/trading, and servicing of various types of metal forming and metal cutting machine tools.

Manufacturing: Batliboi manufactures CNC machines viz. Turning Centers, Vertical Machining Center, Vertical Turning Lathes and Double Column Machining Centers.

Trading: The Company is also engaged as an agency house representing various overseas reputed companies from Czech Republic, Belgium, Italy, Germany, South Korea, China and Taiwan as well local manufacturers of Metal Cutting and Metal Forming machine tools.

BMTG-MTT

Industry structure and developments

Investments are generally at a low level due to prevailing situation and uncertainties.

Opportunities, Threats & Outlook

Fabrication, Infrastructure doing reasonably well as a result metal forming machinery see improvement in demand.

The rest of the manufacturing sectors expect to see a revival once the lockdown is lifted and provided there are no further setbacks due to the pandemic. There is cautious optimism.

BMTG-MTU

Business Structure

Manufacturing: Batliboi manufactures CNC machines viz. Turning Centers, Vertical Machining Center, Vertical Turning Lathes and Double Column Machining Centers.

Developments and Performance

The CNC machines market suffered due to the Covid pandemic resulting in lockdown for major part of Q1 and partially in Q2, resulting in loss of business . However, post progressive of relaxations on the lockdown, economy saw smart recovery which helped us book and execute record machines in Q3 and Q4. Our CNC machines are now well accepted in the market.

Opportunities, Threats & Outlook

Looking at the overall market of Turning Centres and Vertical Machining Centres, going forward we are confident that we would be improving our market share gradually. We would achieve this by adding new models, better pre and after sales service. Focus will be to improve Quality, better productivity. Long term outlook is promising for the machine tool industry as major sectors like Automobiles, Tractor and Agricultural, Dies and Moulds and light engineering job work will continue to grow.

Threat due to steep increases in steel, copper and other Raw material prices, challenge will be to compensate these increases by getting higher realizations in competitive market.

Risk and concern will be slow down of the business in Q1 of FY 2021-22, due to the second wave of Covid pandemic.

3. Quickmill Inc.

Business Structure;

This 100% subsidiary of the company is headquartered in Peterborough, Canada and is engaged in the manufacture and sale of large size Gantry Drilling & Milling machines. It caters to the global market for the Energy, Structural Steel, Aviation, large equipment manufacturing and Job shop manufacturing sectors.

Development & Performance;

In spite of the pandemic it had a good year with improved profits.

Opportunities, threats & Outlook;

Barring any further disruptions from any further waves of the Pandemic the company expects to improve its performance as demand for capital goods has improved especially in North America, its main market.

4. Aesa Air engineering, France,

Having gone into "Redressement Judiciaire" under French law, it no longer is a subsidiary of the company.

Internal Control System:

There is adequate internal control system in place. The Company has appointed Internal Auditor to review the Internal Control once in every year for all the Divisions and Subsidiaries of the Company.

Performance:

Financial and operational performance is carried out every month by way of monthly MIS reviewed by MD and Chairman.

The Net worth as on 31st March, 2021 was Rs.11,719.63 lakhs as compared to previous FY which was Rs.12,328.80 lakhs. There was decline in Net worth by 4.94% which was due to the current ongoing pandemic.

B. HUMAN RESOURCES / INDUSTRIAL RELATIONS

The total number of employees in the Company was 333 as on 31st March, 2021 (186 Employees in Udhana factory including union employees).

During the year under review, industrial relations in the factory were cordial and pro-active and all employees and Union supported productivity and process improvement measures undertaken at all the functions of the Company.

The Company has in place Health, Safety and Environment policy for Udhna operations. The same is reviewed by the Board from time to time and appropriate actions are taken as directed.

INDEPENDENT AUDITOR'S REPORT

To the Members of Batliboi Limited

Report on the Audit of the Standalone Ind AS Financial Statements

1. Opinion

We have audited the Standalone Ind AS financial statements of Batliboi Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, the loss and total other comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Standalone Ind AS financial statements.

3. Emphasis of Matter

We draw attention to Note 37 of the standalone financial statement, as regards the management's assessment of the financial impact due to restrictions and conditions related to COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.

Our Opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current year. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5. Information other than the Standalone Ind AS financial statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report, Corporate Governance Report and Management Discussion and Analysis, but does not include the Standalone Ind AS financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

6. Responsibilities of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy

and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

7. Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone

Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Ind AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Report on Other Legal and Regulatory Requirements

- i) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- ii) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of Standalone Ind AS financial statements.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act (Refer Note 40).

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements – Refer Note 24 to the standalone Ind AS financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Annexure referred to in para 8(ii)(f) to the Independent Auditor's Report of even date to the members of Batliboi Limited on the Standalone Ind AS financial statements for the year ended 31st March, 2021.

Report on the Internal Financial Control Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Batliboi Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in

accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March , 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Note No. 1

Company Overview

Batliboi Limited is engaged in manufacture and trading of machine tool and textile engineering machines. The Registered Office of the Company is situated in Mumbai. Its shares are listed on Bombay Stock Exchange (BSE).

Note No. 2

Basis for preparation and measurement:

i. Basis of preparation:

The Financial Statements are prepared in accordance with and in compliance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (Act) read with Rule 4A of Companies (Accounts) Second Amendment Rules, 2015, Companies (Indian Accounting Standards) Rules, 2015 and the other relevant provisions of the Act and Rules thereunder.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

ii. Basis of measurement:

The financial statements have been prepared on accrual basis and in accordance with historical cost convention basis, except for certain financial assets and financial liabilities which have been measured at fair value in accordance with Ind AS. All assets and liabilities are classified into current and non-current generally based on the nature of product/activities of the Company and the normal time between acquisition of assets/liabilities and their realisation/settlement in cash or cash equivalent. The Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

iii. Presentation of Financial Statements:

The Balance Sheet, Statement of Profit and Loss, Statement of Changes in equity and Cash Flow Statement are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

iv. Functional and presentation Currency:

The Company's presentation and functional currency is Indian Rupees (₹) and all values are rounded off to the nearest lakhs (INR 00,000), except when otherwise indicated.

Note No. 3

Use of Judgement, Assumptions and Estimates

The preparation of the Company's financial statements requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the financial statements and notes thereto. Uncertainty

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Changes in accounting estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

In the assessment of the Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements relate to the following areas:

- Financial instruments;
- Useful lives of property, plant & equipment;
- Valuation of inventories;
- Measurement of recoverable amounts of assets / cash-generating units;
- Assets and obligations relating to employee benefits;
- Evaluation of recoverability of deferred tax assets;
- Leases;
- Assets Held for sale; and
- Provisions and Contingencies.

Note No. 4.1

SIGNIFICANT ACCOUNTING POLICIES:

A. Property, plant & equipment

- a) The cost of an item of property, plant and equipment is recognized as an asset only if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.
- b) Property, plant and equipment are stated at cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment loss, if any.
- c) The initial cost of an asset comprises its purchase price or construction cost (including import duties and non-refundable taxes), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management estimate of any decommissioning obligation (if any) and the applicable borrowing cost till the asset is ready for its intended use.
- d) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- e) Where the cost of a part of asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.
- f) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds if any and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.
- g) Spare parts which meet the definition of property plant and equipment are capitalized as property, plant and equipment. In other cases, the spare parts are inventorised on procurement and charged to Statement of Profit and Loss on issue/consumption.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

- h) When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognises the replaced part and recognises the new part with its own associated useful life and it is depreciated accordingly. All other repair and maintenance cost are recognised in the Statement of Profit and Loss as and when incurred.
- i) Property, Plant and Equipment which are not ready for intended use as on date of Balance Sheet are disclosed as 'Capital Work in Progress'.
- j) On transition to Ind AS Land, Building and Plant and Machinery has been measured at fair value as deemed cost as per the option available to the Company in accordance with Ind AS 101 – First Time Adoption of Indian Accounting Standard.

B. Depreciation

- a) i) For Manufacturing unit at Udhna and Windmill:

Depreciation on property, plant and equipment is provided on the straight line basis over the useful lives of assets (after retaining the residual value of up to 10% for factory building, plant and machinery and 5% for other assets). The useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act except in case of Factory Building. In case of Factory Building depreciation is provided over their remaining useful life as on the date of transition to Ind AS.

- ii) For all other units:

Depreciation on tangible assets is provided on Written Down Value Method over the useful lives of the assets as specified in Schedule II to the Companies Act, 2013. Intangible assets are amortised on Straight Line Method over a period of 3 years.

- b) The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and changes, if any, are accounted in the period in which the estimates are revised.
- c) The Company depreciates components of the main asset that are significant in value and have different useful lives as compared to the main asset separately.
- d) The spare parts are depreciated over the estimated useful life based on internal technical assessment.
- e) Expenditure on major repairs and overhauls which qualify for recognition in the item of Property, Plant and Equipment and which result in additional useful life, is depreciated over the extended useful life of the asset as determined by technical evaluation.
- f) Depreciation is charged on additions / deletions on pro-rata monthly basis including the month of addition / deletion.

C. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. Right-of-use assets are tested for impairment whenever there is an indication that their carrying value may not be recoverable. Impairment loss, if any is recognized in the statement of profit and loss account.

The lease liability is measured at amortized cost, at the present value of the future lease payments. The lease payments are discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Company recognises the lease payments associated with these leases as an expense over the lease term.

D. Inventories

Inventories are stated at cost or net realizable value, whichever is lower. Cost of inventories comprises of expenditure incurred in the normal course of business in bringing inventories to their present location, including appropriate overheads apportioned on a reasonable and consistent basis and is determined on the following basis:

- a) Raw materials and finished goods on weighted average basis.
- b) Work in progress at raw material cost plus cost of conversion and other cost including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.
- c) Stores and loose tools on weighted average basis.

Obsolete, slow moving, surplus and defective stocks are identified and where necessary, provision is made for such stocks.

E. Revenue Recognition

Revenue from contracts with customers:

Revenue from contract with customers is recognized upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods or services. Performance obligations are satisfied at the point of time when the customer obtains the controls of the goods.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract. Revenue excludes taxes collected from customers.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Service Income:

Income from annual maintenance services is recognized proportionately over the period of contract.

Revenue from Works Contract:

Revenue from works contracts is recognized on: "Percentage of Completion Method"; Percentage or stage of completion is determined by the proportion that contract cost incurred for work performed up to the reporting date bears to the estimated total costs of the contract. Expected loss, if any, on the contract is recognized as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract.

Interest Income:

Interest income is recognized using Effective Interest Rate (EIR) method.

Dividend Income:

Revenue is recognized when the Company's right to receive the payment has been established.

F. Employee Benefits

Short term employee benefits are recognized as an expense at an undiscounted amount in the Statement of Profit and Loss for the year in which the related services are rendered.

The Company's post-employment benefit consists of provident fund, gratuity and superannuation fund. The Company also provides for leave encashment which is in the nature of long term benefit.

Company's contributions to Provident Fund administered by Regional Provident Fund Authorities and ESIC and Labour Welfare Fund in the case of employees at manufacturing unit at Udhna, which are defined contribution plans, are recognized as an expense in the Statement of Profit and Loss for the year in which the services are rendered and the Company has no further obligation beyond making the contributions.

The Company's contribution to the Provident Fund for employees other than working at manufacturing unit at Udhna, which is a defined contribution plan, is remitted to separate trust established for this purpose and charged to Statement of Profit and Loss. Shortfall, if any, in the fund assets of the Provident Fund Trust, based on the Government specified minimum rate of return, is made good by the Company and charged to Statement of Profit and Loss. The Company's contribution to Superannuation Fund for Managers/Officers, which is a defined contribution plan, is made to and administered by Life Insurance Corporation of India and is charged to Profit and Loss Account.

The Company operates defined benefit plan for Gratuity. The cost of providing such defined benefit is determined using the projected unit credit method of actuarial valuation made at the end of the year.

Obligations on leave encashment are provided using the projected unit credit method of actuarial valuation made at the end of the year.

Actuarial gains and losses are recognized in other comprehensive income for gratuity and leave encashment.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Past service costs are recognized in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognizes related restructuring costs.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

G. Share-based payment arrangements

The stock options granted pursuant to the company's Stock Options Scheme, are measured at the fair value of the options of the grant date. The fair value of the options is treated as discount and accounted as employee compensation cost over the vesting period on a straight line basis.

The amount recognized as expense each year is arrived at based on the number of grants expected to vest. If a grant lapses after the vesting period, the cumulative discount recognized as expense in respect of such grant is transferred to the employee stock option reserve within equity.

H. Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets till the month in which the asset is ready for use. All other borrowing costs are charged to the Statement of Profit and Loss.

I. Segment Accounting

The Company operates in 'Industrial Equipment' segment and there are no other reportable segments as defined under Ind AS 108.

J. Foreign Currency Transactions

Monetary items:

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items including exchange differences arising on a monetary item that forms part of the company's net investment in a foreign operation, are recognised in Statement of Profit and Loss.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Non – Monetary items:

Non-monetary items that are measured in terms of historical cost are recorded at the exchange rates at the dates of the initial transactions.

K. Provisions, Contingent Liabilities and Contingent assets

- a) Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate. The expenses relating to a provision are recognized in the Statement of Profit and Loss net of any reimbursement.
- b) If the effect of time value of money is material, provisions are shown at present value of expenditure expected to be required to settle the obligation, by discounting using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- c) Contingent liabilities are possible obligations arising from past events and whose existence will only be confirmed by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.
- d) Contingent Assets are not recognized but reviewed at each balance sheet date and disclosure is made in the notes in respect of possible effects that arise from past events and whose existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company and where inflow of economic benefit is probable.

L. Fair Value measurement

- a) The Company measures financial instruments at fair value at each balance sheet date.
- b) Fair value is the price that would be received on selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date.
- c) While measuring the fair value of an asset or liability, the Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure the fair value using observable market data as far as possible and minimising the use of unobservable inputs. Fair values are categorised into 3 levels as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the assets or liability, either directly (i.e. as prices for similar item) or indirectly (i.e. derived from prices).

Level 3: Inputs that are not based on observable market data (unobservable inputs).

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

M. Financial Instruments

i. Financial Assets other than derivatives

All financial assets are recognised initially at fair values including transaction costs that are attributable to the acquisition of the financial asset.

A financial asset is measured (subsequent measurement) at the amortised cost if the asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and the contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Amortised cost is net of any write down for impairment loss (if any) using the Effective Interest Rate (EIR) method taking into account any discount or premium and fees or costs that are an integral part of the EIR.

Investments in subsidiaries are accounted for and measured at cost (fair value as deemed cost on first time adoption) in financial statements.

Investments in equity other than subsidiaries are accounted for and measured at fair value through profit or loss.

A financial asset is derecognised either partly or fully to the extent the rights to receive cash flows from the asset have expired and / or the control on the asset has been transferred to a third party. On de-recognition, any gains or losses are recognised in the Statement of Profit and Loss.

ii. Financial Liabilities other than derivatives

All financial liabilities are recognised initially at fair value net of transaction costs that are attributable to the respective liabilities.

After initial recognition, financial liabilities are subsequently measured at amortised cost using the effective interest rate method ("EIR"). Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

iii. Financial guarantee contracts

Financial guarantee contracts issued by the company are those contracts that require specified payments to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognised less cumulative amortisation. Where guarantees in relation to loans or other payables of subsidiary and related party are provided for no compensation, the fair values are accounted for as contributions and recognised as fees receivable under "other financial assets" or as a part of the cost of the investment, depending on the contractual terms.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

iv. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

N. Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current if they are expected to be realised / settled within twelve months after the reporting period. All other assets and liabilities are considered as non-current.

O. Impairment

Non-financial Assets

At each Balance Sheet date, an assessment is made of whether there is any indication of impairment. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the recoverable amount of asset's. The recoverable amount is the higher of fair value less costs of disposal in respect of the asset's or Cash-Generating Unit's (CGU) and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Financial Assets

The Company assesses at each date of balance sheet whether a financial asset or group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Company recognises lifetime expected losses for all contract assets and /or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 – month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset had increased significantly since initial recognition.

P. Non Current Asset Held for Sale

Non-current assets are classified as held for sale if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of held for sale is met when the non-current asset is available for immediate sale and the same is highly probable of being completed within one year from the date of classification as held for sale. Non-current assets held for sale are measured at the lower of carrying amount and fair value less cost to sell. Non-current assets that ceases to be classified as held for sale shall be measured at the lower of carrying amount before the non-current asset was classified as held for sale adjusted for any depreciation/ amortization and its recoverable amount at the date when the non-current assets no longer meets the "Held for sale" criteria.

Q. Taxes on Income

Current Tax

Income-tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Minimum Alternate Tax ('MAT') paid under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid will be recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. Such an asset is reviewed at each Balance Sheet date.

Deferred tax

Deferred tax (both assets and liabilities) is calculated using the balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The amount of deferred tax assets is reviewed at each reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current tax and Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

R. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, adjusted for the effect of all dilutive potential equity shares.

S. Cash and Cash equivalents

Cash and cash equivalents include cash at bank, cash, cheques and draft on hand. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

Note No. 4.2

Recent pronouncements

On 24th March, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from 1st April, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

Building	152.69	152.69
Capital Work in Progress	1.00	1.00
	1,779.39	1,779.39

In March 2019 the Company had decided to sell a part of Land, Building and Capital work in progress amounting to Rs. 1,779.39 Lakhs out of the total factory land and building located in Surat. The part of Land and Building was classified and presented as “held for sale” and was carried at the lower of carrying value and fair value as at 31st March 2019 and 31st March 2020. In the current year, the Company had initiated identification and evaluation of potential buyers for the sale of the said part of Land and Building.

During the year ended 31st March 2021, on remeasurement, the Company has evaluated the current position and has concluded that the carrying value of the “asset held for sale” is lower than the fair value of the asset, hence no impairment to the carrying amount has been made. The Company expects the sale of the “asset held for sale” to be completed in near future.

Note :

- a) The Company had exercised the option of fair value as deemed cost for Property, Plant and Equipment on the date of transition to Ind-AS i.e; 1st April 2016. Ind AS required entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the Balance Sheet and its Tax Base. Accordingly deferred tax liability on account of fair valuing of Land was calculated in previous year.

Under Section 55(2)(b)(i) of Income Tax Act 1961, "fair market value of capital assets means where the capital asset became the property of the assessee before the 1st day of April, 2001, the cost of acquisition of the asset to the assessee or the fair market value of the asset on the 1st day of April, 2001, shall be considered at the option of the assessee."

Accordingly deferred tax liability on account of fair value of Land is calculated and reviewed at each reporting date as required by Ind AS - 12 'Income Taxes' for changes in respect of temporary differences which have been recognised in previous periods. In F.Y. 2018-19, the Company has opted to choose the fair market value of the land as on 01.04.2001 as its cost of acquisition in accordance with Section 55(2)(b)(i) of Income Tax Act 1961. This has resulted in creation of deferred tax credit during the year of Rs. 43.92 Lakhs (P.Y. Rs. 32.94 Lakhs) which is part of deferred tax credit of Rs. 94.63 Lakhs (P.Y. Rs. 230.87 Lakhs) for the year ended 31st March 2021.

- b) Deferred tax Asset on unabsorbed depreciation, unabsorbed business losses and other temporary differences available as per the Income Tax Act, 1961 had been recognised, since it is probable that taxable profit will be available to adjust them in future years. Unabsorbed depreciation can be carried forward and set off against the profits for infinite number of years under the Income Tax Act, 1961 and profitability projections based on current margins show sufficient profits for set off in future.
- c) The Taxation Laws (Amendment) Act, 2019 was enacted on 11th December 2019. It amended the Income Tax Act, 1961 and the Finance Act (No. 2) Act, 2019. It provides domestic companies with an option to opt for lower tax rate,

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

provided they do not claim certain deductions. The Company has not exercised the option to opt for lower tax rate and has presently considered the rate existing prior to the amendment. The Company shall evaluate the option to opt for lower tax rate once it utilises the entire carried forward losses and MAT credit available under the Income Tax Act.

NOTE 29 - FAIR VALUE MEASUREMENTS:

The following disclosures are made as required by Ind AS -113 pertaining to Fair value measurement:

a. Accounting classification and fair values

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

c. Financial risk management

The Company has exposure to the Credit risk, Liquidity risk and Market risk arising from financial instruments.

Risk Management Framework: The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established the Risk Management Committee (RMC), which is responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits to control / monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is approved by the Board of Directors.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

d. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables.

Trade receivables: The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

The following table provides information about the exposure to credit risk and measurement of loss allowance using life time expected credit loss for trade receivables:

f. Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices, will affect the Company's income or the value of its financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables, long term debt and commodity prices. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and commodity price risk.

g. Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through the Statement of profit and loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to Interest rate risk:

Company's interest rate risk arises from borrowings. The interest rate profile of the Company's interest-bearing long term financial instruments is as follows:

(Rs. In Lakhs)

Particulars	31st March 2021	31st March 2020
Fixed-rate instruments	2,810.88	2,449.24
Variable-rate instruments	1,684.52	1,668.32
Total	4,495.40	4,117.56

h. Currency risk

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee.

To the extent the exposures on purchases and borrowings are not economically hedged by the foreign currency denominated receivables, the Company uses derivative instruments, like, foreign exchange forward contracts to mitigate the risk of changes in foreign currency exchange and principal only swap rates. Company does not use derivative financial instruments for trading or speculative purposes.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies including the use of derivatives like foreign exchange forward contracts to hedge exposure.

Note No. 37: Assessment of implication of COVID – 19 pandemic on standalone financial statement

The Company's business operations for the year continued to be adversely impacted by the measures to contain the spread of COVID -19 and restrictions imposed due to the second wave of COVID - 19. The operations continued to improve gradually with requisite precautions during the year with limited availability of workforce, disrupted supply chain

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

and delayed offtake from customers. The financials for the year are, to that extent, not comparable with those for the previous year. The Company has evaluated the impact of this pandemic on its business operations, liquidity and financial position based on internal and external information available up to the date of approval of these standalone financial statements and expects to recover the carrying values of its assets.

The impact assessment of COVID -19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these standalone financial statements. The Company will continue to monitor any material changes to future economic conditions.

Note No. 38

The Board of Directors of AESA Air Engineering SA, France which is a step-down subsidiary, had filed Judiciaire Redressment under French Law on 6th July 2020. The French Court has passed an interim order on 18th November 2020 taking cognizance of the situation and pronounced the 'liquidation judicial' of AESA Air Engineering SA France including its three step down subsidiaries and appointed a Liquidator. Thus the Holding Company has no control over the said step-down subsidiary companies and hence it cease to be step down subsidiary of the Company for the year ended 31st March 2021.

Note No. 39: Code on Social Security,2020

The Code on Social Security, 2020 ("Code") relating to employee benefits during the employment and post-employment benefits has been published in the Gazette of India on 28th September, 2020. The Ministry of Labour and Employment has released draft rules for the Code on 13th November, 2020. The effective date from which these changes are applicable is yet to be notified. The Company will assess and record the impact, if any when the rules are notified and the Code becomes effective.

Note No. 40: Appointment of Managing Director pending Shareholder approval

The Board of Directors in its meeting dated 06th November 2020 appointed Mr. Sanjiv Joshi as the new Managing Director of the Company w.e.f. 07th November 2020 for a term of five years which is subject to approval of the shareholders in the ensuing Annual General Meeting of the Company and remuneration paid to the new Managing Director during the year has been recognised as Employee Benefit Expenses.

INDEPENDENT AUDITOR'S REPORT

To the Members of Batliboi Limited

Report on the Audit of the Consolidated Ind AS Financial Statements

1. Opinion

We have audited the Consolidated Ind AS financial statements of Batliboi Limited ("the Holding Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group"), which comprise the Balance Sheet as at 31st March 2021, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at 31st March, 2021, the Consolidated profit and consolidated total other comprehensive income, Consolidated changes in equity and its Consolidated cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 ("the Act") and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Consolidated Ind AS financial statements.

3. Emphasis of Matter

Without qualifying our report in respect of the following, we draw attention to:

- a) Note 41 of the consolidated financial statement, as regards the group's assessment of the financial impact due to restrictions and conditions related to COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.
- b) Note 42 of the consolidated financial statement, as regards to loss of control by the holding company over ASEA Air Engineering SA, France, one of the step down subsidiary and its further three step down subsidiaries which have gone into liquidation and a liquidator has been appointed. The resulting difference on derecognition of assets and liabilities of these subsidiaries has been recognised as an exceptional item in the Consolidated statement of profit and loss for the year ended 31st March 2021.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current year. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report which is based on audit procedures performed by us.

5. Information other than the consolidated Ind AS financial statements and Auditor's report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report, Corporate Governance Report and Management Discussion and Analysis, but does not include the consolidated Ind AS financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance of the Holding Company and determine the actions under the applicable laws and regulations.

6. Responsibilities of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Ind AS financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the Company's financial reporting process.

7. Auditor's Responsibilities for the Audit of the consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with Standard on auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the Ind AS financial statements of such entities included in the consolidated Ind AS financial statements. For the other entities included in the consolidated Ind AS financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Ind AS financial statements.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Other Matters

- a) We did not audit the financial statements / financial information of three subsidiary companies, whose financial statements include excluding consolidation eliminations reflect total assets of Rs. 8,722.07 Lakhs as at 31st March 2021, and net assets of Rs. 5,288.44 Lakhs as at 31st March 2021, total revenue of Rs. 4,489.57 Lakhs, total profit/(loss) after tax of Rs. 211.30 Lakhs and net cash outflows amounting to Rs. 161.94 Lakhs for the year then ended, as considered in the consolidated Ind AS financial statements. These financial statements/ financial information have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiaries company and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the report of the other auditor.

- b) We have relied on the unaudited interim financial statement of four intermediate step down subsidiary whose interim financial statements/financial information include excluding consolidation eliminations reflect total assets of Rs. 1,701.25 Lakhs as at 30th June 2020, net assets of Rs. (1,437.26) Lakhs as at 30th June 2020, total revenue of Rs. 1,428.93 Lakhs, total loss after tax of Rs. (164.11) Lakhs and net cash outflows amounting to Rs. 33.92 Lakhs for the period then ended on that date. These financial statements as approved by the Board of Directors of the said subsidiary have been furnished to us by the management and our report in so far as it relates to the amount included in respect of the said subsidiary is based solely on such approved unaudited financial statements. This subsidiary had filed Judiciaire Redressment under French Law on 6th July 2020 and subsequent to that operations of these four subsidiaries had been terminated and the French court had ordered for initiation of liquidation process and appointed a liquidator. (Refer Note 42 of the Consolidated Ind AS financial statements).
- c) We have relied on the unaudited interim financial statement of one intermediate step down subsidiary whose interim financial statements/financial information include excluding consolidation eliminations reflect total assets of Rs. 4,116.36 Lakhs as at 22nd January 2021, net assets of Rs. 4,103.34 Lakhs as at 22nd January 2021, total revenue of Rs. 84.00 Lakhs, total loss after tax of Rs. 75.05 Lakhs and net cash inflows amounting to Rs. 88.57 Lakhs for the period then ended on that date. These financial statements as approved by the Board of Directors of the said subsidiary have been furnished to us by the management and our report in so far as it relates to the amount included in respect of the said subsidiary is based solely on such approved unaudited financial statements.

Our opinion on the consolidated Ind AS financial statements and our report on Other Legal and Regulatory requirements below is not modified in respect to our reliance on the work done and the reports of the other auditors.

9. Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statement and the other financial information of subsidiary companies, as noted in the 'Other Matter' paragraph, we report to the extent applicable that :

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of consolidated Ind AS financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as appears from our examination of those books and the reports of the other auditor.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the relevant books of account maintained for preparation of Consolidated Ind AS Financial Statements.
- d) In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2021 taken on record by the board of directors of the Holding Company, none of the Directors are disqualified as on 31st March 2021, from being appointed as a director in terms of sub-section 2 of Section 164 of the Act. According to information and explanations provided to us, sub-section 2 of section 164 of the Act is not applicable to subsidiary companies as these are not incorporated in India.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'. According to information and explanations provided to us, clause (i) sub-section 3 of section 143 of the Act is not applicable to subsidiary companies as these are not incorporated in India.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act (Refer Note 43).
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'Other matter' paragraph:
- i. The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Ind AS financial statements – Refer Note 26 to the consolidated Ind AS financial statements;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.

Annexure A to the Independent Auditor's Report

Annexure referred to in para 9(f) to the Independent Auditor's Report of even date to the members of Batliboi Limited on the Consolidated Ind AS financial statements for the year ended 31st March, 2021.

Report on the Internal Financial Control under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Batliboi Limited ("the Holding Company"), as of 31st March, 2021 in conjunction with our audit of the consolidated Ind AS financial statements for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion the Holding Company which is incorporated in India, has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Note No. 1

Company Overview

Batliboi Ltd (the Holding Company) and its subsidiaries (collectively referred to as “the Group”), is engaged in manufacture and trading of machine tool and textile engineering machines. The Holding Company is a public limited company incorporated and domiciled in India. The Registered Office of the Holding Company is situated in Mumbai. Its shares are listed on Bombay Stock Exchange (BSE).

Note No. 2

Basis for preparation and measurement

i. Basis of preparation:

The Consolidated Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (Act) read with Rule 4A of Companies (Accounts) Second Amendment Rules, 2015, Companies (Indian Accounting Standards) Rules, 2015 and the other relevant provisions of the Act and Rules thereunder.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

ii. Basis of measurement:

The consolidated financial statements have been prepared on accrual basis and in accordance with historical cost convention basis, except for certain financial assets and financial liabilities which have been measured at fair value in accordance with Ind AS. All assets and liabilities are classified into current and non-current generally based on the nature of product/activities of the Group and the normal time between acquisition of assets/liabilities and their realisation/settlement in cash or cash equivalent. The Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

iii. Presentation of Financial Statements:

The Balance Sheet, Statement of Profit and Loss, Statement of Changes in equity and Cash Flow Statement are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 (“the Act”). The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

iv. Functional and presentation Currency:

The Holding Company’s presentation and functional currency is Indian Rupees (₹) and all values are rounded off to the nearest lakhs (INR 00,000), except when otherwise indicated.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Note No. 3

Basis of Consolidation

Subsidiaries:

The Consolidated financial statements have been prepared on the following basis:

- Subsidiary companies are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary companies are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.
- Changes in company's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the company's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the company.
- The acquisition method of accounting is used to account for business combinations by the Group.
- The financial statements of subsidiary companies used in consolidation are drawn up to the same reporting date as of the Holding Company i.e. year ended 31st March 2021.
- The financial statements of the Holding Company and its subsidiary companies have been combined on a line-by-line basis by adding together the fair values of like items of assets, liabilities, revenues and expenses.
- Intra group balances and intra group transactions and resulting profits are eliminated in full. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.
- Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.
- The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the company's separate financial statements.

The following subsidiary companies are considered in the Consolidated Financial Statements.

Sr. No.	Name of the Subsidiary Company	Country Domiciled/ Incorporated	% of holding either directly or through subsidiaries		Date since it became subsidiary

1 These are step down subsidiaries.

2 Vanderma Holding Ltd went into voluntary liquidation and all its assets and liabilities have been transferred at book value on 22nd January 2021 to Queens Projects (Mauritis) Limited and Vanderma Holding Ltd got de-registered on 25th April 2021.

3 AESA Air Engineering SA France has filed Judiciaire Redressment under the French Law on 6th July 2020 and subsequently went into liquidation proceedings based on interim order of French Court on 18th November 2020 as intimated by the Company vide its letter dated 29th March 2021. A liquidator has been appointed by the French court and consequently the parent company lost control over these four step down subsidiaries.

Note No. 4
Business Combinations

The Holding Company accounts for its business combinations under acquisition method of accounting. Acquisition related costs are recognised in profit and loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognised at the fair values at the acquisition date.

Purchase consideration paid in excess of the fair values of net assets acquired is recognised as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognised as capital reserve.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

Business combinations arising from transfer of interests in entities that are under the common control are accounted at historical cost. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity are recorded in shareholders' equity.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Note No. 5

Use of Judgement, Assumptions and Estimates

The preparation of the Group's consolidated financial statements requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the financial statements and notes thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Changes in accounting estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

In the assessment of the Holding Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements relate to the following areas:

- Financial instruments;
- Useful lives of property, plant & equipment;
- Valuation of inventories;
- Measurement of recoverable amounts of assets / cash-generating units;
- Assets and obligations relating to employee benefits;
- Evaluation of recoverability of deferred tax assets;
- Leases;
- Assets Held for Sale; and
- Provisions and Contingencies.

Note No.6.1

SIGNIFICANT ACCOUNTING POLICIES

A. Property, Plant and Equipments -

- a) The cost of an item of property, plant and equipment is recognized as an asset only if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.
- b) Property, plant and equipment are stated at cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment loss, if any.
- c) The initial cost of an asset comprises its purchase price or construction cost (including import duties and non-refundable taxes), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, estimate of any decommissioning obligation (if any) and the applicable borrowing cost till the asset is ready for its intended use.
- d) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.
- e) Where the cost of a part of asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

- f) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds if any and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.
- g) Spare parts which meet the definition of property plant and equipment are capitalized as property, plant and equipment. In other cases, the spare parts are inventorised on procurement and charged to Statement of Profit & Loss on issue/consumption.
- h) When significant parts of property, plant and equipment are required to be replaced at intervals, the Group derecognises the replaced part and recognises the new part with its own associated useful life and it is depreciated accordingly. All other repair and maintenance cost are recognised in the Statement of Profit and Loss as and when incurred.
- i) Property, Plant and Equipment which are not ready for intended use as on date of Balance Sheet are disclosed as 'Capital Work in Progress'.
- j) On transition to Ind AS Land, Building and Plant and Machinery has been measured at fair value as deemed cost as on the date of transition as per the option available to the Holding Company in accordance with Ind AS 101 – First Time Adoption of Indian Accounting Standard.

B. Depreciation

- a) Depreciation policy in case of Holding Company:
 - i) For Manufacturing unit at Udhna and Windmill -

Depreciation on property, plant and equipment in Holding Company's books is provided on the straight-line basis over the useful lives of assets (after retaining the residual value of up to 10% for factory building, plant and machinery and 5% for other assets). The useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act except in case of Factory Building. In case of Factory Building depreciation is provided over their remaining useful life as on the date of transition to Ind AS.

- ii) For all other units:

Depreciation on tangible assets is provided on Written Down Value Method over the useful lives of the assets as specified in Schedule II to the Companies Act, 2013. Intangible assets are amortised on Straight Line Method over a period of 3 years.

- b) Depreciation policy in case of Overseas Subsidiaries:

Depreciation on Property, Plant and Equipment of the overseas subsidiaries is provided over its economic life determined by the management of the respective subsidiaries and are determined in accordance with laws applicable in countries where such operations are domiciled as given below:

* Aesa Air Engineering ,SA France and its subsidiaries.

Depreciation charged to consolidated statement of profit and loss for the period upto 30th June 2020 for the current year 2020-21 with respect to AESA Air Engineering SA France and its subsidiaries.

There are no Property, Plant and Equipment in any of the other subsidiaries except for the above mentioned subsidiaries.

- c) The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and changes, if any, are accounted in the period in which the estimates are revised.
- d) The group depreciates components of the main asset that are significant in value and have different useful lives as compared to the main asset separately.
- e) The spare parts are depreciated over the estimated useful life based on internal technical assessment.
- f) Expenditure on major repairs and overhauls which qualify for recognition in the item of Property, Plant and Equipment and which result in additional useful life, is depreciated over the extended useful life of the asset as determined by technical evaluation.
- g) Depreciation is charged on additions / deletions on pro-rata monthly basis including the month of addition / deletion.

C. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. Right-of-use assets are tested for impairment whenever there is an indication that their carrying value may not be recoverable. Impairment loss, if any is recognized in the statement of profit and loss account.

The lease liability is measured at amortized cost, at the present value of the future lease payments. The lease payments are discounted using the Holding Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if the Group changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Group recognises the lease payments associated with these leases as an expense over the lease term.

D. Inventories

Inventories are stated at cost or net realizable value, whichever is lower. Cost of inventories comprises of expenditure incurred in the normal course of business in bringing inventories to their present location, including appropriate overheads apportioned on a reasonable and consistent basis and is determined on the following basis:

- a) Raw materials and finished goods on weighted average basis.
- b) Work in progress at raw material cost plus cost of conversion.
- c) Stores and loose tools on weighted average basis.

Obsolete, slow moving, surplus and defective stocks are identified and where necessary, provision is made for such stocks.

E. Revenue Recognition

Revenue from contracts with customers:

Revenue from contract with customers is recognized upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those goods or services. Performance obligations are satisfied at the point of time when the customer obtains the control of the goods.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract. Revenue excludes taxes collected from customers.

Service Income:

Income from annual maintenance services is recognized proportionately over the period of contract.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Revenue from Works Contract:

Revenue from works contracts is recognized on: "Percentage of Completion Method"; Percentage or stage of completion is determined by the proportion that contract cost incurred for work performed up to the reporting date bears to the estimated total costs of the contract. Expected loss, if any, on the contract is recognized as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract.

Interest Income:

Interest income is recognized using Effective Interest Rate (EIR) method.

Dividend Income:

Revenue is recognized when the Company's right to receive the payment has been established.

F. Employee Benefits

Short term employee benefits are recognized as an expense at an undiscounted amount in the Consolidated Statement of Profit and Loss for the year in which the related services are rendered.

The Holding Company's post-employment benefit consists of provident fund, gratuity and superannuation fund. The Holding Company also provides for leave encashment which is in the nature of long term benefit.

The Holding Company's contributions to Provident Fund administered by Regional Provident Fund Authorities and ESIC and Labour Welfare Fund in the case of employees at manufacturing unit at Udhna, which are defined contribution plans, are recognized as an expense in the Statement of Profit and Loss for the year in which the services are rendered and the Holding Company has no further obligation beyond making the contributions.

The Holding Company's contribution to the Provident Fund for employees other than working at manufacturing unit at Udhna, which is a defined contribution plan, is remitted to separate trust established for this purpose and charged to Consolidated Statement of Profit and Loss. Shortfall, if any, in the fund assets of the Provident Fund Trust, based on the Government specified minimum rate of return, is made good by the Holding Company and charged to Consolidated Statement of Profit and Loss. The Holding Company's contribution to Superannuation Fund for Managers/Officers, which is a defined contribution plan, is made to and administered by Life Insurance Corporation of India and is charged to Statement of Profit and Loss Account.

The Holding Company operates defined benefit plan for Gratuity. The cost of providing such defined benefit is determined using the projected unit credit method of actuarial valuation made at the end of the year.

Obligations on leave encashment are provided using the projected unit credit method of actuarial valuation made at the end of the year.

Actuarial gains and losses are recognized in other comprehensive income for gratuity and leave encashment.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Past service costs are recognized in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Holding Company recognizes related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Holding Company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

In case of one of the foreign subsidiary contributions towards pension plan to employees which are charged to consolidated statement of profit and loss in the period when the Company is obligated to make contributions for services rendered by the employee and in case of one of the subsidiary up to previous year over which the Holding Company lost control during the year it provided for the liability on accrual basis. The subsidiaries have no further obligation beyond making the contribution. The difference between the accrual amounts and actuarial valuations are not expected to be material.

G. Share-based payment arrangements

The stock options granted pursuant to the Holding Company's Stock Options Scheme, are measured at the fair value of the options of the grant date. The fair value of the options is treated as discount and accounted as employee compensation cost over the vesting period on a straight line basis.

The amount recognized as expense each year is arrived at based on the number of grants expected to vest. If a grant lapses after the vesting period, the cumulative discount recognized as expense in respect of such grant is transferred to the employee stock option reserve within equity.

H. Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets till the month in which the asset is ready for use. All other borrowing costs are charged to the Consolidated Statement of Profit and Loss.

I. Segment Accounting

The Group operates in 'Industrial Equipment' segment and there are no other reportable segments as defined under Ind AS 108.

J. Foreign Currency Transactions

The functional currency of the Holding company is the Indian Rupees whereas the functional currency of foreign subsidiaries is the currency of their countries of domicile.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Non – Monetary items:

Non-monetary items that are measured in terms of historical cost are recorded at the exchange rates at the dates of the initial transactions.

Monetary items:

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items including exchange differences arising on a monetary item that forms part of the holding company's net investment in a foreign operation are recognised initially in OCI. These exchange differences are reclassified from equity to profit or loss on disposal of the net investment.

On consolidation, all assets and liabilities of foreign operations are translated into INR at the rate of exchange prevailing at the reporting date and their statements of profit or loss are translated at exchange rates prevailing at the dates of the transactions. For practical reasons, the group uses an average rate to translate income and expense items, if the average rate approximates the exchange rates at the dates of the transactions. The exchange differences arising on translation for consolidation are recognised in OCI. On disposal of a foreign operation, the component of OCI relating to that particular foreign operation is recognised in profit or loss.

K. Provisions, Contingent Liabilities and Contingent assets

- a) Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expenses relating to a provision are recognized in the Statement of Profit and Loss net of any reimbursement.
- b) If the effect of time value of money is material, provisions are shown at present value of expenditure expected to be required to settle the obligation, by discounting using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- c) Contingent liabilities are possible obligations arising from past events and whose existence will only be confirmed by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group, or present obligations where it is not probable that an outflow of resources will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. Contingent liabilities are not recognized in the consolidated financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.
- d) Contingent Assets are not recognized but reviewed at each balance sheet date and disclosure is made in the Notes in respect of possible effects that arise from past events and whose existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group and where inflow of economic benefit is probable.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

L. Fair Value measurement

- a) The Group measures financial instruments at fair value at each balance sheet date.
- b) Fair value is the price that would be received on selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Holding Company has access at that date.
- c) While measuring the fair value of an asset or liability, the Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure the fair value using observable market data as far as possible and minimising the use of unobservable inputs. Fair values are categorised into 3 levels as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the assets or liability, either directly (i.e. as prices for similar item) or indirectly (i.e. derived from prices).

Level 3: Inputs that are not based on observable market data (unobservable inputs).

M. Financial Instruments

i. Financial Assets other than derivatives

All financial assets are recognised initially at fair values including transaction costs that are attributable to the acquisition of the financial asset.

A financial asset is measured (subsequent measurement) at the amortised cost if the asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and the contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Amortised cost is net of any write down for impairment loss (if any) using the effective interest rate (EIR) method taking into account any discount or premium and fees or costs that are an integral part of the EIR.

Investments in subsidiaries are accounted for and measured at cost (fair value as deemed cost on first time adoption) in standalone financial statements.

Investments in equity other than subsidiaries are accounted for and measured at fair value through profit or loss.

A financial asset is derecognised either partly or fully to the extent the rights to receive cash flows from the asset have expired and / or the control on the asset has been transferred to a third party. On de-recognition, any gains or losses are recognised in the Consolidated Statement of Profit and Loss.

ii. Financial Liabilities other than derivatives

All financial liabilities are recognised initially at fair value net of transaction costs that are attributable to the respective liabilities.

After initial recognition, financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate method ("EIR"). Amortised cost is calculated by taking into account any discount or premium on

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Consolidated Statement of Profit and Loss.

iii. Financial guarantee contracts

Financial guarantee contracts issued by the group are those contracts that require specified payments to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognised less cumulative amortisation. Where guarantees in relation to loans or other payables of related party are provided for no compensation, the fair values are accounted for as contributions and recognised as fees receivable under “other financial assets” or as a part of the cost of the investment, depending on the contractual terms.

iv. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

N. Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current if they are expected to be realised / settled within twelve months after the reporting period. All other assets and liabilities are considered as non-current.

O. Impairment

Non-financial Assets

At each Balance Sheet date, an assessment is made of whether there is any indication of impairment. If any indication exists, or when annual impairment testing for an asset is required, the group estimates the recoverable amount of asset's. The recoverable amount is the higher of fair value less costs of disposal in respect of the asset's or Cash-Generating Unit's (CGU) and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Financial Assets

The Group assesses at each date of Balance Sheet whether a financial asset or group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Group recognises lifetime expected losses for all contract assets and /or all trade receivables that do not constitute a financing transaction.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

For all other financial assets, expected credit losses are measured at an amount equal to the 12 – month expected credit losses or at an amount equal to the lifetime expected credit losses if the credit risk on the financial asset had increased significantly since initial recognition.

P. Non-Current Asset Held for Sale

Non-current assets are classified as held for sale if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of held for sale is met when the non-current asset is available for immediate sale and the same is highly probable of being completed within one year from the date of classification as held for sale. Non-current assets held for sale are measured at the lower of carrying amount and fair value less cost to sell. Non-current assets that ceases to be classified as held for sale shall be measured at the lower of carrying amount before the non-current asset was classified as held for sale adjusted for any depreciation/ amortization and its recoverable amount at the date when the non-current assets no longer meets the “Held for sale” criteria.

Q. Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly or indirectly in equity respectively.

Current Income Taxes

Income-tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

The Current Income tax expense includes income taxes payable by the holding company and its subsidiaries in India and overseas. The current tax payable by the company and its subsidiaries in India is Indian Income tax payable on worldwide Income.

The Current Income tax expense for overseas subsidiaries has been computed based on the tax laws applicable to each subsidiary in the respective jurisdiction in which it operates.

Advance taxes and provisions for current income taxes are presented in the balance sheet after offsetting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying units intends to settle the asset and liability on net basis.

Minimum Alternate Tax (‘MAT’) paid under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid will be recognised as an asset only when and to the extent there is convincing evidence that the Holding Company will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. Such an asset is reviewed at each Balance Sheet date.

Deferred taxes

Deferred income tax is recognized using the Balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of goodwill or on asset and liability in a transaction that is not a business combination and effects neither accounting nor taxable profit or loss at the time of the transactions.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Deferred income tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax liabilities are recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets and liabilities are measured using substantively enacted rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax assets and liabilities are off set when they relate to incomes taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on net basis.

Deferred tax assets include Minimum Alternate tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as asset in the balance sheet when the asset can be measured reliability and it is probable that the future economic benefit associated with the asset will be realized.

R. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, adjusted for the effect of all dilutive potential equity shares.

S. Cash and Cash equivalents

Cash and cash equivalents include cash at bank, cash, cheques and draft on hand. The group considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

Cash Flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

Note No.6.2

Recent pronouncements

On 24th March, 2021, the Ministry of Corporate Affairs (“MCA”) through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from 1st April, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

- Lease liabilities should be separately disclosed under the head ‘financial liabilities’, duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under ‘additional regulatory requirement’ such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head ‘additional information’ in the notes forming part of the standalone financial statements.

The amendments are extensive and the Holding Company will evaluate the same to give effect to them as required by law.

In March 2019 the Holding Company had decided to sell a part of Land, Building and Capital work in progress amounting to Rs. 1,779.39 Lakhs out of the total factory land and building located in Surat. The part of Land and Building was classified and presented as “held for sale” and was carried at the lower of carrying value and fair value as at 31st March 2019 and 31st March 2020. The Holding Company had initiated identification and evaluation of potential buyers for the sale of the said part of Land and Building.

During the year ended 31st March 2021, on remeasurement, the Holding Company has evaluated the current position and has concluded that the carrying value of the “asset held for sale” is lower than the fair value of the asset, hence no impairment to the carrying amount has been made. The Holding Company expects the sale of the “asset held for sale” to be completed in near future.

Note :

- a) The Holding Company had exercised the option of fair value as deemed cost for Property, Plant and Equipment on the date of transition to Ind-AS i.e; 1st April 2016. Ind AS required entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the Balance Sheet and its Tax Base. Accordingly deferred tax liability on account of fair valuation of Land was calculated in previous year.

Under Section 55(2)(b)(i) of Income Tax Act 1961, "fair market value of capital assets means where the capital asset became the property of the assessee before the 1st day of April, 2001, the cost of acquisition of the asset to the assessee or the fair market value of the asset on the 1st day of April, 2001, shall be considered at the option of the assessee.

Accordingly deferred tax liability on account of fair value of Land is calculated and reviewed at each reporting date as required by Ind AS - 12 'Income Taxes' for changes in respect of temporary differences which have been recognised in previous periods. In F.Y. 2018-19, the Holding Company has opted to choose the fair market value of the land as on 01.04.2001 as its cost of acquisition in accordance with Section 55(2)(b)(i) of Income Tax Act 1961. This has resulted in creation of deferred tax credit during the year of Rs. 43.92 Lakhs (P.Y. Rs. 32.94 Lakhs) which is part of deferred tax credit of Rs. 94.79 Lakhs (P.Y. Rs. 239.36 Lakhs) for the year ended 31st March 2021.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

- b) Deferred tax Asset on unabsorbed depreciation, unabsorbed business losses and other temporary differences available as per the Income Tax Act, 1961 had been recognised, since it is probable that taxable profit will be available to adjust them in future years. Unabsorbed depreciation can be carried forward and set off against the profits for infinite number of years under the Income Tax Act, 1961 and profitability projections based on current margins show sufficient profits for set off in future.
- c) The Taxation Laws (Amendment) Act, 2019 was enacted on 11th December 2019. It amended the Income Tax Act, 1961 and the Finance Act (No. 2) Act, 2019. It provides domestic companies with an option to opt for lower tax rate, provided they do not claim certain deductions. The Holding Company has not exercised the option to opt for lower tax rate and has presently considered the rate existing prior to the amendment. The Holding Company shall evaluate the option to opt for lower tax rate once it utilises the entire carried forward losses and MAT credit available under the Income Tax Act.

b. Measurement of fair values:

The following tables shows the valuation techniques used in measuring Level 2 fair values.

Type	Valuation technique
Fixed Rate Borrowings	Discounted cash flows: The valuation model considers the present value of expected payment discounted using appropriate discounting rates.

c. Financial risk management

The Group has exposure to the Credit risk, Liquidity risk and Market risk arising from financial instruments.

Risk Management Framework: The Holding Company's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Board of Directors of the Holding

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Company has established the Risk Management Committee (RMC), which is responsible for developing and monitoring the Group's risk management policies.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits to control / monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's financial risk management policy is approved by the respective Companies Board of Directors.

d. Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables.

Trade receivables: The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

The following table provides information about the exposure to credit risk and measurement of loss allowance using Life time expected credit loss for trade receivables:

f. Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices, will affect the Group's income or the value of its financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables, long term debt and commodity prices. The Group is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and commodity price risk.

g. Interest rate risk:

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through the Statement of profit and loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to Interest rate risk:

Group's interest rate risk arises from borrowings. The interest rate profile of the Group's interest-bearing long-term financial instruments is as follows:

(Rs In Lakhs)

Particulars	31 st March 2021	31 st March 2020

h. Currency risk:

The Group is exposed to currency risk on account of its operating and financing activities. The functional currency of the Holding Company is Indian Rupee.

To the extent the exposures on purchases and borrowings are not economically hedged by the foreign currency denominated receivables, the Group uses derivative instruments, like, foreign exchange forward contracts to mitigate the risk of changes in foreign currency exchange and principal only swap rates. The Group does not use derivative financial instruments for trading or speculative purposes.

The Group evaluates exchange rate exposure arising from foreign currency transactions and the Group follows established risk management policies including the use of derivatives like foreign exchange forward contracts to hedge exposure.

Note No.38: Non Controlling Interest

Under Indian GAAP the losses applicable to the non controlling interest in a consolidated subsidiary which exceeds the non controlling interest in the equity of the subsidiary were adjusted against the holding company's interest in case of four subsidiary upto previous year. As the subsidiary has negative net worth hence there was no separate disclosure of non controlling interest as on 1st April 2016 in the consolidated financial statement. Under Ind AS 110 Consolidated Financial Statement - Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. The group has availed exemption provided under Ind AS 101 to apply the requirement of Ind AS 110 prospectively, hence in the Ind AS Consolidated financial statement the share of profit for interest of the non controlling interest for the said subsidiary has not been attributed till the time the deficit interest of the non controlling interest prior to the transition date are recovered. In the current year the Holding Company has lost control over the said subsidiaries hence the assets and liabilities of these subsidiaries has been derecognized and there would be no non controlling interest recognised subsequently (Refer Note 42).

Assessment of implication of COVID – 19 pandemic on consolidated financial statement

The Group's business operations for the year continued to be adversely impacted by the measures to contain the spread of COVID -19 and restrictions imposed due to the second wave of COVID - 19. The operations continued to improve gradually with requisite precautions during the quarter with limited availability of workforce, disrupted supply chain and delayed offtake from customers. The financials for the year are, to that extent, not comparable with those for the previous periods/year. The Group has evaluated the impact of this pandemic on its business operations, liquidity and financial position based on internal and external information available up to the date of approval of these consolidated financial statements and expects to recover the carrying values of its assets.

The impact assessment of COVID -19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these consolidated financial statements. The Group will continue to monitor any material changes to future economic conditions.

Exceptional Item

- a) The Board of Directors of AESA Air Engineering SA, France which is a step-down subsidiary, had filed Judiciaire Redressment under French Law on 6th July 2020. The French Court has passed an interim order on 18th November 2020 taking cognizance of the situation and pronounced the 'liquidation judicial' of AESA Air Engineering SA France including its three step down subsidiaries and appointed a Liquidator. Thus the Holding Company has no control over the said step-down subsidiary companies and hence the assets and liabilities of these subsidiaries has been derecognised from the consolidated financial statements for the year ended 31st March 2021 based on principles of Ind AS 110 ' Consolidated Financial Statement' . The resulting difference on derecognition of assets and liabilities on loss of control of subsidiaries amounting to Rs. 1,399.97 lakhs in accordance with the principles of Ind AS 110 has been recognised as an exceptional item in the consolidated statement of profit and loss for the year ended 31st March 2021.
- b) Total Comprehensive Income for the year ended 31st March 2021 of Rs. 859.32 lakhs is after adjusting exceptional item of Rs. 1,399.97 lakhs which has been mentioned in note 42(a) above.

For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
 - iii) The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 Members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
 - iv) The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

- v) Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the Members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the Members such as such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-Voting.
- vi) In line with the Ministry of Corporate Affairs (MCA) Circulars the Notice calling the AGM and the Annual Report for the financial year 2021-22 has been uploaded on the website of the Company at www.batliboi.com . The Notice can also be accessed on the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility) i.e. www.evotingindia.com
- vii) The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circulars
- viii) In continuation of this Ministry's General Circular No. 02/2022, dated 05th May, 2022 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2022, to conduct their AGMs on or before 31.12.2022, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020.

6. Instructions for Shareholders for remote e-Voting are as under:

- i) **The voting period begins on Tuesday, 9th August, 2022 at 9.00 a.m. and ends on Thursday, 11th August, 2022 at 5.00 p.m.**

During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) on Friday, August 5, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (i) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (ii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants.

Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Item No. 6

The Company, in ordinary course of its business enters into transactions inter-alia sale & purchase of goods / services, product development, corporate services and such other forms of transaction as set out in the resolution at Item No. 6 of the Notice with Batliboi Environmental Engineering Limited a related party of the Company. These transactions are at arm's length basis and strategically and operationally beneficial to the Company and necessary approvals as required in compliance of the provisions under the Act/ SEBI LODR, 2015 have already been obtained from the Audit Committee/ Board.

As the shareholders are aware that the Company during the current financial year has registered adequate performance i.e. increase of revenue during the financial year 2021-22, due to several factors including favorable market conditions. This has resulted in increased production and consequently increased transactions with the vendors / suppliers / agents / business associates including the related parties.

It may be noted that as per the amended definition provided in the explanation to Regulation 23(1) of SEBI LODR, 2015 which is effective April 01, 2022, a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds Rs.1,000 Crore or ten per cent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity, whichever is lower.

Further, all Material Related Party Transactions require prior approval of the Members through a Resolution and no related party shall vote to approve such resolution whether an entity is a related party to the particular transaction or not.

The transactions with Batliboi Environmental Engineering Limited for Financial Year 2022-23 are estimated to be Rs. 34 Crore (Rupees Thirty Four Crores) and this amount exceeds the threshold limit of 10% (ten per cent) of the annual consolidated turnover of the company i.e 19.65 crore (Rupees Nineteen Crore Sixty Five Lakhs), one of the criteria prescribed above in the amended definition of Material Related Party Transactions and therefore it is a Material Related Party Transaction.

Approval of the Members of the Company is therefore required in terms of Regulation 23 of the SEBI (LODR), 2015 by way of passing of an Ordinary Resolution for approval to the aforesaid Material Related Party Transactions to be entered for Financial Year 2022-2023

Except Mr. Kabir Bhogilal, Mr. Nirmal Bhogilal, Mrs. Sheela Bhogilal and Mr Sanjiv Joshi None of the Directors / Key Managerial Personnel of the Company/ their relatives is in any way concerned or interested financially or otherwise, in the Resolution as set out at Item No.6 of the Notice

The Board recommends the Ordinary Resolution set out at Item No.6 for the approval of the Members.

2. REVIEW OF OPERATIONS AND OUTLOOK

Despite the challenging environment, lockdown restrictions and uncertainties posed by COVID-19 pandemic, your Company on a standalone basis had approximately 55% more income for the year ended March 31, 2022 and on consolidated basis nearly 30% more income than the previous year. This was achieved as there was a better stability in operations in comparison to previous year where the operations were affected due to the pandemic. Finance costs reduced nearly by 10% on account of improvement in working capital.

During the year operations on a standalone basis and consolidated basis resulted in a loss mainly due to operations in first quarter and partly due to operations in the second quarter which were affected by the lockdown and pandemic. However the loss before tax both on standalone and consolidated basis was much lower than the previous FY i.e 2020-21. Barring any further lockdowns in the year due to the Pandemic we are cautiously optimistic of all our operations during 2022-23.

3. DIVIDEND

In view of the operating loss, your Directors do not recommend any Dividend for the year ended 31st March, 2022.

4. TRANSFER TO RESERVE

The loss for the Year is Rs. 620.29 Lakhs is debited to the Profit and Loss account.

5. SHARE CAPITAL

During the financial year 2021-2022, there is no change in the Authorized, Issued, Subscribed and Paid-up share capital of the Company. As on 31st March, 2022, the Company is having Authorized share capital of Rs. 30.01 Crores comprising of 4,61,70,400 Equity Shares of Rs. 5 each and 6,92,480 Preference shares of Rs. 100 each. The Issued, Subscribed and Paid-Up Equity Share Capital of the Company as on 31st March, 2022 is Rs. 14.36 Crores and the Issued, Subscribed and Paid-Up Preference Share Capital of the Company as on 31st March, 2022 is Rs. 6.92 Crores.

During the year under review, the Company has issued neither shares with differential rights as to dividend, voting or otherwise nor issued shares (including sweat equity shares) neither to the employees nor to Directors of the Company, under any Scheme.

6. SUBSIDIARY COMPANIES AND CONSOLIDATED FINANCIAL STATEMENTS

SUBSIDIARY COMPANIES

1) Quickmill Inc., Canada

Quickmill Inc. headquartered in Peterborough, Ontario, Canada is engaged in the design, manufacture, sales and service of a line of large sized Gantry Drilling and Milling machines globally. Customers are mainly from Energy, Heat Transfer, Steel Service sectors, large Industrial machinery manufacturers and job shop manufacturing sectors.

The total income increased by 8% for the Financial Year 2021-22 as compared to 2020-21. The contribution of QuickMill Inc., Canada to the total turnover of the Company was 35% . The operations were profitable.

Since the global economy has begun revival and barring any further global lockdowns due to further waves of the Pandemic, the company is cautiously optimistic for 2022-23.

CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statements of the Company with its Subsidiaries forms part of the Annual Report and the Accounts in accordance with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Companies Act, 2013 and applicable Accounting Standards prescribed by The Institute of Chartered Accountants of India.

The Board of Directors of the Company reviewed the affairs of subsidiaries of the Company. In accordance with Section 129(3) of the Companies Act, 2013, the Company has prepared consolidated financial statements of the Company and all its subsidiaries, which forms part of the Annual Report. Further a statement containing salient features of the financial statements of the Company's subsidiaries is given in Form No. AOC-1 at the end of this Report. The Company will make available the accounts of subsidiaries to any member of the Company on request.

7. DIRECTORS AND KEY MANAGERIAL PERSONNEL

As per the provisions of Companies Act, 2013, Mr. Sanjiv Joshi, Managing Director (DIN: 08938810) will retire at the ensuing Annual General Meeting and being eligible, offers himself for re-appointment. Your Directors recommends his re-appointment.

INDEPENDENT AUDITOR'S REPORT

To the Members of Batliboi Limited

Report on the Audit of the Standalone Ind AS Financial Statements

1. Opinion

We have audited the Standalone Ind AS financial statements of Batliboi Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, the loss and total other comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Standalone Ind AS financial statements.

3. Emphasis of Matter

We draw attention to Note 37 of the Standalone Ind AS financial statements, as regards to management's assessment of the financial impact of COVID – 19 pandemic situations on the Standalone Ind AS financial statements, the assessment thereof by the management of the Company based on its internal, external and macro factors, involving certain estimation uncertainties.

Our Opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS financial statements of the current year. These matters were addressed in the context of our audit of the Standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1)	<p><u>Evaluation of Impairment of Investment made in Subsidiary –</u></p> <p>The Company has made investment in equity and preference shares of its wholly owned subsidiary Queen Project Mauritius Limited.</p> <p>It had impaired the investment in the subsidiary on the date of transition to Ind AS in view of the losses in its subsidiaries. The management has tested the impairment of its investment in subsidiaries as per Ind AS 109 -Financial Instruments as on 31st March, 2022. Based on internal analysis and estimation of the projected cash flow, the Company has not made any further impairment to the carrying amount of the investment value as on 31st March 2022.</p>	<p>We have carried out the following audit procedures to test the impairment of investment and checked the recognition, measurement and disclosure in respect of the same –</p> <p>a) Focused our testing on the impairment of investment in subsidiary and the key assumptions and estimates made by management.</p> <p>b) Audit procedures included an assessment of the controls over the impairment assessment process, evaluated the design of internal controls relating to the testing of impairment of assets and also tested the operating effectiveness of the aforesaid controls.</p> <p>c) Obtained understanding of management's estimation of recoverable amount of investment in subsidiary which have been determined by value in use.</p> <p>d) Verified and tested the future projected cash flow estimated by management to determine the value in use and recoverable amounts including assessment of the key cash flow assumptions based on historical performance and industry information.</p> <p>e) Assessed the appropriateness of the recognition, measurement and related disclosures of investment in Queens Projects Mauritius Limited.</p>
2)	<p><u>Evaluation of Contingent Liabilities –</u></p> <p>The Company has disclosed the contingent liability on account of sales tax, excise duty, TDS and claims not acknowledged as debts against the company relating to various business operations and human resource cases. The management has applied significant judgment to determine the possible outcome of these disputes and no provision relating to these liabilities has been taken in the financial statement as on 31st March 2022.</p> <p>Refer note 24 (a) of the Standalone Ind AS Financial Statements for disclosure of Contingent Liabilities.</p>	<p>We have carried out the following audit procedures:</p> <p>a) Evaluated the design and tested the operating effectiveness of the relevant controls, through combination of procedures involving inquiry and observation, reperformance and inspection of evidence in respect of operation of these controls to assess how the Company monitors the disputed tax liabilities, court cases, related developments and their assessment of the potential impact on the Company.</p> <p>b) For uncertain disputed taxes and court cases, obtained details of tax assessments, appeal order, court status, court orders and demands from management.</p> <p>c) Evaluated the management's underlying assumptions of the validity and adequacy of provisions for uncertain disputed taxes, court cases and evaluating the basis of determination of the possible outcome of the disputes. Also considered legal precedence and other rulings and read, where applicable, external advice sought by the Company for these uncertain disputed taxes, court cases and reviewed related correspondence in evaluating management's position on these uncertain disputed taxes and court cases.</p>

5. Information other than the Standalone Ind AS financial statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report, Corporate Governance Report and Management Discussion and Analysis, but does not include the Standalone Ind AS financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

6. Responsibilities of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

7. Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Report on Other Legal and Regulatory Requirements

- i) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- ii) As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of Standalone Ind AS financial statements.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind AS financial statements – Refer Note 24(a) to the Standalone Ind AS financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

Annexure B to the Independent Auditors' Report of even date on the Standalone Ind AS financial statements of Batliboi Limited

Referred to in paragraph [8(ii)(f)] under Report on Other Legal and Regulatory Requirements of our report of even date

Report on the Internal Financial Control Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of Batliboi Limited ("the Company") as of 31st March, 2022 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022 based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS financial

statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES FORMING PART OF FINANCIAL STATEMENTS

Note No. 1

Company Overview

Batliboi Limited is engaged in manufacture and trading of machine tool and textile engineering machines. The Registered Office of the Company is situated in Mumbai. Its shares are listed on Bombay Stock Exchange (BSE).

Note No. 2

Basis for preparation and measurement:

i. Basis of preparation:

The Financial Statements are prepared in accordance with and in compliance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (Act) read with Rule 4A of Companies (Accounts) Second Amendment Rules, 2015, Companies (Indian Accounting Standards) Rules, 2015 and the other relevant provisions of the Act and Rules thereunder.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

ii. Basis of measurement:

The financial statements have been prepared on accrual basis and in accordance with historical cost convention basis, except for certain financial assets and financial liabilities which have been measured at fair value in accordance with Ind AS. All assets and liabilities are classified into current and non-current generally based on the nature of product/activities of the Company and the normal time between acquisition of assets/liabilities and their realisation/settlement in cash or cash equivalent. The Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

iii. Presentation of Financial Statements:

The Balance Sheet, Statement of Profit and Loss, Statement of Changes in equity and Cash Flow Statement are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

iv. Functional and presentation Currency:

The Company's presentation and functional currency is Indian Rupees (₹) and all values are rounded off to the nearest lakhs (INR 00,000), except when otherwise indicated.

Note No. 3

Use of Judgement, Assumptions and Estimates

The preparation of the Company's financial statements requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the financial statements and notes

NOTES FORMING PART OF FINANCIAL STATEMENTS

thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Changes in accounting estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

In the assessment of the Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements relate to the following areas:

- Financial instruments;
- Useful lives of property, plant and equipment;
- Valuation of inventories;
- Measurement of recoverable amounts of assets / cash-generating units;
- Assets and obligations relating to employee benefits;
- Evaluation of recoverability of deferred tax assets;
- Leases;
- Assets Held for sale; and
- Provisions and Contingencies.

Note No. 4.1

SIGNIFICANT ACCOUNTING POLICIES:

A. Property, plant & equipment

- a) The cost of an item of property, plant and equipment is recognized as an asset only if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.
- b) Property, plant and equipment are stated at cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment loss, if any.
- c) The initial cost of an asset comprises its purchase price or construction cost (including import duties and non-refundable taxes), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management estimate of any decommissioning obligation (if any) and the applicable borrowing cost till the asset is ready for its intended use.
- d) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- e) Where the cost of a part of asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.
- f) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds if any and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

NOTES FORMING PART OF FINANCIAL STATEMENTS

- g) Spare parts which meet the definition of property plant and equipment are capitalized as property, plant and equipment. In other cases, the spare parts are inventorised on procurement and charged to Statement of Profit and Loss on issue/consumption.
- h) When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognises the replaced part and recognises the new part with its own associated useful life and it is depreciated accordingly. All other repair and maintenance cost are recognised in the Statement of Profit and Loss as and when incurred.
- i) Property, Plant and Equipment which are not ready for intended use as on date of Balance Sheet are disclosed as 'Capital Work in Progress'.
- j) On transition to Ind AS Land, Building and Plant and Machinery has been measured at fair value as deemed cost as per the option available to the Company in accordance with Ind AS 101 – First Time Adoption of Indian Accounting Standard.

B. Depreciation

- a) i) For Manufacturing unit at Udhna and Windmill:

Depreciation on property, plant and equipment is provided on the straight line basis over the useful lives of assets (after retaining the residual value of up to 10% for factory building, plant and machinery and 5% for other assets). The useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act except in case of Factory Building. In case of Factory Building depreciation is provided over their remaining useful life as on the date of transition to Ind AS.

- ii) For all other units:

Depreciation on tangible assets is provided on Written Down Value Method over the useful lives of the assets as specified in Schedule II to the Companies Act, 2013. Intangible assets are amortised on Straight Line Method over a period of 3 years. Improvement to Leasehold Properties are amortised on Straight Line Method over the period of lease.

- b) The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and changes, if any, are accounted in the period in which the estimates are revised.
- c) The Company depreciates components of the main asset that are significant in value and have different useful lives as compared to the main asset separately.
- d) The spare parts are depreciated over the estimated useful life based on internal technical assessment.
- e) Expenditure on major repairs and overhauls which qualify for recognition in the item of Property, Plant and Equipment and which result in additional useful life, is depreciated over the extended useful life of the asset as determined by technical evaluation.
- f) Depreciation is charged on additions / deletions on pro-rata monthly basis including the month of addition/deletion.

C. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

NOTES FORMING PART OF FINANCIAL STATEMENTS

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. Right-of-use assets are tested for impairment whenever there is an indication that their carrying value may not be recoverable. Impairment loss if any is recognized in the Statement of profit and loss account.

The lease liability is measured at amortized cost, at the present value of the future lease payments. The lease payments are discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Company recognises the lease payments associated with these leases as an expense over the lease term.

D. Inventories

Inventories are stated at cost or net realizable value, whichever is lower. Cost of inventories comprises of expenditure incurred in the normal course of business in bringing inventories to their present location, including appropriate overheads apportioned on a reasonable and consistent basis and is determined on the following basis:

- a) Raw materials and finished goods on weighted average basis.
- b) Work in progress at raw material cost plus cost of conversion and other cost including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.
- c) Stores and loose tools on weighted average basis.

Obsolete, slow moving, surplus and defective stocks are identified and where necessary, provision is made for such stocks.

E. Revenue Recognition

Revenue from contracts with customers:

Revenue from contract with customers is recognized upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods or services. Performance obligations are satisfied at the point of time when the customer obtains the controls of the goods.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract. Revenue excludes taxes collected from customers.

NOTES FORMING PART OF FINANCIAL STATEMENTS

Service Income:

Income from annual maintenance services is recognized proportionately over the period of contract as the performance is discharged by the Company and it has the enforceable right to get the payment for the services rendered.

Revenue from Works Contract:

Revenue from works contracts with customer is recognised as the performance obligation is satisfied by transferring a promised good (i.e. an asset) to a customer. For performance obligation satisfied over time, the revenue recognition is made by measuring the progress towards complete satisfaction of performance obligation. The progress is measured by measuring the performance completed to date, considering the proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation. Expected loss, if any, on the contract is recognized as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract.

Interest Income:

Interest income is recognized using Effective Interest Rate (EIR) method.

Dividend Income:

Revenue is recognized when the Company's right to receive the payment has been established.

F. Employee Benefits

Short term employee benefits are recognized as an expense at an undiscounted amount in the Statement of Profit and Loss for the year in which the related services are rendered.

The Company's post-employment benefit consists of provident fund, gratuity and superannuation fund. The Company also provides for leave encashment which is in the nature of long term benefit.

Company's contributions to Provident Fund administered by Regional Provident Fund Authorities and ESIC and Labour Welfare Fund in the case of employees at manufacturing unit at Udhna, which are defined contribution plan, are recognized as an expense in the Statement of Profit and Loss for the year in which the services are rendered and the Company has no further obligation beyond making the contributions.

The Company's contribution to the Provident Fund for employees other than working at manufacturing unit at Udhna, which is a defined benefit plan, is remitted to separate trust established for this purpose and charged to Statement of Profit and Loss. Shortfall, if any, in the fund assets of the Provident Fund Trust, based on the Government specified minimum rate of return, is made good by the Company and charged to Statement of Profit and Loss.

The Company's contribution to Superannuation Fund for Managers/Officers, which is a defined contribution plan, is made to and administered by Life Insurance Corporation of India and is charged to Profit and Loss Account.

The Company operates defined benefit plan for Gratuity. The cost of providing such defined benefit is determined using the projected unit credit method of actuarial valuation made at the end of the year.

Obligations on leave encashment are provided using the projected unit credit method of actuarial valuation made at the end of the year.

Actuarial gains and losses are recognized in other comprehensive income for gratuity and leave encashment.

NOTES FORMING PART OF FINANCIAL STATEMENTS

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognized in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognizes related restructuring costs.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognizes the following changes in the net defined benefit obligation as an expense in the Statement of Profit and Loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

G. Share-based payment arrangements

The stock options granted pursuant to the company's Stock Options Scheme, are measured at the fair value of the options of the grant date. The fair value of the options is treated as discount and accounted as employee compensation cost over the vesting period on a straight line basis.

The amount recognized as expense each year is arrived at based on the number of grants expected to vest. If a grant lapses after the vesting period, the cumulative discount recognized as expense in respect of such grant is transferred to the employee stock option reserve within equity.

H. Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets till the month in which the asset is ready for use. All other borrowing costs are charged to the Statement of Profit and Loss.

I. Segment Accounting

The Company operates in 'Industrial Equipment' segment and there are no other reportable segments as defined under Ind AS 108.

J. Foreign Currency Transactions

Monetary items:

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at spot rates of exchange at the reporting date.

NOTES FORMING PART OF FINANCIAL STATEMENTS

Exchange differences arising on settlement or translation of monetary items including exchange differences arising on a monetary item that forms part of the company's net investment in a foreign operation, are recognised in Statement of Profit and Loss.

Non – Monetary items:

Non-monetary items that are measured in terms of historical cost are recorded at the exchange rates at the dates of the initial transactions.

K. Provisions, Contingent Liabilities and Contingent assets

- a) Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate. The expenses relating to a provision are recognized in the Statement of Profit and Loss net of any reimbursement.
- b) If the effect of time value of money is material, provisions are shown at present value of expenditure expected to be required to settle the obligation, by discounting using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- c) Contingent liabilities are possible obligations arising from past events and whose existence will only be confirmed by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability. Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.
- d) Contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent Assets are not recognized but reviewed at each balance sheet date and disclosure is made in the notes where inflow of economic benefit is probable.

L. Fair Value measurement

- a) The Company measures financial instruments at fair value at each Balance Sheet date.
- b) Fair value is the price that would be received on selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date.
- c) While measuring the fair value of an asset or liability, the Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure the fair value using observable market data as far as possible and minimising the use of unobservable inputs. Fair values are categorised into 3 levels as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the assets or liability, either directly (i.e. as prices for similar item) or indirectly (i.e. derived from prices).

Level 3: Inputs that are not based on observable market data (unobservable inputs).

NOTES FORMING PART OF FINANCIAL STATEMENTS

M. Financial Instruments

i. Financial Assets other than derivatives

The initial recognition of financial assets is made only when the company becomes a party to the contractual provisions of the instrument. Initial measurement of financial assets is made at fair values including transaction costs that are attributable to the acquisition of the financial asset.

The subsequent measurement of a financial asset is made at amortised cost if the asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and the contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Amortised cost is net of any write down for impairment loss (if any) using the Effective Interest Rate (EIR) method taking into account any discount or premium and fees or costs that are an integral part of the EIR.

Investments in subsidiaries are accounted for and measured at cost (fair value as deemed cost on first time adoption) in financial statements.

Investments in equity other than subsidiaries are accounted for and measured at fair value through profit or loss.

A financial asset is derecognised either partly or fully to the extent the rights to receive cash flows from the asset have expired and / or the control on the asset has been transferred to a third party. On de-recognition, any gains or losses are recognised in the Statement of Profit and Loss.

ii. Financial Liabilities other than derivatives

The initial recognition of financial liabilities is made only when the company becomes a party to the contractual provisions of the instrument. Initial measurement of financial liabilities is made at fair values net of transaction costs that are attributable to the liability.

After initial recognition, financial liabilities are subsequently measured at amortised cost using the effective interest rate method ("EIR"). Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

iii. Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require specified payments to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognised less cumulative amortisation. Where guarantees in relation to loans or other payables of subsidiary and related party are provided for no compensation, the fair values are accounted for as contributions and recognised as fees receivable under "other financial assets" or as a part of the cost of the investment, depending on the contractual terms.

NOTES FORMING PART OF FINANCIAL STATEMENTS

iv. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

N. Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current if they are expected to be realised / settled within twelve months after the reporting period. All other assets and liabilities are considered as non-current.

O. Impairment

Non-financial Assets

At each Balance Sheet date, an assessment is made of whether there is any indication of impairment. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the recoverable amount of assets. The recoverable amount is the higher of fair value less costs of disposal in respect of the asset or Cash-Generating Units (CGU) and their value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount and impairment loss is charged to profit and loss.

Financial Assets

The Company assesses at each date of Balance Sheet whether a financial asset or group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Company recognises lifetime expected losses for all contract assets and /or all trade receivables that do not contain a significant financing component. For all other financial assets, expected credit losses are measured at an amount equal to the 12 – month expected credit losses if the credit risk on the financial asset had not increased significantly since initial recognition or at an amount equal to the life time expected credit losses if the credit risk on the financial asset had increased significantly since initial recognition.

P. Non Current Asset Held for Sale

Non-Current assets are classified as held for sale if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of held for sale is met when the non-current asset is available for immediate sale and the same is highly probable of being completed within one year from the date of classification as held for sale. Non-Current assets held for sale are measured at the lower of carrying amount and fair value less cost to sell. Non-current assets that ceases to be classified as held for sale are measured at the lower of carrying amount before the non-current asset was classified as held for sale adjusted for any depreciation/ amortization and its recoverable amount at the date when the non-current assets no longer meets the "Held for sale" criteria.

Q. Taxes on Income

Current Tax

Income-tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

NOTES FORMING PART OF FINANCIAL STATEMENTS

Minimum Alternate Tax ('MAT') paid under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. Such an asset is reviewed at each Balance Sheet date.

Deferred tax

Deferred tax (both assets and liabilities) is calculated using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The amount of deferred tax assets is reviewed at each reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current tax and Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

R. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, adjusted for the effect of all dilutive potential equity shares.

S. Cash and Cash equivalents

Cash and cash equivalents include cash at bank, cash, cheques and draft on hand. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

NOTES FORMING PART OF FINANCIAL STATEMENTS

Note No. 4.2

Recent pronouncements

Ministry of Corporate Affairs (MCA) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23rd March 2022, MCA amended the Companies (Indian Accounting Standards) Rules, 2022. The effective date for adoption of these amendments is annual period beginning on or after 1st April 2022. The amendments are as below.

(i) Ind AS 16 – Property, plant and equipment

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

(ii) Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of Property, plant and equipment used in fulfilling the contract). Although effective date for adoption for this amendment is 1st April, 2022, early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material on its financial statements.

(iii) Ind AS 103 - Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities, in the 'Conceptual Framework for Financial Reporting' under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India, at the acquisition date. These changes do not significantly change the existing requirements of Ind AS 103. The amendment does not have impact on the Company's financial statements.

(iv) Ind AS 109 - Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity should include when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The amendment removes the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any material impact on its financial statements.

In financial year 2018-19 the Company had decided to sell a part of Land, Building and Capital work in progress amounting to Rs. 1,779.39 Lakhs out of the total factory land and building located in Surat. The part of Land and Building was classified and presented as "held for sale" and was carried at the lower of carrying value and fair value as at 31st March 2019.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

During the year, the Company had entered into Memorandum of Understanding(MOU) with the proposed buyer for the sale of this part of the asset on 14th August 2021. Subsequently, the MOU with the proposed buyer for the sale of this part of the asset did not materialise and the parties to the MOU called off the deal. The advance received towards the proposed sales amounting to Rs. 406.80 lakhs has been refunded in April 2022 to the proposed buyer by the Company. The management of the Company is looking for a new buyer and is hopeful to finalise and execute the deal in near future. Based on these current development, the Company has evaluated the current position and has concluded that the carrying value of the "asset held for sale" is lower than the fair value of the asset.

Note :

a) The Company had exercised the option of fair value as deemed cost for Property, Plant and Equipment on the date of transition to Ind-AS i.e; 1st April 2016. Ind AS required entities to account for deferred taxes using the Balance Sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the Balance Sheet and its tax Base. Accordingly deferred tax liability on account of fair valuing of Land was calculated in previous year.

Under Section 55(2)(b)(i) of Income Tax Act 1961, "fair market value of capital assets means where the capital asset became the property of the assessee before the 1st day of April, 2001, the cost of acquisition of the asset to the assessee or the fair market value of the asset on the 1st day of April, 2001, shall be considered at the option of the assessee."

Accordingly deferred tax liability on account of fair value of Land is calculated and reviewed at each reporting date as required by Ind AS - 12 'Income Taxes' for changes in respect of temporary differences which have been recognised in previous periods. In F.Y. 2018-19, the Company has opted to choose the fair market value of the land as on 01.04.2001 as its cost of acquisition in accordance with Section 55(2)(b)(i) of Income Tax Act 1961. This has resulted in creation of deferred tax credit during the year of Rs. 58.56 Lakhs (P.Y. Rs. 43.92 Lakhs) which is part of deferred tax (charge)/credit of Rs. (80.07) Lakhs (P.Y. Rs. 94.63 Lakhs) for the year ended 31st March 2022.

b) Deferred tax Asset on unabsorbed depreciation, unabsorbed business losses and other temporary differences available as per the Income Tax Act, 1961 had been recognised, since it is probable that taxable profit will be available to adjust them in future years. Unabsorbed depreciation can be carried forward and set off against the profits for infinite number of years under the Income Tax Act, 1961 and profitability projections based on current margins show sufficient profits for set off in future.

c) The Taxation Laws (Amendment) Act, 2019 was enacted on 11th December 2019. It amended the Income Tax Act, 1961 and the Finance Act (No. 2) Act, 2019. It provides domestic companies with an option to opt for lower tax rate, provided they do not claim certain deductions. The Company has not exercised the option to opt for lower tax rate and has presently considered the rate existing prior to the amendment. The Company shall evaluate the option to opt for lower tax rate once it utilises the entire carried forward losses and MAT credit available under the Income Tax Act.

b. Measurement of fair values:

The following tables shows the valuation techniques used in measuring Level 2 fair values.

Type	Valuation technique
Fixed Rate Borrowings	Discounted cash flows: The valuation model considers the present value of expected payment discounted using appropriate discounting rates.

c. Financial risk management

The Company has exposure to the Credit risk, Liquidity risk and Market risk arising from financial instruments.

Risk Management Framework: The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established the Risk Management Committee (RMC), which is responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits to control / monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is approved by the Board of Directors.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

d. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables.

Trade receivables: The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

The following table provides information about the exposure to credit risk and measurement of loss allowance using lifetime expected credit loss for trade receivables:

f. Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices, will affect the Company's income or the value of its financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables, long term debt and commodity prices. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and commodity price risk.

g. Interest rate risk:

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest-bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through the Statement of profit and loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest-bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to Interest rate risk:

The Company's interest rate risk arises from borrowings. The interest rate profile of the Company's interest-bearing long term financial instruments is as follows:

(Rs In Lakhs)

Particulars	31 st March 2022	31 st March 2021
Fixed-rate instruments	2,499.26	2,810.88
Variable-rate instruments	1,608.52	1,684.52
Total	4,107.78	4,495.40

h. Currency risk:

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee.

To the extent the exposures on purchases and borrowings are not economically hedged by the foreign currency denominated receivables, the Company uses derivative instruments, like, foreign exchange forward contracts to mitigate the risk of changes in foreign currency exchange and principal only swap rates. Company does not use derivative financial instruments for trading or speculative purposes.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies including the use of derivatives like foreign exchange forward contracts to hedge exposure.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Note No. 37: Assessment of implication of COVID – 19 pandemic on Standalone financial statement

The spread and ongoing impact of COVID -19 pandemic is causing significant disturbance and slowdown of economic activity. During the year ended 31st March 2022, uncertainties caused by the pandemic has resulted in limited availability of workforce, disrupted supply chain and delayed offtake from customers. The Company has evaluated the impact of this pandemic on its business operations, liquidity and financial position based on internal and external information available up to the date of approval of these Standalone financial statements and expects to recover the carrying values of its assets.

The impact assessment of COVID -19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these Standalone financial statements. The Company will continue to monitor any material changes to future economic conditions.

Note No. 38

The Board of Directors of AESA Air Engineering SA, France which is a step-down subsidiary, had filed Judiciaire Redressment under French Law on 6th July 2020. The French Court had passed an interim order on 18th November 2020 taking cognizance of the situation and pronounced the 'liquidation judicial' of AESA Air Engineering SA France including its three step down subsidiaries and appointed a Liquidator. Thus the Company had no control over the said step-down subsidiary companies and hence it cease to be step down subsidiary of the Company from financial year 2020-21.

Note No. 39: Code on Social Security,2020

The Code on Social Security, 2020 ("Code") relating to employee benefits during the employment and post-employment benefits has been published in the Gazette of India on 28th September 2020. The Ministry of Labour and Employment has released draft rules for the Code on 13th November 2020. The effective date from which these changes are applicable is yet to be notified. The Company will assess and record the impact, if any when the rules are notified, and the Code becomes effective.

Note No. 40: Additional Regulatory Disclosures:

- i) a) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Company (Ultimate Beneficiaries).
- b) The Company has not received any fund from any party(s) (Funding Party) with the understanding that the Company shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- ii) For the year ended 31st March 2022, there are no instances of transactions not recorded in the books of account, which have been surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- iii) The Company has not traded or invested in Crypto currency or Virtual Currency during the year.

INDEPENDENT AUDITOR'S REPORT

To the Members of Batliboi Limited

Report on the Audit of the Consolidated Ind AS Financial Statements

1. Opinion

We have audited the Consolidated Ind AS financial statements of Batliboi Limited ("the Holding Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2022, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at 31st March, 2022, the Consolidated loss and consolidated total other comprehensive income, Consolidated changes in equity and its Consolidated cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 ("the Act") and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Consolidated Ind AS financial statements.

3. Emphasis of Matter

We draw attention to Note 40 of the Consolidated Ind AS financial statements, as regards to Group's assessment of the financial impact of COVID – 19 pandemic situations on the Consolidated Ind AS financial statements, the assessment thereof by the Group based on its internal, external and macro factors, involving certain estimation uncertainties.

Our Opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS financial statements of the current year. These matters were addressed in the context of our audit of the Consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report which is based on audit procedures performed by us.

Sr. No.	Key Audit Matter	Auditor's Response
1)	<p><u>Evaluation of Contingent Liabilities</u> –</p> <p>The Holding Company has disclosed the contingent liability on account of sales tax, excise duty, TDS and claims not acknowledged as debts against the Holding Company relating to various business operations and human resource cases. The management has applied significant judgment to determine the possible outcome of these disputes and no provision relating to these liabilities has been taken in the Consolidated Ind AS financial statements as on 31st March 2022.</p> <p>Refer note 26 (a) of the Consolidated Ind AS Financial Statements for disclosure of Contingent Liabilities.</p>	<p>We have followed the following audit procedures:</p> <p>a) Evaluated the design and tested the operating effectiveness of the relevant controls, through combination of procedures involving inquiry and observation, reperformance and inspection of evidence in respect of operation of these controls to assess how the Holding Company monitors the disputed tax liabilities, court cases, related developments and their assessment of the potential impact on the Holding Company.</p> <p>b) For uncertain disputed taxes and court cases, obtained details of tax assessments, appeal order, court status, court orders and demands from management of the Holding Company.</p> <p>c) Evaluated the Holding Company management's underlying assumptions of the validity and adequacy of provisions for uncertain disputed taxes, court cases and evaluating the basis of determination of the possible outcome of the disputes. Also considered legal precedence and other rulings and read, where applicable, external advice sought by the Holding Company for these uncertain disputed taxes, court cases and reviewed related correspondence in evaluating management's position on these uncertain disputed taxes and court cases.</p>

5. Information other than the Consolidated Ind AS financial statements and Auditor's report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report, Corporate Governance Report and Management Discussion and Analysis, but does not include the Consolidated Ind AS financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance of the Holding Company and determine the actions under the applicable laws and regulations.

6. Responsibilities of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance, Consolidated total comprehensive income, Consolidated changes in equity and Consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Ind AS financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the Company's financial reporting process.

7. Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with Standard on auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the Consolidated Ind AS financial statements of such entities included in the Consolidated Ind AS financial statements. For the other entities included in the Consolidated Ind AS financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Other Matters

We did not audit the financial statements / financial information of three subsidiary companies (including 2 Step-down subsidiaries), whose financial statements include excluding consolidation eliminations reflect total assets of Rs. 9,316.29 Lakhs as at 31st March 2022, total revenue of Rs. 5,129.86 Lakhs, total profit/(loss) after tax of Rs. 143.67 Lakhs and net cash inflows amounting to Rs. 610.49 Lakhs for the year then ended, as considered in the Consolidated Ind AS financial statements. These financial statements/ financial information have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the Consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiaries company and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the report of the other auditor.

Our opinion on the Consolidated Ind AS financial statements and our report on Other Legal and Regulatory requirements below is not modified in respect to our reliance on the work done and the reports of the other auditors.

9. Report on Other Legal and Regulatory Requirements

- i. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- ii. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statement and the other financial information of subsidiary companies, as noted in the 'Other Matter' paragraph, we report to the extent applicable that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of Consolidated Ind AS financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS financial statements have been kept so far as appears from our examination of those books and the reports of the other auditor.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the relevant books of account maintained for preparation of Consolidated Ind AS Financial Statements.
 - d. In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e. On the basis of the written representations received from the directors of the Holding Company as on 31st March 2022 taken on record by the board of directors of the Holding Company, none of the Directors are disqualified as on 31st March 2022, from being appointed as a director in terms of sub-section 2 of Section 164 of the Act. According to information and explanations provided to us, sub-section 2 of section 164 of the Act is not applicable to subsidiary companies as these are not incorporated in India.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'. According to information and explanations provided to us, clause (i) sub-section 3 of section 143 of the Act is not applicable to subsidiary companies as these are not incorporated in India.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'Other matter' paragraph:
 - i. The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Ind AS financial statements – Refer Note 26(a) to the Consolidated Ind AS financial statements;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.
 - iv. (a) The Management has represented that no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Reporting under Rule 11(e) is not applicable to any of the Subsidiary Companies in the Group as they are incorporated outside India hence reporting under the said clause has been only with respect to the Holding Company. (Refer Note 43 (i)(a) to Consolidated Ind AS financial statements);

- (b) The Management has represented that no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Reporting under Rule 11(e) is not applicable to any of the Subsidiary Companies in the Group as they are incorporated outside India hence reporting under the said clause has been only with respect to the Holding Company. (Refer Note 43 (i)(b) to Consolidated Ind AS financial statements); and
- (c) Based on audit procedures that have been considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Holding Company has not paid dividend during the year and has not declared any dividend during the year, accordingly compliance with provisions of Section 123 of the Companies Act, 2013 is not applicable. Reporting under Rule 11(f) is not applicable to any of the Subsidiary Companies in the Group as they are incorporated outside India hence reporting under the said clause has been only with respect to the Holding Company.

Annexure B to the Independent Auditor's Report

Annexure referred to in para 9(ii)(f) to the Independent Auditor's Report of even date to the members of Batliboi Limited on the Consolidated Ind AS financial statements for the year ended 31st March 2022.

Report on the Internal Financial Control under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of Batliboi Limited ("the Holding Company"), as of 31st March 2022 in conjunction with our audit of the Consolidated Ind AS financial statements for the year ended on that date.

In our opinion the Holding Company which is incorporated in India, has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Note No. 1

Company Overview

Batliboi Ltd (the Holding Company) and its subsidiaries (collectively referred to as “the Group”), is engaged in manufacture and trading of machine tool and textile engineering machines. The Holding Company is a public limited Company incorporated and domiciled in India. The Registered Office of the Holding Company is situated in Mumbai. Its shares are listed on Bombay Stock Exchange (BSE).

Note No. 2

Basis for preparation and measurement

i. Basis of preparation:

The Consolidated Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (Act) read with Rule 4A of Companies (Accounts) Second Amendment Rules, 2015, Companies (Indian Accounting Standards) Rules, 2015 and the other relevant provisions of the Act and Rules thereunder.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

ii. Basis of measurement:

The Consolidated financial statements have been prepared on accrual basis and in accordance with historical cost convention basis, except for certain financial assets and financial liabilities which have been measured at fair value in accordance with Ind AS. All assets and liabilities are classified into current and non-current generally based on the nature of product/activities of the Group and the normal time between acquisition of assets/liabilities and their realisation/settlement in cash or cash equivalent. The Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

iii. Presentation of Consolidated Financial Statements:

The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in equity and Consolidated Cash Flow Statement are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 (“the Act”). The disclosure requirements with respect to items in the Consolidated Balance Sheet and Consolidated Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the Consolidated financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

iv. Functional and presentation Currency:

The Holding Company’s presentation and functional currency is Indian Rupees (₹) and all values are rounded off to the nearest lakhs (INR 00,000), except when otherwise indicated.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Note No. 3

Basis of Consolidation

Subsidiaries:

The Consolidated financial statements have been prepared on the following basis:

- Subsidiary Companies are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary companies are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.
- Changes in Company's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the Company's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the company.
- The acquisition method of accounting is used to account for business combinations by the Group.
- The financial statements of Subsidiary Companies used in consolidation are drawn up to the same reporting date as of the Holding Company i.e. year ended 31st March 2022.
- The financial statements of the Holding Company and its subsidiary companies have been combined on a line-by-line basis by adding together the fair values of like items of assets, liabilities, revenues and expenses.
- Intra group balances and intra group transactions and resulting profits are eliminated in full. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.
- Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.
- The Consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the Company's separate financial statements.

The following subsidiary companies are considered in the Consolidated Financial Statements.

Sr. No.	Name of the Subsidiary Company	Country Domiciled/ Incorporated	% of holding either directly or through subsidiaries		Date since it became subsidiary

- 4 AESA Air Engineering SA France had filed Judiciaire Redressment under the French Law on 6th July 2020. The French Court had passed an interim order on 18th November 2020 taking cognizance of the situation and pronounced the 'liquidation judicial' of AESA Air Engineering SA France including its three step down subsidiaries and appointed a Liquidator as intimated by the Company vide its letter dated 29th March 2021. Consequently, the parent company lost control over these four step down subsidiaries and these are not consolidated effective from 29th March 2021.

Note No. 4

Business Combinations

The Holding Company accounts for its business combinations under acquisition method of accounting. Acquisition related costs are recognised in profit and loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognised at the fair values at the acquisition date.

Purchase consideration paid in excess of the fair values of net assets acquired is recognised as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognised as capital reserve.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

Business combinations arising from transfer of interests in entities that are under the common control are accounted at historical cost. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity are recorded in shareholders' equity.

Note No. 5

Use of Judgement, Assumptions and Estimates

The preparation of the Group's Consolidated financial statements requires management to make informed

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

judgements, reasonable assumptions and estimates that affect the amounts reported in the Consolidated financial statements and notes thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Changes in accounting estimates are reflected in the Consolidated financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the Consolidated financial statements.

In the assessment of the Holding Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the Consolidated financial statements relate to the following areas:

- Financial instruments;
- Useful lives of property, plant & equipment;
- Valuation of inventories;
- Measurement of recoverable amounts of assets / cash-generating units;
- Assets and obligations relating to employee benefits;
- Evaluation of recoverability of deferred tax assets;
- Leases;
- Assets Held for Sale; and
- Provisions and Contingencies.

Note No.6.1

SIGNIFICANT ACCOUNTING POLICIES

A. Property, Plant and Equipments -

- a) The cost of an item of property, plant and equipment is recognized as an asset only if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.
- b) Property, plant and equipment are stated at cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment loss, if any.
- c) The initial cost of an asset comprises its purchase price or construction cost (including import duties and non-refundable taxes), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, estimate of any decommissioning obligation (if any) and the applicable borrowing cost till the asset is ready for its intended use.
- d) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.
- e) Where the cost of a part of asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately, and such asset component is depreciated over its separate useful life.
- f) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds if any and the carrying amount of the asset) is included in the Consolidated Statement of Profit and Loss when the asset is derecognised.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

- g) Spare parts which meet the definition of property plant and equipment are capitalized as property, plant and equipment. In other cases, the spare parts are inventorised on procurement and charged to Consolidated Statement of Profit and Loss on issue/consumption.
- h) When significant parts of property, plant and equipment are required to be replaced at intervals, the Group derecognises the replaced part and recognises the new part with its own associated useful life and it is depreciated accordingly. All other repair and maintenance cost are recognised in the Consolidated Statement of Profit and Loss as and when incurred.
- i) Property, Plant and Equipment which are not ready for intended use as on date of Consolidated Balance Sheet are disclosed as 'Capital Work in Progress'.
- j) On transition to Ind AS Land, Building and Plant and Machinery has been measured at fair value as deemed cost as on the date of transition as per the option available to the Holding Company in accordance with Ind AS 101 – First Time Adoption of Indian Accounting Standard.

B. Depreciation

a) Depreciation policy in case of Holding Company:

i. For Manufacturing unit at Udhna and Windmill -

Depreciation on property, plant and equipment in Holding Company's books is provided on the straight-line basis over the useful lives of assets (after retaining the residual value of up to 10% for factory building, plant and machinery and 5% for other assets). The useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act except in case of Factory Building. In case of Factory Building depreciation is provided over their remaining useful life as on the date of transition to Ind AS.

ii. For all other units:

Depreciation on tangible assets is provided on Written Down Value Method over the useful lives of the assets as specified in Schedule II to the Companies Act, 2013. Intangible assets are amortised on Straight Line Method over a period of 3 years. Improvement to Leasehold Properties are amoritised on Straight Line Method over the period of lease.

b) Depreciation policy in case of Overseas Subsidiaries:

Depreciation on Property, Plant and Equipment of the overseas subsidiaries is provided over its economic life determined by the management of the respective subsidiaries and are determined in accordance with laws applicable in countries where such operations are domiciled as given below:

Assets	Quick mill Inc., Canada	760 Rye street INC, Canada	Aesa Air Engineering, SA France* #
Building	-	4% on written Down Value	15 years Straight line
Leasehold Improvements	50% on Written Down Value	-	-
Machinery & Equipment	20% on Written Down Value	-	3-10 years Straight line
Furniture and fixture	20% on Written Down Value	-	10 years Straight line
Computers/office Equipment	30% on Written Down Value	-	1-7.5 years Straight line
Computer software	100% on Straight line	-	1-3 years Straight line

*Aesa Air Engineering ,SA France and its subsidiaries.

Depreciation charged to Consolidated Statement of profit and loss for the period upto 30th June 2020 for the financial year 2020-21 with respect to AESA Air Engineering SA France and its subsidiaries.

There are no Property, Plant and Equipment in any of the other subsidiaries except for the above mentioned subsidiaries.

- c) The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and changes, if any, are accounted in the period in which the estimates are revised.
- d) The group depreciates components of the main asset that are significant in value and have different useful lives as compared to the main asset separately.
- e) The spare parts are depreciated over the estimated useful life based on internal technical assessment.
- f) Expenditure on major repairs and overhauls which qualify for recognition in the item of Property, Plant and Equipment and which result in additional useful life, is depreciated over the extended useful life of the asset as determined by technical evaluation.
- g) Depreciation is charged on additions / deletions on pro-rata monthly basis including the month of addition / deletion.

C. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. Right-of-use assets are tested for impairment whenever there is an indication that their carrying value may not be recoverable. Impairment loss if any is recognized in the Consolidated Statement of Profit and Loss.

The lease liability is measured at amortized cost, at the present value of the future lease payments. The lease payments are discounted using the Holding Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if the Group changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Group recognises the lease payments associated with these leases as an expense over the lease term.

D. Inventories

Inventories are stated at cost or net realizable value, whichever is lower. Cost of inventories comprises of expenditure incurred in the normal course of business in bringing inventories to their present location, including appropriate overheads apportioned on a reasonable and consistent basis and is determined on the following basis:

- a) Raw materials and finished goods on weighted average basis.
- b) Work in progress at raw material cost plus cost of conversion.
- c) Stores and loose tools on weighted average basis.

Obsolete, slow moving, surplus and defective stocks are identified and where necessary, provision is made for such stocks.

E. Revenue Recognition

Revenue from contracts with customers:

Revenue from contract with customers is recognized upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those goods or services. Performance obligations are satisfied at the point of time when the customer obtains the control of the goods.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract. Revenue excludes taxes collected from customers.

Service Income:

Income from annual maintenance services is recognized proportionately over the period of contract as the performance is discharged by the Group and it has the enforceable right to get the payment for the services rendered.

Revenue from Works Contract:

Revenue from works contracts with customer is recognised as the performance obligation is satisfied by transferring a promised good (i.e. an asset) to a customer. For performance obligation satisfied over time, the revenue recognition is made by measuring the progress towards complete satisfaction of performance obligation. The progress is measured by measuring the performance completed to date, considering the proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation. Expected loss, if any, on the contract is recognized as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract.

Interest Income:

Interest income is recognized using Effective Interest Rate (EIR) method.

Dividend Income:

Revenue is recognized when the Company's right to receive the payment has been established.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

F. Employee Benefits

Short term employee benefits are recognized as an expense at an undiscounted amount in the Consolidated Statement of Profit and Loss for the year in which the related services are rendered.

The Holding Company's post-employment benefit consists of provident fund, gratuity and superannuation fund. The Holding Company also provides for leave encashment which is in the nature of long-term benefit.

The Holding Company's contributions to Provident Fund administered by Regional Provident Fund Authorities and ESIC and Labour Welfare Fund in the case of employees at manufacturing unit at Udhna, which are defined contribution plans, are recognized as an expense in the Consolidated Statement of Profit and Loss for the year in which the services are rendered and the Holding Company has no further obligation beyond making the contributions.

The Holding Company's contribution to the Provident Fund for employees other than working at manufacturing unit at Udhna, which is a defined benefit plan, is remitted to separate trust established for this purpose and charged to Consolidated Statement of Profit and Loss. Shortfall, if any, in the fund assets of the Provident Fund Trust, based on the Government specified minimum rate of return, is made good by the Holding Company and charged to Consolidated Statement of Profit and Loss. The Holding Company's contribution to Superannuation Fund for Managers/Officers, which is a defined contribution plan, is made to and administered by Life Insurance Corporation of India and is charged to Consolidated Statement of Profit and Loss.

The Holding Company operates defined benefit plan for Gratuity. The cost of providing such defined benefit is determined using the projected unit credit method of actuarial valuation made at the end of the year.

Obligations on leave encashment are provided using the projected unit credit method of actuarial valuation made at the end of the year.

Actuarial gains and losses are recognized in other comprehensive income for gratuity and leave encashment.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the Consolidated Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognized in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Holding Company recognizes related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Holding Company recognizes the following changes in the net defined benefit obligation as an expense in the Consolidated Statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

In case of one of the foreign subsidiary contributions towards pension plan to employees which are charged to Consolidated statement of profit and loss in the period when the Company is obligated to make contributions for services rendered by the employee. The subsidiaries have no further obligation beyond making the contribution. The difference between the accrual amounts and actuarial valuations are not expected to be material.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

G. Share-based payment arrangements

The stock options granted pursuant to the Holding Company's Stock Options Scheme, are measured at the fair value of the options of the grant date. The fair value of the options is treated as discount and accounted as employee compensation cost over the vesting period on a straight-line basis.

The amount recognized as expense each year is arrived at based on the number of grants expected to vest. If a grant lapses after the vesting period, the cumulative discount recognized as expense in respect of such grant is transferred to the employee stock option reserve within equity.

H. Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets till the month in which the asset is ready for use. All other borrowing costs are charged to the Consolidated Statement of Profit and Loss.

I. Segment Accounting

The Group operates in 'Industrial Equipment' segment and there are no other reportable segments as defined under Ind AS 108.

J. Foreign Currency Transactions

The functional currency of the Holding company is the Indian Rupees whereas the functional currency of foreign subsidiaries is the currency of their countries of domicile.

Non – Monetary items:

Non-monetary items that are measured in terms of historical cost are recorded at the exchange rates at the dates of the initial transactions.

Monetary items:

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items including exchange differences arising on a monetary item that forms part of the Holding Company's net investment in a foreign operation are recognised initially in OCI. These exchange differences are reclassified from equity to profit or loss on disposal of the net investment.

On Consolidation, all assets and liabilities of foreign operations are translated into INR at the rate of exchange prevailing at the reporting date and their Statements of profit or loss are translated at exchange rates prevailing at the dates of the transactions. For practical reasons, the group uses an average rate to translate income and expense items, if the average rate approximates the exchange rates at the dates of the transactions. The exchange differences arising on translation for consolidation are recognised in OCI. On disposal of a foreign operation, the component of OCI relating to that particular foreign operation is recognised in profit or loss.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

K. Provisions, Contingent Liabilities and Contingent assets

- a) Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expenses relating to a provision are recognized in the Consolidated Statement of Profit and Loss net of any reimbursement.
- b) If the effect of time value of money is material, provisions are shown at present value of expenditure expected to be required to settle the obligation, by discounting using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- c) Contingent liabilities are possible obligations arising from past events and whose existence will only be confirmed by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group, or present obligations where it is not probable that an outflow of resources will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability. Contingent liabilities are not recognized in the Consolidated financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.
- d) Contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent Assets are not recognized but reviewed at each Balance Sheet date and disclosure is made in the notes where inflow of economic benefit is probable.

L. Fair Value measurement

- a) The Group measures financial instruments at fair value at each Balance Sheet date.
- b) Fair value is the price that would be received on selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Holding Company has access at that date.
- c) While measuring the fair value of an asset or liability, the Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure the fair value using observable market data as far as possible and minimising the use of unobservable inputs. Fair values are categorised into 3 levels as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the assets or liability, either directly (i.e. as prices for similar item) or indirectly (i.e. derived from prices).

Level 3: Inputs that are not based on observable market data (unobservable inputs).

M. Financial Instruments

i. Financial Assets other than derivatives

The initial recognition of financial assets is made only when the Group becomes a party to the contractual provisions of the instrument. Initial measurement of financial assets is made at fair values including transaction costs that are attributable to the acquisition of the financial asset.

The subsequent measurement of a financial asset is made at amortised cost if the asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and the contractual

NOTES NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Amortised cost is net of any write down for impairment loss (if any) using the effective interest rate (EIR) method taking into account any discount or premium and fees or costs that are an integral part of the EIR.

Investments in subsidiaries are accounted for and measured at cost (fair value as deemed cost on first time adoption) in Standalone financial statements.

Investments in equity other than subsidiaries are accounted for and measured at fair value through profit or loss.

A financial asset is derecognised either partly or fully to the extent the rights to receive cash flows from the asset have expired and / or the control on the asset has been transferred to a third party. On de-recognition, any gains or losses are recognised in the Consolidated Statement of Profit and Loss.

ii. Financial Liabilities other than derivatives

The initial recognition of financial liabilities is made only when the Group becomes a party to the contractual provisions of the instrument. Initial measurement of financial liabilities is made at fair values net of transaction costs that are attributable to the liability.

After initial recognition, financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate method ("EIR"). Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Consolidated Statement of Profit and Loss.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Consolidated Statement of Profit and Loss.

iii. Financial guarantee contracts

Financial guarantee contracts issued by the group are those contracts that require specified payments to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognised less cumulative amortisation. Where guarantees in relation to loans or other payables of related party are provided for no compensation, the fair values are accounted for as contributions and recognised as fees receivable under "other financial assets" or as a part of the cost of the investment, depending on the contractual terms.

iv. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

N. Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current if they are expected to be realised / settled within twelve months after the reporting period. All other assets and liabilities are considered as non-current.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

O. Impairment

Non-financial Assets

At each Balance Sheet date, an assessment is made of whether there is any indication of impairment. If any indication exists, or when annual impairment testing for an asset is required, the group estimates the recoverable amount of assets. The recoverable amount is the higher of fair value less costs of disposal in respect of the assets or Cash-Generating Units (CGU) and their value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount and the impairment loss is charged to Consolidated Profit and Loss.

Financial Assets

The Group assesses at each date of Balance Sheet whether a financial asset or group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Group recognises lifetime expected losses for all contract assets and /or all trade receivables that do not contain a significant financing component. For all other financial assets, expected credit losses are measured at an amount equal to the 12 – month expected credit losses if the credit risk on the financial asset had not increased significantly since initial recognition or at an amount equal to the lifetime expected credit losses if the credit risk on the financial asset had increased significantly since initial recognition.

P. Non-Current Asset Held for Sale

Non-current assets are classified as held for sale if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of held for sale is met when the non-current asset is available for immediate sale and the same is highly probable of being completed within one year from the date of classification as held for sale. Non-current assets held for sale are measured at the lower of carrying amount and fair value less cost to sell. Non-current assets that cease to be classified as held for sale are measured at the lower of carrying amount before the non-current asset was classified as held for sale adjusted for any depreciation/ amortization and its recoverable amount at the date when the non-current assets no longer meet the “Held for sale” criteria.

Q. Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in the Consolidated Statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly or indirectly in equity respectively.

Current Income Taxes

Income-tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

The Current Income tax expense includes income taxes payable by the Holding Company and its subsidiaries in India and overseas. The current tax payable by the Company and its subsidiaries in India is Indian Income tax payable on worldwide Income.

The Current Income tax expense for overseas subsidiaries has been computed based on the tax laws applicable to each subsidiary in the respective jurisdiction in which it operates.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Advance taxes and provisions for current income taxes are presented in the Consolidated Balance sheet after offsetting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying units intends to settle the asset and liability on net basis.

Minimum Alternate Tax ('MAT') paid under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Consolidated Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Holding Company will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. Such an asset is reviewed at each Balance Sheet date.

Deferred taxes

Deferred income tax is recognized using the Balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of goodwill or on asset and liability in a transaction that is not a business combination and effects neither accounting nor taxable profit or loss at the time of the transactions.

Deferred income tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax liabilities are recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets and liabilities are measured using substantively enacted rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax assets and liabilities are off set when they relate to incomes taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on net basis.

Deferred tax assets include Minimum Alternate tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as asset in the Consolidated Balance Sheet when the asset can be measured reliability and it is probable that the future economic benefit associated with the asset will be realized.

R. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, adjusted for the effect of all dilutive potential equity shares.

S. Cash and Cash equivalents

Cash and cash equivalents include cash at bank, cash, cheques and draft on hand. The group considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Cash Flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

Note No.6.2

Recent pronouncements

Ministry of Corporate Affairs (MCA) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23rd March 2022, MCA amended the Companies (Indian Accounting Standards) Rules, 2022. The effective date for adoption of these amendments is annual period beginning on or after 1st April 2022. The amendments are as below.

(i) Ind AS 16 – Property, plant and equipment

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the Group is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Group does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its Consolidated financial statements.

(ii) Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of Property, plant and equipment used in fulfilling the contract). Although effective date for adoption for this amendment is 1st April, 2022, early adoption is permitted. The Group has evaluated the amendment and the impact is not expected to be material on its Consolidated financial statements.

(iii) Ind AS 103 - Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities, in the 'Conceptual Framework for Financial Reporting' under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India, at the acquisition date. These changes do not significantly change the existing requirements of Ind AS 103. The amendment does not have impact on the Group's Consolidated financial statements.

(iv) Ind AS 109 - Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity should include when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The amendment removes the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Group does not expect the amendment to have any material impact on its Consolidated financial statements.

In financial year 2018-19 the Holding Company had decided to sell a part of Land, Building and Capital work in progress amounting to Rs. 1,779.39 Lakhs out of the total factory land and building located in Surat. The part of Land and Building was classified and presented as "held for sale" and was carried at the lower of carrying value and fair value as at 31st March 2019.

During the year, the Holding Company had entered into Memorandum of Understanding(MOU) with the proposed buyer for the sale of this part of the asset on 14th August 2021. Subsequently, the MOU with the proposed buyer for the sale of this part of the asset did not materialise and the parties to the MOU called off the deal. The advance received towards the proposed sales amounting to Rs. 406.80 lakhs has been refunded in April 2022 to the proposed buyer by the Holding Company. The management of the Holding Company is looking for a new buyer and is hopeful to finalise and execute the deal in near future. Based on these current development, the Holding Company has evaluated the current position and has concluded that the carrying value of the "asset held for sale" is lower than the fair value of the asset.

Note :

a) The Holding Company had exercised the option of fair value as deemed cost for Property, Plant and Equipment on the date of transition to Ind-AS i.e; 1st April 2016. Ind AS required entities to account for deferred taxes using the Balance Sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the Balance Sheet and its tax Base. Accordingly deferred tax liability on account of fair valuation of Land was calculated in previous year.

Under Section 55(2)(b)(i) of Income Tax Act 1961, "fair market value of capital assets means where the capital asset became the property of the assessee before the 1st day of April, 2001, the cost of acquisition of the asset to the assessee or the fair market value of the asset on the 1st day of April, 2001, shall be considered at the option of the assessee."

Accordingly deferred tax liability on account of fair value of Land is calculated and reviewed at each reporting date as required by Ind AS - 12 'Income Taxes' for changes in respect of temporary differences which have been recognised in previous periods. In F.Y. 2018-19, the Holding Company has opted to choose the fair market value of the land as on 01.04.2001 as its cost of acquisition in accordance with Section 55(2)(b)(i) of Income Tax Act 1961. This has resulted in creation of deferred tax credit during the year of Rs. 58.56 Lakhs (P.Y. Rs. 43.92 Lakhs) which is part of deferred tax (charge)/credit of Rs. (60.99) Lakhs (P.Y. Rs. 94.79 Lakhs) for the year ended 31st March 2022.

b) Deferred tax Asset on unabsorbed depreciation, unabsorbed business loss and other temporary differences available as per the Income Tax Act, 1961 had been recognised, since it is probable that taxable profit will be available to adjust them in future years. Unabsorbed depreciation can be carried forward and set off against the profits for infinite number of years under the Income Tax Act, 1961 and profitability projections based on current margins show sufficient profits for set off in future.

c) The Taxation Laws (Amendment) Act, 2019 was enacted on 11th December 2019. It amended the Income Tax Act, 1961 and the Finance Act (No. 2) Act, 2019. It provides domestic companies with an option to opt for lower tax rate, provided they do not claim certain deductions. The Holding Company has not exercised the option to opt for lower tax rate and has presently considered the rate existing prior to the amendment. The Holding Company shall evaluate the option to opt for lower tax rate once it utilises the entire carried forward losses and MAT credit available under the Income Tax Act.

NOTE 31 - FAIR VALUE MEASUREMENTS:

The following disclosures are made as required by Ind AS -113 pertaining to Fair value measurement:

a. Accounting classification and fair values

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

b. Measurement of fair values:

The following tables shows the valuation techniques used in measuring Level 2 fair values.

Type	Valuation technique
Fixed Rate Borrowings	Discounted cash flows: The valuation model considers the present value of expected payment discounted using appropriate discounting rates.

c. Financial risk management

The Group has exposure to the Credit risk, Liquidity risk and Market risk arising from financial instruments.

Risk Management Framework: The Holding Company's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Board of Directors of the Holding Company has established the Risk Management Committee (RMC), which is responsible for developing and monitoring the Group's risk management policies.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits to control / monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

The Group's financial risk management is an integral part of how to plan and execute its business strategies.

The Group's financial risk management policy is approved by the respective Companies Board of Directors.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS:
d. Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables.

Trade receivables: The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

The following table provides information about the exposure to credit risk and measurement of loss allowance using Lifetime expected credit loss for trade receivables:

Cash and cash equivalents:

The Group held cash and cash equivalents of Rs. 1,168.88 lakhs as at 31st March 2022 (31st March 2021: Rs. 537.55 lakhs). The cash and cash equivalents are held with reputed banks.

e. Liquidity Risk:

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

f. Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices, will affect the Group's income or the value of its financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables, long term debt and commodity prices. The Group is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and commodity price risk.

g. Interest rate risk:

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest-bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through the Statement of profit and loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest-bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to Interest rate risk:

Group's interest rate risk arises from borrowings. The interest rate profile of the Group's interest-bearing long-term financial instruments is as follows:

Particulars	(Rs In Lakhs)	
	31st March 2022	31st March 2021
Fixed-rate instruments	3,151.52	3,464.07
Financial liabilities - measured at amortised cost	-	-
Variable-rate instruments	1,608.52	1,690.32
Total	4,760.04	5,154.39

h. Currency risk:

The Group is exposed to currency risk on account of its operating and financing activities. The functional currency of the Holding Company is Indian Rupee.

To the extent the exposures on purchases and borrowings are not economically hedged by the foreign currency denominated receivables, the Group uses derivative instruments, like, foreign exchange forward contracts to mitigate the risk of changes in foreign currency exchange and principal only swap rates. The Group does not use derivative financial instruments for trading or speculative purposes.

The Group evaluates exchange rate exposure arising from foreign currency transactions and the Group follows established risk management policies including the use of derivatives like foreign exchange forward contracts to hedge exposure.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS:**Note No. 40****Assessment of implication of COVID – 19 pandemic on Consolidated financial statement**

The spread and ongoing impact of COVID -19 pandemic is causing significant disturbance and slowdown of economic activity. During the year ended 31st March 2022, uncertainties caused by the pandemic has resulted in limited availability of workforce, disrupted supply chain and delayed offtake from customers. The Group has evaluated the impact of this pandemic on its business operations, liquidity and financial position based on internal and external information available up to the date of approval of these Consolidated financial statements and expects to recover the carrying values of its assets.

The impact assessment of COVID -19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these Consolidated financial statements. The Group will continue to monitor any material changes to future economic conditions.

Note No. 41**Exceptional Item**

- a) The Board of Directors of AESA Air Engineering SA, France which was a step-down subsidiary, had filed Judiciaire Redressment under French Law on 6th July 2020. The French Court had passed an interim order on 18th November 2020 taking cognizance of the situation and pronounced the 'liquidation judicial' of AESA Air Engineering SA France including its three step down subsidiaries and appointed a Liquidator. Thus the Holding Company had no control over the said step-down subsidiary companies and the assets and liabilities of these subsidiaries had been derecognised from the Consolidated financial statements for the year ended 31st March 2021 based on principles of Ind AS 110 ' Consolidated Financial Statement' . The resulting difference on derecognition of assets and liabilities on loss of control of subsidiaries amounting to Rs. 1,399.97 lakhs in accordance with the principles of Ind AS 110 had been recognised as an exceptional item in the Consolidated Statement of profit and loss for the year ended 31st March 2021.
- b) Total Comprehensive Income for the year ended 31st March 2021 of Rs. 859.32 lakhs was after adjusting exceptional item of Rs. 1,399.97 lakhs which has been mentioned in point 41(a) above.

Note No. 42**Code on Social Security, 2020**

The Code on Social Security, 2020 ("Code") relating to employee benefits during the employment and post-employment benefits has been published in the Gazette of India on 28th September 2020. The Ministry of Labour and Employment has released draft rules for the Code on 13th November 2020. The effective date from which these changes are applicable is yet to be notified. The Holding Company will assess and record the impact, if any, when the rules are notified, and the Code becomes effective.

Note No. 43:**Additional Regulatory Disclosures:**

- i) a) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Holding Company (Ultimate Beneficiaries).

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS:

- b) The Holding Company has not received any fund from any party(s) (Funding Party) with the understanding that the Holding Company shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Holding Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- ii) For the year ended 31st March 2022, there are no instances of transactions not recorded in the books of account of the Holding Company, which have been surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- iii) The Holding Company has not traded or invested in Crypto currency or Virtual Currency during the year.
- iv) The Holding Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with the Companies (Restriction on number of Layers) Rules, 2017.
- v) The Holding Company has not undertaken any transactions with companies struck off under section 248 of Companies Act, 2013 or section 560 of the Companies Act, 1956.
- vi) There is no charge form filed beyond the statutory period for registration of charges or satisfaction with Registrar of Companies by the Holding Company.
- vii) The Holding Company has not granted any loans or advances in the nature of loans to its promoters, directors, Key Managerial Personnel's and the related parties, either severally or jointly with any other person, that are repayable on demand and/or without specifying any terms or period of repayment.

For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis,
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.bataliboi.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's [General Circular No. 20/2020](#), dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2023, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January, 13, 2021.

INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Tuesday, 25th July, 2023 at 9.00 a.m. and ends on Thursday, 27th July, 2023 at 5.00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) on Friday, 21st July, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013.

Item No.3

In accordance with the provisions of Section 148 of the Companies Act, 2013, read with the Companies (Audit and Auditors) Rules, 2014, the Company is required to appoint cost auditors to audit the cost records of the Company.

The Board on the recommendation of the Audit Committee has approved the appointment of M/s. V. J. Talati & Co., Cost Accountant to conduct the audit of the cost records of the Company for the Financial Year 2023-24 at a remuneration of Rs. 65,000/- p.a. plus out of pocket expenses incurred, if any in connection with the cost audit.

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14(a)(ii) of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor is required to be ratified by the members of the Company. Accordingly, consent of the Members is sought to ratify the remuneration payable to the Cost Auditor for the financial year 2023-24

The Board recommends the Ordinary Resolution as set out at Item No. 3 of the Notice for the approval of the Members.

None of the Directors / Key Managerial Personnel of the Company / their relatives is in any way concerned or interested financially or otherwise in the Resolution as set out at Item No. 3

Item No. 4 & 5

The Company, in ordinary course of its business enters into transactions inter-alia sale & purchase of goods / services, product development, corporate services and such other forms of transaction as set out in the resolution at Item No. 4 & 5 of the Notice with Batliboi Environmental Engineering Limited and Batliboi International Limited related parties of the Company. These transactions are at arm's length basis and strategically and operationally beneficial to the Company and necessary approvals as required in compliance of the provisions under the Act/ SEBI LODR, 2015 have already been obtained from the Audit Committee/ Board.

As the shareholders are aware that the Company during the current financial year has registered adequate performance i.e. increase of revenue during the financial year 2022-23, due to several factors including favorable market conditions. This has resulted in increased production and consequently increased transactions with the vendors / suppliers / agents / business associates including the related parties.

It may be noted that as per the amended definition provided in the explanation to Regulation 23(1) of SEBI LODR, 2015 which is effective April 01, 2022, a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds Rs.1,000 Crore or ten per cent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity, whichever is lower.

Further, all Material Related Party Transactions require prior approval of the Members through a Resolution and no related party shall vote to approve such resolution whether an entity is a related party to the particular transaction or not.

The transactions with Batliboi Environmental Engineering Limited and Batliboi International Limited for Financial Year 2023-24 are estimated to be Rs. 30.00 Crores (Rupees Thirty Crores) each and this amount exceeds the threshold limit of 10% (ten per cent) of the annual consolidated turnover of the company i.e Rs. 25.38 crore (Rupees Twenty five crores thirty eight lakhs), one of the criteria prescribed above in the amended definition of Material Related Party Transactions and therefore they are Material Related Party Transactions

Approval of the Members of the Company is therefore required in terms of Regulation 23 of the SEBI (LODR), 2015 by way of passing of an Ordinary Resolution for approval to the aforesaid Material Related Party Transactions to be entered for Financial Year 2023-2024

Except Mr. Kabir Bhogilal, Mr. Nirmal Bhogilal, Mrs. Sheela Bhogilal and Mr Sanjiv Joshi None of the Directors / Key Managerial Personnel of the Company/ their relatives is in any way concerned or interested financially or otherwise, in the Resolution as set out at Item No.4 & 5 of the Notice

The Board recommends the Ordinary Resolution set out at Item No.4 & 5 for the approval of the Members.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management of Batliboi Limited presents the analysis of performance of your Company for the year ended 2022-2023 and its outlook for the future. This outlook is based on assessment of the current business environment and the expectations, estimates and projections of the Directors and Management of the Company. It may vary due to future economic and political development, both in the Indian and international economies and due to other factors beyond control.

A. PERFORMANCE AND OUTLOOK

Batliboi Textile Engineering Group

Business Structure

The Textile Engineering Group comprises of Air Engineering and Textile Machinery.

Air Engineering Division is a leading manufacturer of complete systems for humidification and waste collection for Textile Spinning, Weaving and Knitting plants.

Textile Machinery Division supplies high quality imported and indigenous machinery from leading global manufacturers to the Spinning, Knitting, Processing and Garmenting Sectors.

Air Engineering Group:

Industry structure and developments

The textile industry was buoyant and was undergoing capacity expansion with some new green field projects. Because of competition and unusual global increase in raw material prices margins remained under pressure.

Opportunities and threats

Opportunities:

The textile industry continues to do well and with introduction of the PLI scheme prospects of business continue to remain satisfactory and encouraging.

The textile industry in Bangladesh, Uzbekistan and nations in South East Asia are also offering good prospects for business.

Threats Risk & Concern:

The industry is dependent on global demand for textiles and cotton prices. Uncertainty of this could have an impact on this industry.

Outlook

With healthy order backlog the Company is optimistic

Internal Control System and their Adequacy

The division has adequate internal controls in place.

Textile Machinery Group

BTMG Performance and Outlook

The textile machinery division caters to spinning, knitting and processing requirements of textile industry. The textile industry has done well in the year under review with substantial expansion resulting in large investments. This division received the benefits of this.

Opportunities, Threats and Outlook:-

Opportunities:

- Expected investments in areas of Open End Spinning, Knits Casual wear for both domestic market as well export opportunities.
- Increased focus on high productive automated sustainable technologies.
- Emerging opportunity due to realignment of global supply chain.

Threats Risk & Concern:

- Slow-down in European business due to Russia and Ukraine conflict, investment decisions could be deferred.

Outlook:

We are cautiously optimistic barring any unforeseen circumstances of the above threat and resurgence of the pandemic.

2. Batliboi Machine Tool Group (BMTG)

Business Structure

The Machine Tool Group is engaged in manufacturing, selling/trading, and servicing of various types of metal forming and metal cutting machine tools.

Manufacturing: Batliboi manufactures CNC machines viz. Turning Centers, Vertical Machining Center, Vertical Turning Lathes and Double Column Machining Centers.

Trading: The Company is also engaged as an agency house representing various overseas reputed companies from Czech Republic, Belgium, Italy, Germany, South Korea, China and Taiwan as well local manufacturers of Metal Cutting and Metal Forming machine tools.

BMTG-MTT

Industry structure and developments

Demand for Heavy Machine Tools came down drastically. The competition has also increased in smaller machines as new players have entered the market. However, a bit of upward trend of demand was observed during last few months.

Opportunities, Threats & Outlook

Opportunities

In sectors like fabrication, new entrants have opened up opportunities. The Opportunities have increased for specialized equipment like Isostatic Presses. The slow improvement in demand for heavy-duty machines was observed.

Threats, Risks and concerns

Delay in decision making due to government policies may defer capital expenditure spending. The long time taken by defence sectors in finalizing orders and high amounts of EMD blocked for long periods which has resulted into Principals getting discouraged to participate in tenders.

Performance segment wise or product wise

Improved business demand for metal forming machines and for Isostatic Presses.

Outlook

We are cautiously optimistic for improved demand for heavy metal cutting and forming machine tools as a result because of the improvement in economy and the large spending on infrastructure by the government.

Internal Control system and their adequacy

The division has adequate internal controls in place.

BMTG-MTU

Business Structure

Manufacturing:

Batliboi manufactures CNC machines viz. Turning Centers, Vertical Machining Center, Vertical Turning Lathes and Double Column Machining Centers.

We have decided to also focus on Radial Drilling machine of large capacity in view of demand in infrastructure business.

Developments and Performance

This division was able to improve market share with improvement in quality and introduction of more new models.

For FY 23-24 major investments are being planned in the foundry and machine shop to improve production, productivity and quality

Opportunities,

The Indian economy is projected to grow at 7% in FY 23-24 which augurs well for the manufacturing sector and capital expenditure expansion for engineering industry. With the above initiatives we are hopeful of improving our performance over FY 22-23.

Threats, Risks and concerns

Delay in decision making due to government policies as well as financing available for MSME sector may have an impact on capital expenditure spending.

Internal Control system and their adequacy

The division has adequate internal controls in place.

3. Quickmill Inc.

Business Structure;

This 100% subsidiary of the company is headquartered in Peterborough, Canada and is engaged in the manufacture and sale of large size Gantry Drilling & Milling machines. It caters to the global market for the Energy, Structural Steel, Aviation, large equipment manufacturing and Job shop manufacturing sectors.

Development & Performance;

Post pandemic and resumption of travel had positive impact on sales.

Opportunities, threats & Outlook

Barring any further disruptions from any further waves of the Pandemic and any further impact to the economy due to Russia Ukraine conflict, the company expects to improve its performance as demand for capital goods has improved.

For Financial Year 2023-24 forecast for North America (which is the Company's main market) is positive with active projects for both drilling and milling. Key sectors include heat transfer, job shops and steel service centres.

Internal Control system and their adequacy

There is adequate internal controls system in place.

B. HUMAN RESOURCES / INDUSTRIAL RELATIONS

The total number of permanent employees in the Company was 327 as on 31st March, 2023.

The Company has in place Health, Safety and Environment policy for its manufacturing operations. The same is reviewed by the Board from time to time and appropriate actions are taken as directed.

INDEPENDENT AUDITOR'S REPORT

To the Members of Batliboi Limited

Report on the Audit of the Standalone Ind AS Financial Statements

1. Opinion

We have audited the Standalone Ind AS financial statements of Batliboi Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, the profit and total other comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Standalone Ind AS financial statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS financial statements of the current year. These matters were addressed in the context of our audit of the Standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
1)	<p><u>Evaluation of Impairment of Investment made in Subsidiary –</u></p> <p>The Company has made investment in equity and preference shares of its wholly owned subsidiary Queen Project Mauritius Limited.</p> <p>It had impaired the investment in the subsidiary on the date of transition to Ind AS in view of the losses in its subsidiaries. The management has tested the impairment of its investment in subsidiaries as per Ind AS 109 -Financial Instruments as at 31st March 2023. Based on internal analysis and estimation of the projected cash flows of its Step-down subsidiary Companies Quickmill Inc. and 760 Rye Street Inc. located in Canada, the Company has not made any further impairment to the carrying amount of the investment value as at 31st March 2023.</p>	<p>Our Audit Approach:</p> <ul style="list-style-type: none"> a) Focused our testing on the impairment of investment in subsidiary and the key assumptions and estimates made by management. b) Audit procedures included an assessment of the controls over the impairment assessment process, evaluated the design of internal controls relating to the testing of impairment of assets and also tested the operating effectiveness of the aforesaid controls. . c) Obtained understanding of management's estimation of recoverable amount of investment in subsidiary which have been determined by value in use. d) Verified and tested the future projected cash flows estimated by management of its Step-down subsidiary Companies Quickmill Inc. and 760 Rye Street Inc. located in Canada to determine the value in use and recoverable amounts including assessment of the key cash flow assumptions based on historical performance and industry information. e) Assessed the appropriateness of the recognition, measurement and related disclosures of investment in subsidiary.
2)	<p><u>Evaluation of Contingent Liabilities –</u></p> <p>The Company has disclosed the contingent liability on account of sales tax, excise duty, TDS and claims not acknowledged as debts against the company relating to various business operations and human resource cases. The management has applied significant judgment to determine the possible outcome of these disputes and no provision relating to these liabilities has been taken in the financial statement as at 31st March 2023.</p> <p>Refer note 24 of the Standalone Ind AS Financial Statements for disclosure of Contingent Liabilities.</p>	<p>Our Audit Approach:</p> <ul style="list-style-type: none"> a) Evaluated the design and tested the operating effectiveness of the relevant controls, through combination of procedures involving inquiry and observation, reperformance and inspection of evidence in respect of operation of these controls to assess how the Company monitors the disputed tax liabilities, court cases, related developments and their assessment of the potential impact on the Company. b) For uncertain disputed taxes and court cases, obtained details of tax assessments, appeal order, court status, court orders and demands from the management. c) Evaluated the management's underlying assumptions of the validity and adequacy of provisions for uncertain disputed taxes, court cases and evaluating the basis of determination of the possible outcome of the disputes. Also considered legal precedence and other rulings and read, where applicable, external advice sought by the Company for these uncertain disputed taxes, court cases and reviewed related correspondence in evaluating management's position on these uncertain disputed taxes and court cases.

4. Information other than the Standalone Ind AS financial statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report, Corporate Governance Report and Management Discussion and Analysis, but does not include the Standalone Ind AS financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

5. Responsibilities of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standard on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on Other Legal and Regulatory Requirements

- i) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ii) As required by Section 143(3) of the Act, we report that:

Annexure B to the Independent Auditors' Report of even date on the Standalone Ind AS financial statements of Batliboi Limited

Referred to in paragraph [7(ii)(f)] under Report on Other Legal and Regulatory Requirements of our report of even date

Report on the Internal Financial Control Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of Batliboi Limited ("the Company") as at 31st March, 2023 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023 based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS

Note No. 1

Company Overview

Bataliboi Limited (the Company) is engaged in manufacturing and trading of machine tool and textile engineering machines. The Registered Office of the Company is situated in Mumbai. Its shares are listed on Bombay Stock Exchange (BSE).

Note No. 2

Basis for preparation and measurement:

i. Basis of preparation:

The Ind AS Financial Statements are prepared in accordance with and in compliance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (Act) read with Rule 4A of Companies (Accounts) Second Amendment Rules, 2015, Companies (Indian Accounting Standards) Rules, 2015 and the other relevant provisions of the Act and Rules thereunder.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

ii. Basis of measurement:

The Ind AS financial statements have been prepared on accrual basis and in accordance with historical cost convention basis, except for certain financial assets and financial liabilities which have been measured at fair value in accordance with Ind AS. All assets and liabilities are classified into current and non-current generally based on the nature of product/activities of the Company and the normal time between acquisition of assets/liabilities and their realisation/settlement in cash or cash equivalent. The Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

iii. Presentation of Ind AS Financial Statements:

The Balance Sheet, Statement of Profit and Loss, Statement of Changes in equity and Statement of Cash Flows are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the Ind AS financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

iv. Functional and presentation Currency:

The Company's presentation and functional currency is Indian Rupees (₹) and all values are rounded off to the nearest lakhs (INR 00,000), except when otherwise indicated.

Note No. 3

Use of Judgement, Assumptions and Estimates

The preparation of the Company's Ind AS financial statements requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the Ind AS financial

NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS

statements and notes thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Changes in accounting estimates are reflected in the Ind AS financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the Ind AS financial statements.

In the assessment of the Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the Ind AS financial statements relates to the following areas:

- Financial instruments;
- Useful lives of property, plant and equipment;
- Valuation of inventories;
- Measurement of recoverable amounts of assets / cash-generating units;
- Assets and obligations relating to employee benefits;
- Evaluation of recoverability of deferred tax assets;
- Leases;
- Assets Held for sale; and
- Provisions and Contingencies.

Note No. 4.1

SIGNIFICANT ACCOUNTING POLICIES:

A. Property, plant & equipment

- a) The cost of an item of property, plant and equipment is recognized as an asset only if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.
- b) Property, plant and equipment are stated at cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any.
- c) The initial cost of an asset comprises its purchase price or construction cost (including import duties and non-refundable taxes), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, estimate of any decommissioning obligation (if any) and the applicable borrowing cost till the asset is ready for its intended use.
- d) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- e) Where the cost of a part of asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.
- f) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds if any and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS

- g) Spare parts which meet the definition of property, plant and equipment are capitalized as property, plant and equipment. In other cases, the spare parts are inventorised on procurement and charged to Statement of Profit and Loss on issue/consumption.
- h) When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognises the replaced part and recognises the new part with its own associated useful life and it is depreciated accordingly. All other repair and maintenance cost are recognised in the Statement of Profit and Loss as and when incurred.
- i) Property, Plant and Equipment which are not ready for intended use as on date of Balance Sheet are disclosed as 'Capital Work in Progress'.
- j) On transition to Ind AS Land, Building and Plant and Machinery has been measured at fair value as deemed cost as per the option available to the Company in accordance with Ind AS 101 – First Time Adoption of Indian Accounting Standard.

B. Depreciation

- a) i) For Manufacturing unit at Udhna and Windmill:

Depreciation on property, plant and equipment is provided on the straight line basis over the useful lives of assets (after considering an estimated residual value of up to 10% for factory building, plant and machinery and 5% for other assets). The useful lives determined are in line with the useful lives as prescribed in Schedule II of the Act except for factory building and plant and machinery on the date of transition to Ind AS. In case of factory building and plant and machinery on the date of transition to Ind AS, depreciation is provided over their remaining useful life for different parts/items of factory building and plant and machinery based on the technical evaluation made by the valuer which ranges from 7 to 40 years and 7 to 15 years respectively.

- ii) For all other units:

Depreciation on tangible assets is provided on Written Down Value Method over the useful lives of the assets as specified in Schedule II to the Companies Act, 2013. Intangible assets are amortised on Straight Line Method over a period of 3 years. Improvement to Leasehold Properties are amortised on Straight Line Method over the period of lease.

- b) The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and changes, if any, are accounted in the period in which the estimates are revised.
- c) The Company depreciates components of the main asset that are significant in value and have different useful lives as compared to the main asset separately.
- d) The spare parts are depreciated over the estimated useful life based on internal technical assessment.
- e) Expenditure on major repairs and overhauls which qualify for recognition in the item of Property, Plant and Equipment and which result in additional useful life, is depreciated over the extended useful life of the asset as determined by technical evaluation.
- f) Depreciation is charged on additions / deletions on pro-rata monthly basis including the month of addition / deletion.

C. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term or useful life of the underlying asset, whichever is earlier. Right-of-use assets are tested for impairment whenever there is an indication that their carrying value may not be recoverable. Impairment loss if any is recognized in the Statement of profit and loss.

The lease liability is measured at amortized cost, at the present value of the future lease payments. The lease payments are discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Company recognises the lease payments associated with these leases as an expense over the lease term.

D. Inventories

Inventories are stated at cost or net realizable value, whichever is lower. Cost of inventories comprises of expenditure incurred in the normal course of business in bringing inventories to their present location, including appropriate overheads apportioned on a reasonable and consistent basis and is determined on the following basis:

- a) Raw materials and finished goods on weighted average basis.
- b) Work in progress at raw material cost plus cost of conversion and other cost including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.
- c) Stores and loose tools on weighted average basis.

Obsolete, slow moving, surplus and defective stocks are identified and where necessary, provision is made for such stocks.

E. Revenue Recognition

Revenue from contracts with customers:

Revenue from contract with customers is recognized upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods or services. Performance obligations are satisfied at the point of time when the customer obtains the controls of the goods.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract. Revenue excludes taxes collected from customers.

NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS

Service Income:

Income from annual maintenance services is recognized proportionately over the period of contract as the performance is discharged by the Company and it has the enforceable right to get the payment for the services rendered.

Revenue from Works Contract:

Revenue from works contracts with customer is recognised as the performance obligation is satisfied by transferring a promised good (i.e. an asset) to a customer. For performance obligation satisfied over time, the revenue recognition is made by measuring the progress towards complete satisfaction of performance obligation. The progress is measured by measuring the performance completed to date, considering the proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation. Expected loss, if any, on the contract is recognized as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract.

Interest Income:

Interest income is recognized using Effective Interest Rate (EIR) method..

Dividend Income:

Revenue is recognized when the Company's right to receive the payment has been established.

F. Employee Benefits

Short term employee benefits are recognized as an expense at an undiscounted amount in the Statement of Profit and Loss for the year in which the related services are rendered.

The Company's post-employment benefit consists of provident fund, gratuity and superannuation fund. The Company also provides for leave encashment which is in the nature of long term benefit.

Provident Fund

Company's contributions to Provident Fund administered by Regional Provident Fund Authorities and ESIC and Labour Welfare Fund in the case of employees at manufacturing unit at Udhna, which are defined contribution plan, are recognized as an expense in the Statement of Profit and Loss for the year in which the services are rendered and the Company has no further obligation beyond making the contributions.

The Company's contribution to the Provident Fund for employees other than working at manufacturing unit at Udhna, which is a defined benefit plan, is remitted to separate trust established for this purpose and charged to Statement of Profit and Loss. Shortfall, if any, in the fund assets of the Provident Fund Trust, based on the Government specified minimum rate of return, is made good by the Company and charged to Statement of Profit and Loss.

Superannuation Fund

The Company's contribution to Superannuation Fund for Managers/Officers, which is a defined contribution plan, is made to and administered by Life Insurance Corporation of India and is charged to Profit and Loss Account.

Gratuity and Leave Encashment

The Company operates defined benefit plan for Gratuity. The cost of providing such defined benefit is determined using the projected unit credit method of actuarial valuation made at the end of the year.

NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS

Obligations on leave encashment are provided using the projected unit credit method of actuarial valuation made at the end of the year.

Actuarial gains and losses are recognized in other comprehensive income for gratuity and leave encashment.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognized in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognizes related restructuring costs.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognizes the following changes in the net defined benefit obligation as an expense in the Statement of Profit and Loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

G. Share-based payment arrangements

The stock options granted pursuant to the Company's Stock Options Scheme, are measured at the fair value of the options of the grant date. The fair value of the options is treated as discount and accounted as employee compensation cost over the vesting period on a straight line basis.

The amount recognized as expense each year is arrived at based on the number of grants expected to vest. If a grant lapses after the vesting period, the cumulative discount recognized as expense in respect of such grant is transferred to the employee stock option reserve within equity.

H. Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets till the month in which the asset is ready for use. All other borrowing costs are charged to the Statement of Profit and Loss.

I. Segment Accounting

The Company operates in 'Industrial Equipment' segment and there are no other reportable segments as defined under Ind AS 108.

J. Foreign Currency Transactions

Monetary items:

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS

Monetary assets and liabilities denominated in foreign currencies are translated at spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items including exchange differences arising on a monetary item that forms part of the Company's net investment in a foreign operation, are recognised in Statement of Profit and Loss.

Non – Monetary items:

Non-monetary items that are measured in terms of historical cost are recorded at the exchange rates at the dates of the initial transactions.

K. Provisions, Contingent Liabilities and Contingent assets

- a) Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate. The expenses relating to a provision are recognized in the Statement of Profit and Loss net of any reimbursement.
- b) If the effect of time value of money is material, provisions are shown at present value of expenditure expected to be required to settle the obligation, by discounting using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- c) Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate.
- d) Contingent liabilities are possible obligations arising from past events and whose existence will only be confirmed by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability. Contingent liabilities are not recognized in the Ind AS financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.
- e) Contingent liabilities are assessed continually to determine whether an outflow of resources embodying economic benefits has become probable.
- f) Contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent Assets are not recognized but reviewed at each Balance Sheet date and disclosure is made in the notes where inflow of economic benefit is probable.

L. Fair Value measurement

- a) Fair value is the price that would be received on selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date.
- b) While measuring the fair value of an asset or liability, the Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure the fair value using observable market data as far as possible and minimising the use of unobservable inputs. Fair values are categorised into 3 levels as follows:

NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the assets or liability, either directly (i.e. as prices for similar item) or indirectly (i.e. derived from prices).

Level 3: Inputs that are not based on observable market data (unobservable inputs).

M. Financial Instruments

i. Financial Assets other than derivatives

The initial recognition of financial assets is made only when the Company becomes a party to the contractual provisions of the instrument. Initial measurement of financial assets is made at fair values including transaction costs that are attributable to the acquisition of the financial asset.

The subsequent measurement of a financial asset is made at amortised cost if the asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and the contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Amortised cost is net of any write down for impairment loss (if any) using the Effective Interest Rate ("EIR") method taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Investments in subsidiaries are accounted for and measured at cost (fair value as deemed cost on first time adoption) in Ind AS financial statements.

Investments in equity other than subsidiaries are accounted for and measured at fair value through profit or loss.

A financial asset is derecognised either partly or fully to the extent the rights to receive cash flows from the asset have expired and / or the control on the asset has been transferred to a third party. On de-recognition, any gains or losses are recognised in the Statement of Profit and Loss.

ii. Financial Liabilities other than derivatives

The initial recognition of financial liabilities is made only when the Company becomes a party to the contractual provisions of the instrument. Initial measurement of financial liabilities is made at fair values net of transaction costs that are attributable to the liability.

After initial recognition, financial liabilities are subsequently measured at amortised cost using the EIR method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

iii. Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require specified payments to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are

NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS

recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Where guarantees in relation to loans or other payables of subsidiary and related party are provided for no compensation, the fair values are accounted for as contributions and recognised as fees receivable under “other financial assets” or as a part of the cost of the investment, depending on the contractual terms.

iv. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

N. Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current if they are expected to be realised / settled within twelve months after the reporting period. All other assets and liabilities are considered as non-current.

O. Impairment**Non-financial Assets**

At each Balance Sheet date, an assessment is made of whether there is any indication of impairment. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the recoverable amount of assets. The recoverable amount is the higher of fair value less costs of disposal in respect of the asset or Cash-Generating Units (CGU) and their value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount and impairment loss is charged to Statement of Profit and Loss.

Financial Assets

The Company assesses at each date of Balance Sheet whether a financial asset or group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Company recognises lifetime expected losses for all contract assets and /or all trade receivables that do not contain a significant financing component. For all other financial assets, expected credit losses are measured at an amount equal to the 12 – month expected credit losses if the credit risk on the financial asset had not increased significantly since initial recognition or at an amount equal to the life time expected credit losses if the credit risk on the financial asset had increased significantly since initial recognition.

P. Non Current Asset Held for Sale

Non-Current assets are classified as held for sale if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of held for sale is met when the non-current asset is available for immediate sale and the same is highly probable of being completed in near future from the date of classification as held for sale. Non-Current assets held for sale are measured at the lower of carrying amount and fair value less cost to sell. Subsequent to such classification, such assets are not depreciated while they are classified as ‘Held for Sale’. Non-current assets that ceases to be classified as held for sale are measured at the lower of carrying amount before the non-current asset was classified as held for sale adjusted for any depreciation/ amortization and its recoverable amount at the date when the non-current assets no longer meets the “Held for sale” criteria.

Q. Taxes on Income

Current Tax

Income-tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Minimum Alternate Tax ('MAT') paid under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. Such an asset is reviewed at each Balance Sheet date.

Deferred tax

Deferred tax (both assets and liabilities) is calculated using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The amount of deferred tax assets is reviewed at each reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current tax and Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity

R. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, adjusted for the effect of all dilutive potential equity shares.

S. Cash and Cash equivalents

Cash and cash equivalents include cash at bank, cash, cheques and draft on hand. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS**Cash Flows**

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

Note No. 4.2**Recent pronouncements**

Ministry of Corporate Affairs (MCA) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 31st March 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2022. The effective date for adoption of these amendments is annual period beginning on or after 1st April 2023 and will not have material impact on Company's Ind AS financial statements. The following is a summary of the amendments:

(i) Ind AS 1 - Presentation of Financial Statements

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies.

(ii) Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates.

(iii) Ind AS 12 - Income Taxes

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences.

(iv) Ind As 102 – Share Based Payments

Relating to the fair value of the equity instruments not being possible to be estimated reliably.

(v) Ind AS 103 – Business Combinations

Relating to the date on which the transferee obtains control of the transferor.

(vi) Ind AS 107 – Financial Instruments Disclosure

Relating to disclosure of material accounting policy information about the measurement basis (or bases) for financial instruments used in preparing the Ind AS financial statements.

(vii) Ind AS 109 – Financial Instruments

Relating to a combination of entities or businesses under common control as described in Appendix C.

(viii) Ind AS 34 – Interim Financial Reporting

Relating to disclosure of material accounting policy information in interim financial statements.

In financial year 2018-19 the Company had decided to sell a part of Land, Building and Capital work in progress amounting to Rs. 1,779.39 Lakhs out of the total factory land and building located in Surat. The part of Land and Building was classified and presented as "held for sale" and was carried at the lower of carrying value and fair value as at 31st March 2019.

During financial year 2021-22, the Company had entered into Memorandum of Understanding(MOU) with the proposed buyer for the sale of this part of the asset which did not materialise and the same is cancelled. The management of the Company is looking for a new buyer and is hopeful to finalise and execute the deal in near future.

Note :

a) The Company had exercised the option of fair value as deemed cost for Property, Plant and Equipment on the date of transition to Ind-AS i.e; 1st April 2016. Ind AS required entities to account for deferred taxes using the Balance Sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the Balance Sheet and its tax base. Accordingly deferred tax liability on account of fair valuing of Land was calculated in previous year.

Under Section 55(2)(b)(i) of Income Tax Act 1961, "fair market value of capital assets means where the capital asset became the property of the assessee before the 1st day of April, 2001, the cost of acquisition of the asset to the assessee or the fair market value of the asset on the 1st day of April, 2001, shall be considered at the option of the assessee."

Accordingly deferred tax liability on account of fair value of Land is calculated and reviewed at each reporting date as required by Ind AS - 12 'Income Taxes' for changes in respect of temporary differences which have been recognised in previous periods. In F.Y. 2018-19, the Company opted to choose the fair market value of the land as on 01.04.2001 as its cost of acquisition in accordance with Section 55(2)(b)(i) of Income Tax Act 1961. This has resulted in creation of deferred tax charge during the year of Rs. (118.73) Lakhs (P.Y. deferred tax credit of Rs. 58.56 Lakhs) which is part of deferred tax credit of Rs. 35.32 Lakhs for the year ended 31st March 2023 (P.Y. deferred tax charge of Rs. (80.07) Lakhs).

b) Deferred tax Asset on unabsorbed depreciation, unabsorbed business losses and other temporary differences available as per the Income Tax Act, 1961 had been recognised, since it is probable that taxable profit will be available to adjust them in future years. Unabsorbed depreciation can be carried forward and set off against the profits for infinite number of years under the Income Tax Act, 1961 and profitability projections based on current margins show sufficient profits for set off in future.

c) The Taxation Laws (Amendment) Act, 2019 provides domestic companies with an option to opt for lower tax rate, provided they do not claim certain deductions. The Company has presently considered the rate existing prior to the amendment. The Company shall evaluate the option to opt for lower tax rate once it utilises the carried forward losses available under the Income Tax Act.

NOTE 29 - FAIR VALUE MEASUREMENTS:

The following disclosures are made as required by Ind AS -113 pertaining to Fair value measurement:

a. Accounting classification and fair values

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

b. Measurement of fair values:

The following tables shows the valuation techniques used in measuring Level 2 fair values.

Type	Valuation technique
Fixed Rate Borrowings	Discounted cash flows: The valuation model considers the present value of expected payment discounted using appropriate discounting rates.

c. Financial risk management

The Company has exposure to the Credit risk, Liquidity risk and Market risk arising from financial instruments.

Risk Management Framework: The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established the Risk Management Committee (RMC), which is responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits to control / monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is approved by the Board of Directors.

NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS
d. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables.

Trade receivables: The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

The following table provides information about the exposure to credit risk and measurement of loss allowance using lifetime expected credit loss for trade receivables:

f. Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices, will affect the Company's income or the value of its financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables, long term debt and commodity prices. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and commodity price risk.

g. Interest rate risk:

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest-bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through the Statement of Profit and Loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest-bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to Interest rate risk:

The Company's interest rate risk arises from borrowings. The interest rate profile of the Company's interest-bearing long term financial instruments is as follows:

Particulars	(Rs In Lakhs)	
	31st March 2023	31st March 2022
Fixed-rate instruments	908.56	2,499.26
Variable-rate instruments	848.00	1,608.52
Total	1,756.56	4,107.78

h. Currency risk:

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee.

To the extent the exposures on purchases and borrowings are not economically hedged by the foreign currency denominated receivables, the Company uses derivative instruments, like, foreign exchange forward contracts to mitigate the risk of changes in foreign currency exchange and principal only swap rates. Company does not use derivative financial instruments for trading or speculative purposes.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies including the use of derivatives like foreign exchange forward contracts to hedge exposure.

Note No. 37: Code on Social Security, 2020

The Code on Social Security, 2020 (“Code”) relating to employee benefits during the employment and post-employment benefits had been published in the Gazette of India on 28th September 2020. The Ministry of Labour and Employment had released draft rules for the Code on 13th November 2020. The effective date from which these changes are applicable is yet to be notified. The Company will assess and record the impact, if any, when the rules are notified, and the Code becomes effective.

The Board of Directors of AESA Air Engineering SA, France which was a step-down subsidiary, had filed Judiciaire Redressment under French Law on 6th July 2020. The French Court had passed an interim order on 18th November 2020 taking cognizance of the situation and pronounced the 'liquidation judicial' of AESA Air Engineering SA France including its three step down subsidiaries and appointed a Liquidator. Thus, the Company had no control over the said step-down subsidiary companies and hence it ceased to be step down subsidiary of the Company from financial year 2020-21.

Note No. 39

Queen Projects (Mauritius) Ltd, Mauritius, Subsidiary Company of the Company is undergoing a voluntary liquidation process, as it is desirable for the Company to have direct control of Quickmill Inc. and 760 Rye Street Inc. (Canada) which are currently its Step down subsidiary Companies.

INDEPENDENT AUDITOR'S REPORT

To the Members of Batliboi Limited

Report on the Audit of the Consolidated Ind AS Financial Statements

1. Opinion

We have audited the Consolidated Ind AS financial statements of Batliboi Limited (“the Holding Company”) and its subsidiaries (the Company and its subsidiaries together referred to as “the Group”), which comprise the Consolidated Balance Sheet as at 31st March 2023, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at 31st March, 2023, the Consolidated profit and consolidated total other comprehensive income, Consolidated changes in equity and its Consolidated cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 (“the Act”) and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Consolidated Ind AS financial statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS financial statements of the current year. These matters were addressed in the context of our audit of the Consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report which is based on audit procedures performed by us.

Sr. No.	Key Audit Matter	Auditor's Response
1)	<p><u>Evaluation of Contingent Liabilities –</u></p> <p>The Holding Company has disclosed the contingent liability on account of sales tax, excise duty, TDS and claims not acknowledged as debts against the Holding Company relating to various business operations and human resource cases. The management has applied significant judgment to determine the possible outcome of these disputes and no provision relating to these liabilities has been taken in the Consolidated Ind AS financial statements as on 31st March 2023.</p> <p>Refer note 26 of the Consolidated Ind AS Financial Statements for disclosure of Contingent Liabilities.</p>	<p>Our Audit approach:</p> <p>a) Evaluated the design and tested the operating effectiveness of the relevant controls, through combination of procedures involving inquiry and observation, reperformance and inspection of evidence in respect of operation of these controls to assess how the Holding Company monitors the disputed tax liabilities, court cases, related developments and their assessment of the potential impact on the Holding Company.</p> <p>b) For uncertain disputed taxes and court cases, obtained details of tax assessments, appeal order, court status, court orders and demands from management of the Holding Company.</p> <p>c) Evaluated the Holding Company management's underlying assumptions of the validity and adequacy of provisions for uncertain disputed taxes, court cases and evaluating the basis of determination of the possible outcome of the disputes. Also considered legal precedence and other rulings and read, where applicable, external advice sought by the Holding Company for these uncertain disputed taxes, court cases and reviewed related correspondence in evaluating management's position on these uncertain disputed taxes and court cases.</p>

4. Information other than the Consolidated Ind AS financial statements and Auditor's report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report, Corporate Governance Report and Management Discussion and Analysis, but does not include the Consolidated Ind AS financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance of the Holding Company and determine the actions under the applicable laws and regulations.

5. Responsibilities of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance, Consolidated total comprehensive income, Consolidated changes in equity and Consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Ind AS financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standard on auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with Standard on auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company, has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the Consolidated Ind AS financial statements of such entities included in the Consolidated Ind AS financial statements. For the other entities included in the Consolidated Ind AS financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Other Matters

We did not audit the financial statements / financial information of three subsidiary companies (including 2 Step-down subsidiaries), whose financial statements include excluding consolidation eliminations reflect total assets of Rs. 9,815.20 Lakhs as at 31st March 2023, total revenue of Rs. 5,985.38 Lakhs, total profit/(loss) after tax of Rs. 195.96 Lakhs, total comprehensive income of Rs. 195.96 Lakhs and net cash outflows amounting to Rs. 870.94 Lakhs for the year then ended, as considered in the Consolidated Ind AS financial statements. These financial statements have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the Consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiaries company and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the report of the other auditor.

Our opinion on the Consolidated Ind AS financial statements and our report on Other Legal and Regulatory requirements below is not modified in respect to our reliance on the work done and the reports of the other auditors.

8. Report on Other Legal and Regulatory Requirements

- i. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- ii. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statement of subsidiary companies, as noted in the 'Other Matter' paragraph, we report to the extent applicable that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of Consolidated Ind AS financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS financial statements have been kept so far as appears from our examination of those books and the reports of the other auditor.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the relevant books of account maintained for preparation of Consolidated Ind AS Financial Statements.
 - d. In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors of the Holding Company as on 31st March 2023 taken on record by the board of directors of the Holding Company, none of the Directors are disqualified as on 31st March 2023, from being appointed as a director in terms of sub-section 2 of Section 164 of the Act. According to information and explanations provided to us, sub-section 2 of section 164 of the Act is not applicable to subsidiary companies as these are not incorporated in India.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'. According to information and explanations provided to us, clause (i) sub-section 3 of section 143 of the Act is not applicable to subsidiary companies as these are not incorporated in India.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'Other matter' paragraph:
- i. The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Ind AS financial statements – Refer Note 26 to the Consolidated Ind AS financial statements;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.
 - iv. (a) The Management has represented that no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Reporting under Rule 11(e) is not applicable to any of the Subsidiary Companies in the Group as they are incorporated outside India hence reporting under the said clause has been only with respect to the Holding Company. (Refer Note 43(i)(a) to Consolidated Ind AS financial statements);

(b) The Management has represented that no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Reporting under Rule 11(e) is not applicable to any of the Subsidiary Companies in the Group as they are incorporated outside India hence reporting under the said clause has been only with respect to the Holding Company. (Refer Note 43(i)(b) to Consolidated Ind AS financial statements); and

(c) Based on audit procedures that have been considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Holding Company has not paid dividend during the year and has not declared any dividend during the year, accordingly compliance with provisions of Section 123 of the Companies Act, 2013 is not applicable. Reporting under Rule 11(f) is not applicable to any of the Subsidiary Companies in the Group as they are incorporated outside India hence reporting under the said clause has been only with respect to the Holding Company.

- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Holding Company with effect from 1st April 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable to the Holding Company for the financial year ended 31st March 2023. Report on the Internal Financial Control under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of Batliboi Limited ("the Holding Company"), as of 31st March 2023 in conjunction with our audit of the Consolidated Ind AS financial statements for the year ended on that date.

In our opinion the Holding Company which is incorporated in India, has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Consolidated Ind AS financial statements

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

Note No. 1

Company Overview

Batliboi Ltd (the Holding Company) and its subsidiaries (collectively referred to as “the Group”), is engaged in manufacturing and trading of machine tool and textile engineering machines. The Holding Company is a public limited Company incorporated and domiciled in India. The Registered Office of the Holding Company is situated in Mumbai. Its shares are listed on Bombay Stock Exchange (BSE).

Note No. 2

Basis for preparation and measurement

i. Basis of preparation:

The Consolidated Ind AS Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (Act) read with Rule 4A of Companies (Accounts) Second Amendment Rules, 2015, Companies (Indian Accounting Standards) Rules, 2015 and the other relevant provisions of the Act and Rules thereunder.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

ii. Basis of measurement:

The Consolidated Ind AS financial statements have been prepared on accrual basis and in accordance with historical cost convention basis, except for certain financial assets and financial liabilities which have been measured at fair value in accordance with Ind AS. All assets and liabilities are classified into current and non-current generally based on the nature of product/activities of the Group and the normal time between acquisition of assets/liabilities and their realisation/settlement in cash or cash equivalent. The Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current

iii. Presentation of Consolidated Ind AS Financial Statements:

The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in equity and Consolidated Statement of Cash Flows are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 (“the Act”). The disclosure requirements with respect to items in the Consolidated Balance Sheet and Consolidated Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the Consolidated Ind AS financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

iv. Functional and presentation Currency:

The Holding Company’s presentation and functional currency is Indian Rupees (₹) and all values are rounded off to the nearest lakhs (INR 00,000), except when otherwise indicated.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

Note No. 3

Basis of Consolidation

Subsidiaries:

The Consolidated Ind AS financial statements have been prepared on the following basis:

- Subsidiary Companies are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary companies are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.
- Changes in Company's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the Company's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the company.
- The acquisition method of accounting is used to account for business combinations by the Group.
- The financial statements of Subsidiary Companies used in consolidation are drawn up to the same reporting date as of the Holding Company i.e. year ended 31st March 2023.
- The financial statements of the Holding Company and its subsidiary companies have been combined on a line-by-line basis by adding together the fair values of like items of assets, liabilities, revenues and expenses.
- Intra group balances and intra group transactions and resulting profits are eliminated in full. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.
- Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.
- The Consolidated Ind AS financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the Holding Company's separate financial statements.

The following subsidiary companies are considered in the Consolidated Ind AS Financial Statements.

Sr. No.	Name of the Subsidiary Company	Country Domiciled/ Incorporated	% of holding either directly or through subsidiaries		Date since it became subsidiary
			As at 31 st March 2023	As at 31 st March 2022

3	760 Rye Street Inc ¹	Canada	100%	100%	15.04.2009

¹ These are step down subsidiaries.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

Note No. 4

Business Combinations

The Holding Company accounts for its business combinations under acquisition method of accounting. Acquisition related costs are recognised in Consolidated Statement of Profit and Loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognised at the fair values at the acquisition date.

Purchase consideration paid in excess of the fair values of net assets acquired is recognised as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognised as capital reserve.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

Business combinations arising from transfer of interests in entities that are under the common control are accounted at historical cost. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity are recorded in shareholders' equity.

Note No. 5

Use of Judgement, Assumptions and Estimates

The preparation of the Group's Consolidated Ind AS financial statements requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the Consolidated Ind AS financial statements and notes thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Changes in accounting estimates are reflected in the Consolidated Ind AS financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the Consolidated Ind AS financial statements.

In the assessment of the Holding Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the Consolidated Ind AS financial statements relates to the following areas:

- Financial instruments;
- Useful lives of property, plant & equipment;
- Valuation of inventories;
- Measurement of recoverable amounts of assets / cash-generating units;
- Assets and obligations relating to employee benefits;
- Evaluation of recoverability of deferred tax assets;
- Leases;
- Assets Held for Sale; and
- Provisions and Contingencies.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

Note No.6.1

SIGNIFICANT ACCOUNTING POLICIES

A. Property, Plant and Equipments -

- a) The cost of an item of property, plant and equipment is recognized as an asset only if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.
- b) Property, plant and equipment are stated at cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any.
- c) The initial cost of an asset comprises its purchase price or construction cost (including import duties and non-refundable taxes), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, estimate of any decommissioning obligation (if any) and the applicable borrowing cost till the asset is ready for its intended use.
- d) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.
- e) Where the cost of a part of asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately, and such asset component is depreciated over its separate useful life.
- f) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds if any and the carrying amount of the asset) is included in the Consolidated Statement of Profit and Loss when the asset is derecognised.
- g) Spare parts which meet the definition of property plant and equipment are capitalized as property, plant and equipment. In other cases, the spare parts are inventorised on procurement and charged to Consolidated Statement of Profit and Loss on issue/consumption.
- h) When significant parts of property, plant and equipment are required to be replaced at intervals, the Group derecognises the replaced part and recognises the new part with its own associated useful life and it is depreciated accordingly. All other repair and maintenance cost are recognised in the Consolidated Statement of Profit and Loss as and when incurred.
- i) Property, Plant and Equipment which are not ready for intended use as on date of Consolidated Balance Sheet are disclosed as 'Capital Work in Progress'.
- j) On transition to Ind AS Land, Building and Plant and Machinery has been measured at fair value as deemed cost as on the date of transition as per the option available to the Holding Company in accordance with Ind AS 101 – First Time Adoption of Indian Accounting Standard.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

B. Depreciation

a) Depreciation policy in case of Holding Company:

i. For Manufacturing unit at Udhna and Windmill -

Depreciation on property, plant and equipment in Holding Company's books is provided on the straight-line basis over the useful lives of assets (after considering an estimated residual value of up to 10% for factory building, plant and machinery and 5% for other assets). The useful lives determined are in line with the useful lives as prescribed in Schedule II of the Act except for factory building and plant and machinery on the date of transition to Ind AS. In case of Factory building and plant and machinery on the date of transition to Ind AS, depreciation is provided over their remaining useful life for different parts/items of factory building and plant and machinery based on the technical evaluation made by the valuer which ranges from 7 to 40 years and 7 to 15 years respectively.

ii. For all other units:

Depreciation on tangible assets is provided on Written Down Value Method over the useful lives of the assets as specified in Schedule II of the Act. Intangible assets are amortised on Straight Line Method over a period of 3 years. Improvement to Leasehold Properties are amortised on Straight Line Method over the period of lease.

b) Depreciation policy in case of Overseas Subsidiaries:

Depreciation on Property, Plant and Equipment of the overseas subsidiaries is provided over its economic life determined by the management of the respective subsidiaries and are determined in accordance with laws applicable in countries where such operations are domiciled as given below:

Assets	Quick mill Inc., Canada	760 Rye street INC, Canada
Building	-	4% on written Down Value
Leasehold Improvements	50% on Written Down Value	-
Machinery & Equipment	20% on Written Down Value	-
Furniture and fixture	20% on Written Down Value	-
Computers/office Equipment	30% on Written Down Value	-
Computer software	100% on Straight line	-
Trade Mark	5 Years on Straight line	-
Development Cost	3 Years on Straight line	-

There are no Property, Plant and Equipment in any of the other subsidiaries except for the above mentioned subsidiaries.

- The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and changes, if any, are accounted in the period in which the estimates are revised.
- The group depreciates components of the main asset that are significant in value and have different useful lives as compared to the main asset separately.
- The spare parts are depreciated over the estimated useful life based on internal technical assessment.
- Expenditure on major repairs and overhauls which qualify for recognition in the item of Property, Plant and Equipment and which result in additional useful life, is depreciated over the extended useful life of the asset as determined by technical evaluation.
- Depreciation is charged on additions / deletions on pro-rata monthly basis including the month of addition / deletion.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

C. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term or useful life of the underlying asset, whichever is earlier. Right-of-use assets are tested for impairment whenever there is an indication that their carrying value may not be recoverable. Impairment loss if any is recognized in the Consolidated Statement of Profit and Loss.

The lease liability is measured at amortized cost, at the present value of the future lease payments. The lease payments are discounted using the Holding Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if the Group changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Group recognises the lease payments associated with these leases as an expense over the lease term.

D. Inventories

Inventories are stated at cost or net realizable value, whichever is lower. Cost of inventories comprises of expenditure incurred in the normal course of business in bringing inventories to their present location, including appropriate overheads apportioned on a reasonable and consistent basis and is determined on the following basis:

- a) Raw materials and finished goods on weighted average basis.
- b) Work in progress at raw material cost plus cost of conversion and other cost including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.
- c) Stores and loose tools on weighted average basis.

Obsolete, slow moving, surplus and defective stocks are identified and where necessary, provision is made for such stocks.

E. Revenue Recognition

Revenue from contracts with customers:

Revenue from contract with customers is recognized upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those goods or services. Performance obligations are satisfied at the point of time when the customer obtains the control of the goods.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract. Revenue excludes taxes collected from customers.

Service Income:

Income from annual maintenance services is recognized proportionately over the period of contract as the performance is discharged by the Group and it has the enforceable right to get the payment for the services rendered.

Revenue from Works Contract:

Revenue from works contracts with customer is recognised as the performance obligation is satisfied by transferring a promised good (i.e. an asset) to a customer. For performance obligation satisfied over time, the revenue recognition is made by measuring the progress towards complete satisfaction of performance obligation. The progress is measured by measuring the performance completed to date, considering the proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation. Expected loss, if any, on the contract is recognized as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract.

Interest Income:

Interest income is recognized using Effective Interest Rate (EIR) method.

Dividend Income:

Dividend income is recognized when the Company's right to receive the payment has been established.

F. Employee Benefits

Short term employee benefits are recognized as an expense at an undiscounted amount in the Consolidated Statement of Profit and Loss for the year in which the related services are rendered.

The Holding Company's post-employment benefit consists of provident fund, gratuity and superannuation fund. The Holding Company also provides for leave encashment which is in the nature of long-term benefit.

Provident Fund

The Holding Company's contributions to Provident Fund administered by Regional Provident Fund Authorities, ESIC and Labour Welfare Fund in the case of employees at manufacturing unit at Udhna, which are defined contribution plans, are recognized as an expense in the Consolidated Statement of Profit and Loss for the year in which the services are rendered and the Holding Company has no further obligation beyond making the contributions.

The Holding Company's contribution to the Provident Fund for employees other than working at manufacturing unit at Udhna, which is a defined benefit plan, is remitted to separate trust established for this purpose and charged to Consolidated Statement of Profit and Loss. Shortfall, if any, in the fund assets of the Provident Fund Trust, based on the Government specified minimum rate of return, is made good by the Holding Company and charged to Consolidated Statement of Profit and Loss.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

Superannuation Fund

The Holding Company's contribution to Superannuation Fund for Managers/Officers, which is a defined contribution plan, is made to and administered by Life Insurance Corporation of India and is charged to Consolidated Statement of Profit and Loss.

Gratuity and Leave Encashment

The Holding Company operates defined benefit plan for Gratuity. The cost of providing such defined benefit is determined using the projected unit credit method of actuarial valuation made at the end of the year.

Obligations on leave encashment are provided using the projected unit credit method of actuarial valuation made at the end of the year.

Actuarial gains and losses are recognized in other comprehensive income for gratuity and leave encashment.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the Consolidated Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognized in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Holding Company recognizes related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Holding Company recognizes the following changes in the net defined benefit obligation as an expense in the Consolidated Statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

In case of one of the foreign subsidiary contributions towards pension plan to employees are charged to Consolidated Statement of Profit and Loss in the period when the Company is obligated to make contributions for services rendered by the employee. The subsidiaries have no further obligation beyond making the contribution. The difference between the accrual amounts and actuarial valuations are not expected to be material.

G. Share-based payment arrangements

The stock options granted pursuant to the Holding Company's Stock Options Scheme, are measured at the fair value of the options of the grant date. The fair value of the options is treated as discount and accounted as employee compensation cost over the vesting period on a straight-line basis.

The amount recognized as expense each year is arrived at based on the number of grants expected to vest. If a grant lapses after the vesting period, the cumulative discount recognized as expense in respect of such grant is transferred to the employee stock option reserve within equity.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

H. Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets till the month in which the asset is ready for use. All other borrowing costs are charged to the Consolidated Statement of Profit and Loss.

I. Segment Accounting

The Group operates in 'Industrial Equipment' segment and there are no other reportable segments as defined under Ind AS 108.

J. Foreign Currency Transactions

The functional currency of the Holding company is the Indian Rupees whereas the functional currency of foreign subsidiaries is the currency of their countries of domicile.

Non – Monetary items:

Non-monetary items that are measured in terms of historical cost are recorded at the exchange rates at the dates of the initial transactions.

Monetary items:

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items including exchange differences arising on a monetary item that forms part of the Holding Company's net investment in a foreign operation are recognised initially in OCI. These exchange differences are reclassified from equity to profit or loss on disposal of the net investment.

On Consolidation, all assets and liabilities of foreign operations are translated into INR at the rate of exchange prevailing at the reporting date and their Statements of profit or loss are translated at exchange rates prevailing at the dates of the transactions. For practical reasons, the group uses an average rate to translate income and expense items, if the average rate approximates the exchange rates at the dates of the transactions. The exchange differences arising on translation for consolidation are recognised in OCI. On disposal of a foreign operation, the component of OCI relating to that particular foreign operation is recognised in profit or loss.

K. Provisions, Contingent Liabilities and Contingent assets

- a) Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expenses relating to a provision are recognized in the Consolidated Statement of Profit and Loss net of any reimbursement.
- b) If the effect of time value of money is material, provisions are shown at present value of expenditure expected to be required to settle the obligation, by discounting using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

- c) Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate.
- d) Contingent liabilities are possible obligations arising from past events and whose existence will only be confirmed by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group, or present obligations where it is not probable that an outflow of resources will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability. Contingent liabilities are not recognized in the Consolidated Ind AS financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.
- e) Contingent liabilities are assessed continually to determine whether an outflow of resource embodying economic benefits has become probable.
- f) Contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent Assets are not recognized but reviewed at each Balance Sheet date and disclosure is made in the notes where inflow of economic benefit is probable.

L. Fair Value measurement

- a) Fair value is the price that would be received on selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Holding Company has access at that date.
- b) While measuring the fair value of an asset or liability, the Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure the fair value using observable market data as far as possible and minimising the use of unobservable inputs. Fair values are categorised into 3 levels as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the assets or liability, either directly (i.e. as prices for similar item) or indirectly (i.e. derived from prices).

Level 3: Inputs that are not based on observable market data (unobservable inputs)

M. Financial Instruments

i. Financial Assets other than derivatives

The initial recognition of financial assets is made only when the Group becomes a party to the contractual provisions of the instrument. Initial measurement of financial assets is made at fair values including transaction costs that are attributable to the acquisition of the financial asset.

The subsequent measurement of a financial asset is made at amortised cost if the asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and the contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Amortised cost is net of any write down for impairment loss (if any) using the effective interest rate ("EIR") method taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Consolidated Statement of Profit and Loss.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

Investments in subsidiaries are accounted for and measured at cost (fair value as deemed cost on first time adoption) in the Standalone Ind AS financial statements.

Investments in equity other than subsidiaries are accounted for and measured at fair value through profit or loss.

A financial asset is derecognised either partly or fully to the extent the rights to receive cash flows from the asset have expired and / or the control on the asset has been transferred to a third party. On de-recognition, any gains or losses are recognised in the Consolidated Statement of Profit and Loss.

ii. Financial Liabilities other than derivatives

The initial recognition of financial liabilities is made only when the Group becomes a party to the contractual provisions of the instrument. Initial measurement of financial liabilities is made at fair values net of transaction costs that are attributable to the liability.

After initial recognition, financial liabilities are subsequently measured at amortised cost using the EIR method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Consolidated Statement of Profit and Loss.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Consolidated Statement of Profit and Loss.

iii. Financial guarantee contract

Financial guarantee contracts issued by the group are those contracts that require specified payments to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Where guarantees in relation to loans or other payables of related party are provided for no compensation, the fair values are accounted for as contributions and recognised as fees receivable under "other financial assets" or as a part of the cost of the investment, depending on the contractual terms.

iv. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

N. Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current if they are expected to be realised / settled within twelve months after the reporting period. All other assets and liabilities are considered as non-current.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

O. Impairment

Non-financial Assets

At each Balance Sheet date, an assessment is made of whether there is any indication of impairment. If any indication exists, or when annual impairment testing for an asset is required, the group estimates the recoverable amount of assets. The recoverable amount is the higher of fair value less costs of disposal in respect of the assets or Cash-Generating Units (CGU) and their value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount and the impairment loss is charged to Consolidated Statement of Profit and Loss.

Financial Assets

The Group assesses at each date of Balance Sheet whether a financial asset or group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Group recognises lifetime expected losses for all contract assets and /or all trade receivables that do not contain a significant financing component. For all other financial assets, expected credit losses are measured at an amount equal to the 12 – month expected credit losses if the credit risk on the financial asset had not increased significantly since initial recognition or at an amount equal to the lifetime expected credit losses if the credit risk on the financial asset had increased significantly since initial recognition.

P. Non-Current Asset Held for Sale

Non-current assets are classified as held for sale if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of held for sale is met when the non-current asset is available for immediate sale and the same is highly probable of being completed in near future from the date of classification as held for sale. Non-current assets held for sale are measured at the lower of carrying amount and fair value less cost to sell. Subsequent to such classification, such assets are not depreciated while they are classified as 'Held for Sale'. Non-current assets that cease to be classified as held for sale are measured at the lower of carrying amount before the non-current asset was classified as held for sale adjusted for any depreciation/ amortization and its recoverable amount at the date when the non-current assets no longer meet the "Held for sale" criteria.

Q. Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in the Consolidated Statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly or indirectly in equity respectively.

Current Income Taxes

Income-tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

The Current Income tax expense includes income taxes payable by the Holding Company and its subsidiaries in India and overseas. The current tax payable by the Company and its subsidiaries in India is Indian Income tax payable on worldwide income.

The Current Income tax expense for overseas subsidiaries has been computed based on the tax laws applicable to each subsidiary in the respective jurisdiction in which it operates.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

Advance taxes and provisions for current income taxes are presented in the Consolidated Balance sheet after offsetting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying units intends to settle the asset and liability on net basis.

Minimum Alternate Tax ('MAT') paid under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Consolidated Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Holding Company will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. Such an asset is reviewed at each Balance Sheet date.

Deferred taxes

Deferred income tax is recognized using the Balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of goodwill or on asset and liability in a transaction that is not a business combination and effects neither accounting nor taxable profit or loss at the time of the transactions.

Deferred income tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax liabilities are recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets and liabilities are measured using substantively enacted rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax assets and liabilities are off set when they relate to incomes taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on net basis.

Deferred tax assets include Minimum Alternate tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as an asset in the Consolidated Balance Sheet when the asset can be measured reliability and it is probable that the future economic benefit associated with the asset will be realized.

R. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, adjusted for the effect of all dilutive potential equity shares.

S. Cash and Cash equivalents

Cash and cash equivalents include cash at bank, cash, cheques and draft on hand. The group considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS

Cash Flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

Note No.6.2

Recent pronouncements

Ministry of Corporate Affairs (MCA) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 31st March 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2022. The effective date for adoption of these amendments is annual period beginning on or after 1st April 2023 and will not have material impact on Company's Ind AS financial statements. The following is a summary of the amendments:

(i) Ind AS 1 - Presentation of Financial Statements

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies.

(ii) Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates.

(iii) Ind AS 12 - Income Taxes

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences.

(iv) Ind As 102 – Share Based Payments

Relating to the fair value of the equity instruments not being possible to be estimated reliably.

(v) Ind AS 103 – Business Combinations

Relating to the date on which the transferee obtains control of the transferor.

(vi) Ind AS 107 – Financial Instruments Disclosure

Relating to disclosure of material accounting policy information about the measurement basis (or bases) for financial instruments used in preparing the Consolidated Ind AS financial statements.

(vii) Ind AS 109 – Financial Instruments

Relating to a combination of entities or businesses under common control as described in Appendix C.

(viii) Ind AS 34 – Interim Financial Reporting

Relating to disclosure of material accounting policy information in interim financial statements.

Note :

a) The Holding Company had exercised the option of fair value as deemed cost for Property, Plant and Equipment on the date of transition to Ind AS i.e; 1st April 2016. Ind AS required entities to account for deferred taxes using the Balance Sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the Balance Sheet and its Tax Base. Accordingly deferred tax liability on account of fair valuation of Land was calculated in previous year.

Under Section 55(2)(b)(i) of Income Tax Act 1961, "fair market value of capital assets means where the capital asset became the property of the assessee before the 1st day of April, 2001, the cost of acquisition of the asset to the assessee or the fair market value of the asset on the 1st day of April, 2001, shall be considered at the option of the assessee."

Accordingly deferred tax liability on account of fair value of Land is calculated and reviewed at each reporting date as required by Ind AS - 12 'Income Taxes' for changes in respect of temporary differences which have been recognised in previous periods. In F.Y. 2018-19, the Holding Company had opted to choose the fair market value of the land as on 01.04.2001 as its cost of acquisition in accordance with Section 55(2)(b)(i) of Income Tax Act 1961. This has resulted in creation of deferred tax charge during the year of Rs. (118.73) Lakhs (P.Y. deferred tax credit Rs. 58.56 Lakhs) which is part of deferred tax credit of Rs. 35.37 Lakhs for the year ended 31st March 2023 (P.Y. deferred tax charge Rs. (60.99) Lakhs).

b) Deferred tax Asset on unabsorbed depreciation, unabsorbed business losses and other temporary differences available as per the Income Tax Act, 1961 had been recognised, since it is probable that taxable profit will be available to adjust them in future years. Unabsorbed depreciation can be carried forward and set off against the profits for infinite number of years under the Income Tax Act, 1961 and profitability projections based on current margins show sufficient profits for set off in future.

c) The Taxation Laws (Amendment) Act, 2019 provides domestic companies with an option to opt for lower tax rate, provided they do not claim certain deductions. The Holding Company has presently considered the rate existing prior to the amendment. The Holding Company shall evaluate the option to opt for lower tax rate once it utilises the carried forward losses available under the Income Tax Act.

NOTE 31 - FAIR VALUE MEASUREMENTS:

The following disclosures are made as required by Ind AS -113 pertaining to Fair value measurement:

a. Accounting classification and fair values

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

b. Measurement of fair values:

The following tables shows the valuation techniques used in measuring Level 2 fair values.

Type	Valuation technique
Fixed Rate Borrowings	Discounted cash flows: The valuation model considers the present value of expected payment discounted using appropriate discounting rates.

c. Financial risk management

The Group has exposure to the Credit risk, Liquidity risk and Market risk arising from financial instruments.

Risk Management Framework: The Holding Company's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Board of Directors of the Holding Company has established the Risk Management Committee (RMC), which is responsible for developing and monitoring the Group's risk management policies.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits to control / monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

The Group's financial risk management is an integral part of how to plan and execute its business strategies.

The Group's financial risk management policy is approved by the respective Companies Board of Directors.

NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS:
d. Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables.

Trade receivables: The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

The following table provides information about the exposure to credit risk and measurement of loss allowance using Lifetime expected credit loss for trade receivables:

Cash and cash equivalents:

The Group held cash and cash equivalents of Rs. 463.75 lakhs as at 31st March 2023 (31st March 2022: Rs. 1,168.88 lakhs). The cash and cash equivalents are held with reputed banks.

e. Liquidity Risk:

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

f. Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices, will affect the Group's income or the value of its financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables, long term debt and commodity prices. The Group is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and commodity price risk.

g. Interest rate risk:

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest-bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through the Statement of Profit and Loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest-bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to Interest rate risk:

Group's interest rate risk arises from borrowings. The interest rate profile of the Group's interest-bearing long-term financial instruments is as follows:

Particulars	(Rs In Lakhs)	
	31st March 2023	31st March 2022
Fixed-rate instruments	1,536.05	3,151.52
Variable-rate instruments	848.00	1,608.53
Total	2,384.05	4,760.05

h. Currency risk:

The Group is exposed to currency risk on account of its operating and financing activities. The functional currency of the Holding Company is Indian Rupee.

To the extent the exposures on purchases and borrowings are not economically hedged by the foreign currency denominated receivables, the Group uses derivative instruments, like, foreign exchange forward contracts to mitigate the risk of changes in foreign currency exchange and principal only swap rates. The Group does not use derivative financial instruments for trading or speculative purposes.

The Group evaluates exchange rate exposure arising from foreign currency transactions and the Group follows established risk management policies including the use of derivatives like foreign exchange forward contracts to hedge exposure.

**NOTES FORMING PART OF CONSOLIDATED IND AS FINANCIAL STATEMENTS:****Note No. 40****Code on Social Security, 2020**

The Code on Social Security, 2020 ("Code") relating to employee benefits during the employment and post-employment benefits had been published in the Gazette of India on 28th September 2020. The Ministry of Labour and Employment had released draft rules for the Code on 13th November 2020. The effective date from which these changes are applicable is yet to be notified. The Holding Company will assess and record the impact, if any, when the rules are notified, and the Code becomes effective.

Note No. 41

The Board of Directors of AESA Air Engineering SA, France which was a step-down subsidiary, had filed Judiciaire Redressment under French Law on 6th July 2020. The French Court had passed an interim order on 18th November 2020 taking cognizance of the situation and pronounced the 'liquidation judicial' of AESA Air Engineering SA France including its three step down subsidiaries and appointed a Liquidator. Thus, the Holding Company had no control over the said step-down subsidiary companies and hence it ceased to be step down subsidiary of the Holding Company from financial year 2020-21.

Note No. 42

Queen Projects (Mauritius) Ltd, Mauritius, Subsidiary Company of the Holding Company is undergoing a voluntary liquidation process, as it is desirable for the Holding Company to have direct control of Quickmill Inc. and 760 Rye Street Inc. (Canada) which are currently its Step down subsidiary Companies.

Note No. 43:**Additional Regulatory Disclosures:**

Dear Member,

The Ministry of Corporate Affairs (“MCA”) vide its Circulars dated 21st April, 2011 and 29th April, 2011 has taken “Green Initiative in the Corporate Governance”, thereby allowing companies to serve various communications / documents (including Notice of General Meetings, Audited Financial Statements, Directors’ Report, Auditors’ Report and all other documents including Postal Ballot documents) through electronic mode to its those Members who have registered their e-mail address for the purpose.

The Company appreciates the “Green Initiative” taken by MCA as this will reduce paper consumption to a great extent and allow public at large to contribute towards Greener Environment

Accordingly, henceforth, we propose to send all communications / documents, through e-mail, to those Members who have registered their e-mail address with the Company. Please note that all such communications / documents shall be available on the Company’s website www.batliboi.com for download by the Members. If the Members still wish to receive physical copies of these communications / documents, the Company undertakes to provide the same.

As a responsible citizen, we trust that you would support and co-operate in implementing this initiative by submitting your e-mail address to the Company in the interest of the environment. You are requested to please fill the details in the format provided on our website or in the box given below for the registration of the e-mail address.
